Report on the Audit of Standalone Financial Results

Opinion

We have audited the accompanying standalone quarterly financial results of **Vastu Housing Finance Corporation Limited** ('the Company') for the quarter ended September 30, 2026 and the year to date results for the period from April 1, 2026 to September 30, 2026, attached herewith ('the Statement'), being submitted by the Company pursuant to the requirement of Regulation 52 of the Securities and Exchange Board of India ('SEBI') ('Listing Obligations and Disclosure Requirements') Regulations, 2015, as amended ("the Listing Regulations").

In our opinion and to the best of our information and explanations given to us, these standalone financial results:

a) are presented in accordance with the requirements of Regulation 52 of the Listing Regulations;

b) give a true and fair view of the net profit including other comprehensive income and other financial information of the Company for the quarter ended September 30, 2026 and the year to date results for the period from April 1, 2026 to September 30, 2026, prepared in accordance with the recognition and measurement principles laid down in the applicable accounting standards, read with applicable guidelines issued by the Reserve Bank of India ('RBI') / National Housing Bank (NHB) and other accounting principles generally accepted in India.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *'Auditor's Responsibilities for the Audit of the Standalone Financial Results'* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial results, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Board of Directors' Responsibility for the Standalone Financial Results

These standalone financial results have been compiled from the interim standalone financial statements. The Company's Board of Directors is responsible for the preparation of these standalone Financial Results that give a true and fair view of the net profit including other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 (Ind AS 34) "Interim Financial Reporting" specified under section 133 of the Act read with relevant rules issued thereunder the relevant provisionsof the circulars, guidelines and directions issued by the Reserve Bank of India ('RBI') / National Housing Bank ('NHB') from time to time ("RBI Guidelines" / "NHB Guidelines") and other accounting principles generally accepted in India and in compliance with Regulation 52 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financialcontrols that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial results, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assuranceis a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individuallyor in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

a) Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedure responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.

d) Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.

e) Evaluate the overall presentation, structure and content of the standalone financialresults, including the disclosures, and whether the standalone financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters,the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
