ITEM NO. 9

Pursuant to the provisions of Sections 179 and 186 and other applicable provisions, if any, of the Companies Act, 2013 ("**Act**"), read with the Companies (Meetings of Board and its Powers) Rules, 2014, the Board of Directors of a Company is empowered to make loans, give guarantees, provide securities and make investments. However, where any loan or investment is proposed to be made, any guarantee is proposed to be given or any security is proposed to be provided, along with the aggregate of the loans and investments made, guarantees given and securities already provided would exceed the limits prescribed under Section 186(2) of the Act, prior approval of the Members by way of a Special Resolution is required.

The Members of the Company, at their 28th Annual General Meeting held on September 22, 2022, had accorded their approval to the Board of Directors to make investments, grant loans, give guarantees and/or provide securities, from time to time, in excess of the limits specified under Section 186(2) of the Act, up to an aggregate outstanding amount not exceeding ₹2,000 Crores (Rupees Two Thousand Crores only).

Considering the Company's long-term business plans, strategic growth initiatives, expansion plans, treasury operations and funding requirements, including the need to provide financial assistance, by way of loans, guarantees, securities or investments, to existing and future subsidiaries, joint ventures, associates and other persons or bodies corporate, wherever considered necessary and in compliance with applicable laws, the existing limit of ₹2,000 Crores may not be adequate to meet the Company's present and future business requirements.

Accordingly, in order to provide greater financial and operational flexibility and to enable the Company to efficiently support its business objectives and growth opportunities, the Board of Directors, at its meeting held on September 03, 2026, approved, subject to the approval of the Members, the enhancement of the existing limit from **₹2,000 Crores (Rupees Two Thousand Crores only)** to **₹3,000 Crores (Rupees Three Thousand Crores only).**

The proposed enhancement is intended to provide the Board with the necessary flexibility to make investments, grant loans, provide guarantees and/or securities from time to time, as may be considered expedient in the ordinary course of business and in furtherance of the Company's strategic and business objectives, subject to compliance with the applicable provisions of the Act and other applicable laws.

Accordingly, approval of the Members is sought by way of a Special Resolution pursuant to the provisions of Sections 179, 186 and other applicable provisions, if any, of the Act, read with the Rules made thereunder (including any statutory modification(s) or re-enactment(s) thereof for the time being in force), to authorize the Board of Directors to make loans, give guarantees, provide securities and make investments up to an aggregate outstanding limit of **₹3,000 Crores (Rupees Three Thousand Crores only)**.

None of the Directors, Key Managerial Personnel of the Company or their relatives is, in any way, concerned or interested, financially or otherwise, in the proposed resolution, except to the extent of their respective shareholding, if any, in the Company.

The Board recommends the Special Resolution set out at Item No. 9 of the accompanying Notice for approval by the Members.

ITEM NO. 10

Pursuant to the provisions of Section 180(1)(a) and other applicable provisions, if any, of the Companies Act, 2013 ("**Act**"), read with the applicable Rules made thereunder, the Board of Directors of a Company shall not, except with the consent of the Members accorded by way of a Special Resolution, sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking(s) of the Company.

For the purpose of Section 180(1)(a) of the Act, the term "undertaking" shall have the meaning ascribed to it under Section 2(17) of the Act, and "substantially the whole of the undertaking" shall have the meaning ascribed under Section 180 of the Act.

Further, pursuant to the provisions of Section 179 and other applicable provisions of the Act, the Board of Directors is empowered to exercise the powers of the Company, including the power to borrow monies and create security interests, subject to the approval of the Members wherever required under the provisions of the Act.

The Members of the Company, by way of a Special Resolution passed through Postal Ballot on May 28, 2023, had accorded their approval under Section 180(1)(a) of the Act authorising the Board of Directors of the Company to create mortgages, charges, hypothecation, pledges and/or other security interests, in addition to the existing charges, on the movable and immovable properties and assets of the Company, whether present or future, and to sell, lease, transfer, assign, convey or otherwise dispose of the whole or substantially the whole of the undertaking(s) of the Company, or where the Company owns more than one undertaking, the whole or substantially the whole of any such undertaking(s), in favour of banks, financial institutions, investment agencies, mutual funds, trustees, debenture trustees, other bodies corporate, lenders and/or other security holders, on such terms and conditions as may be determined by the Board, up to an aggregate value not exceeding ₹5,000 Crores (Rupees Five Thousand Crores only).

Considering the Company's present and future business requirements, growth plans, expansion initiatives and anticipated funding requirements, the Company may, from time to time, avail financial assistance by way of loans, borrowings or other financial arrangements from banks, financial institutions, body corporates, lenders and other financing agencies. Such financial arrangements may require the creation of mortgages, charges, hypothecation, pledges and/or other security interests over the movable and/or immovable properties and assets of the Company, whether present or future.

In order to provide the Company with adequate financial flexibility and to enable the Board to efficiently secure such borrowings and financial obligations, it is proposed to enhance the existing authorization granted by the Members from **₹5,000 Crores (Rupees Five Thousand Crores only)** to **₹6,000 Crores (Rupees Six Thousand Crores only)**.

Accordingly, approval of the Members is sought to authorise the Board of Directors, from time to time, to create mortgages, charges, hypothecation, pledges and/or other security interests on the whole or substantially the whole of the undertaking(s) and assets of the Company, whether movable or immovable, present or future, in favour of banks, financial institutions, lenders, trustees, debenture trustees, security holders and/or other persons or entities, upon such terms and conditions as the Board may deem fit and in the best interests of the Company, up to an aggregate value not exceeding **₹6,000 Crores (Rupees Six Thousand Crores only)**.

The proposed authorization will enable the Company to meet its funding requirements in a timely manner, optimise its financing arrangements and support its business objectives and growth plans. The Board believes that the proposed enhancement of the limit is in the best interests of the Company and its stakeholders.

Accordingly, approval of the Members is sought by way of a Special Resolution pursuant to the provisions of Section 180(1)(a) and other applicable provisions, if any, of the Act, read with the Rules made thereunder, including any statutory modification(s) or re-enactment(s) thereof for the time being in force.

None of the Directors, Key Managerial Personnel of the Company or their relatives is, in any way, concerned or interested, financially or otherwise, in the proposed resolution, except to the extent of their respective shareholding, if any, in the Company.

The Board recommends the Special Resolution set out at Item No. 10 of the accompanying Notice for approval by the Members.
