Mission

Fair, fast, and accessible credit
built for the underserved.

Empowering every Indian to achieve their
dreams through data and technology driven
financial solutions and instant credit access.

Vision

A man in a black suit and glasses sits on a glass table in a modern, circular office with large windows overlooking a blue sky with clouds. A white leather chair is also visible.

Nitin Gupta
CEO & Co-founder

Dear Shareholders,

What a phenomenal year it has been for Finnable.

At the consolidated level, total income grew to **₹431 crore** delivering a PAT of **₹46 crore**. Managed AUM closed the year at **₹3,547 crore**, while our own NBFC AUM crossed the **₹1,000 crore** milestone for the first time.

Most notably, our latest **PAR 90 at 6 MOB** stood at an exceptional **0.36%**, a truly remarkable feat for an unsecured lending business, backed by a robust collection efficiency of **99.4%**. These results were achieved during a challenging year for the retail credit industry, which saw heightened macro stress, West Asia conflict, and a slowdown in originations from major players.

Our achievements are a direct result of grit and focus.

A heartfelt thank you to our customers, lending partners, investors, and every Finnabler who fought for every inch to make this milestone possible.

Onward,

Amit Arora

Co-founder

Dear Shareholders,

Using data and technology, we continue on our mission to bridge the gap in the financial services industry by providing top-class lending solutions to underserved, low-income earners across both salaried and self-employed segments.

Here are the significant steps from our journey last year:

Serving Self-Employed Customers Through Secured Lending: In line with our mission, we began offering secured lending options to low-income, self-employed customers in Tier 3 and Tier 4 towns, anchored by the launch of our Loan Against Property (LAP) product.

Scaling Our Own Book: We began as a co-origination platform, a fantastic model for driving impact at scale with minimal capital requirements. Now the combination of on and off-book lending capabilities gives us a distinct capital efficient edge to scale rapidly and sustainably.

Industry-Leading Risk Performance: Our risk performance continues to improve as we scale, performing up to 3 times better than the industry average. Our risk management philosophy is modelled on Kaizen: achieving significant positive results through the cumulative effect of continuous, incremental improvements across all operations.

Deploying AI Where It Moves the Needle: AI is the easiest thing to claim in this industry and the hardest to prove, so I will be specific. AI is actively in production across our facial-match, identity, and employment verification algorithms; in the models reading bank statements; and in the bots supporting customer service, underwriting, and collections. What AI transforms for us is unit cost and execution speed at scale. —the denominator, not just the demo.

All of this has been made possible by the culture of honesty, transparency, and collaboration ingrained in every Finnabler's heart. In the coming year, we will continue to scale and build innovative lending solutions for the underserved.

Onward,

INDEPENDENT EYE
DIRECTOR'S VOICE

Shrimohan Yadav

My association with Finnable has been a privilege, not merely because of the numbers the Company has delivered, but because of the philosophy beneath them. Finnable has anchored itself to a simple idea: the **"onwards and upwards" growth of our borrowers is inseparable from our own**. That is what has made my time on its Board genuinely meaningful.

At the heart of Finnable's vision is a segment of India's economy that is too often overlooked by formal credit systems—**working professionals in small and mid-sized organisations**, who form the backbone of our economy yet can struggle to access finance. Finnable recognised their hard work and potential and built an institution around a simple conviction: that these individuals are, in truth, **"Financially Able."**

Governance that grows with us

As Chairman of the Audit Committee, I have had a close vantage point on the Company's growth. What I value most is that this growth has been accompanied by **transparency, ethics and sound governance**, without compromise. Customer-centricity at Finnable is not merely a stated value; it is embedded in its policies, systems, processes and culture.

Onward,
Shrimohan Yadav,

FINNABLER'S WALL

Aashish A. Rohida

A company can grow for years without changing what it is. FY26 was the year Finnable changed what it is.

During the year, we were reclassified as a Middle Layer NBFC under the RBI Directions, elevating the expectations for our governance and reporting. The Group completed its transition to Indian Accounting Standards, making FY26 our first year reported under Ind AS.

Additionally, our non-convertible debentures were listed, embedding the discipline of public-market disclosure into our operations as debt listed entity. Concurrently, we expanded our product breadth by commencing secured lending.

These structural shifts transformed our funding as much as our reporting. We raised ₹721 crore during the year across term loans from banks and financial institutions, non-convertible debentures, and securitisation. Diversifying across distinct capital routes allows us to plan proactively.

Individually, each of these milestones is a significant achievement. Together, they mark Finnable's evolution from a fast-growing NBFC into an institution built for scale, backed by the governance, capital access, and product diversity to match our long-term ambition.

Onward,

HEAD OF FINANCE

FINNABLER'S WALL

Shrenik Sethi

Because our typical customer is a first-time personal loan borrower with a thin credit bureau history, generic scores don't tell the whole story. By leveraging alternate data and deep analytics, we have built proprietary risk scorecards, ingesting more than 20k features, that are 3 to 4 times sharper than standard bureau models.

Our ongoing investment in data and analytics is central to our portfolio's resilience. The combination of robust underwriting framework and continuous monitoring ensures we maintain strict credit discipline as the business scales.

The strength of this data-driven approach is directly reflected in our credit performance. Our GNPA and early vintage delinquency metrics is improving with every new cohort, proving the consistency of our risk management and the high quality of the portfolio we are building.

We are now applying these same underwriting principles to newer offerings like Loans Against Property (LAP). While secured lending introduces a different customer profile, collateral dynamics, and portfolio considerations, we have successfully developed industry-first, cash-flow-based underwriting models powered extensively by AI.

Onward,

HEAD OF RISK & ANALYTICS

FINNABLER'S WALL

Sandeep Koul

From day one, our goal has been clear: build a fast, intelligent, and customer-centric lending engine. Today, that vision is realised in Finnacle's proprietary platform, our full-stack, AI-first platform that powers the entire credit lifecycle. Built by a lean, business-minded engineering team, the platform is our core competitive advantage, giving us the agility to rapidly launch products, adapt to regulations, and seamlessly scale. By embedding AI directly into our cloud-native architecture, we aren't just adapting to the future of financial services; we are driving it, helping customers access credit faster, with complete transparency and confidence.

Onward,

CHIEF TECHNOLOGY OFFICER

FINNABLER'S WALL

Dr. Ashok Nagpal

When I joined Finnable, the goal was clear: pioneer a tech-first secured lending ecosystem for underserved self-employed & salaried segment in Tier 3 and Tier 4 markets. Building this business from the ground up meant designing a custom credit framework, scalable tech-driven processes, and a world-class team capable of driving sustainable growth.

The transformation taking place in these regions is remarkable. Small businesses are embracing digital footprints, fundamentally changing how we assess credit and serve traditional enterprises without relying on slow, physical underwriting. By blending deep field insight with advanced digital data, we have turned speed and accuracy into a core competitive advantage.

Nothing captures this impact better than a 45-year-old *kirana* store owner receiving loan proceeds in hours instead of waiting weeks over reams of paperwork. That seamless experience is how we empower India's backbone.

AGM NOTICE

NOTICE OF THE 11TH ANNUAL GENERAL MEETING

SHORTER NOTICE

SHORTER NOTICE IS HEREBY GIVEN THAT THE 11th (ELEVENTH) ANNUAL GENERAL MEETING ("AGM") OF FINNABLE CREDIT PRIVATE LIMITED ("THE COMPANY") WILL BE HELD IN HYBRID MODE, THAT IS TO SAY, PHYSICALLY AT THE REGISTERED OFFICE OF THE COMPANY SITUATED AT INDIQUE EDGE, 2ND FLOOR, SY, 4, 6/4, PLOT NO. 571/630, OUTER RING RD, BESIDE MICROSOFT OFFICE, AMBALIPURA, BELLANDUR, BENGALURU, KARNATAKA 560102 AND SIMULTANEOUSLY THROUGH VIDEO CONFERENCING / OTHER AUDIO- VISUAL MEANS ("VC/OAVM") FOR MEMBERS WHO ELECT TO PARTICIPATE REMOTELY, ON FRIDAY, 25TH SEPTEMBER 2026 AT 5:00 PM TO TRANSACT THE FOLLOWING BUSINESSES:

This Notice is issued at shorter notice pursuant to the first proviso to Section 101(i) of the Companies Act, 2013 read with Standard 1.2.1.2 of Secretarial Standard-2, the Company having received the written consent to shorter notice of Members as per the statutory requirements.

Members are further requested to note that, in terms of the first proviso to Section 136(i) of the Act, the audited financial statements for the financial year ended 31st March 2026 together with the Reports of the Board of Directors and the Auditors thereon are being circulated at less than twenty-one days before the Meeting, with the consent of Members, as required under the applicable law.

ORDINARY BUSINESS: ITEM NO. 1:

(I) TO RECEIVE, CONSIDER AND ADOPT THE STANDALONE FINANCIAL STATEMENTS OF THE COMPANY FOR THE FINANCIAL YEAR ENDED 31ST MARCH 2026 AND THE REPORTS OF THE BOARD OF DIRECTORS AND AUDITORS THEREON:

(II) TO RECEIVE, CONSIDER AND ADOPT THE CONSOLIDATED FINANCIAL STATEMENTS OF THE COMPANY FOR THE FINANCIAL YEAR ENDED 31ST MARCH 2026 AND THE REPORT OF AUDITORS THEREON:

To consider and pass the following resolution as an **Ordinary Resolution**:

"RESOLVED THAT the audited standalone financial statements of the Company for the financial year ended 31st March 2026, together with the Reports of the Board of Directors and the Auditors thereon, as laid before this Meeting, be and are hereby received, considered and adopted."

"RESOLVED THAT the audited consolidated financial statements of the Company for the financial year ended 31st March 2026, together with the Report of the Auditors thereon, as laid before this Meeting, be and are hereby received, considered and adopted."

ITEM NO. 2: APPOINTMENT OF M/S. PRICE WATERHOUSE LLP AS THE STATUTORY AUDITORS OF THE COMPANY:

To consider and pass the following resolution as an **Ordinary Resolution**:

"RESOLVED THAT pursuant to the provisions of Sections 139, 141, 142 and other applicable provisions, if any, of the Companies Act 2013 ("Act") read with the Companies (Audit and Auditors) Rules, 2014, the Reserve Bank of India (Non-Banking Financial Companies – Statutory Audit) Directions, 2026 issued vide RBI/DoS/2026-27/465, DoS.CO.ARG.59/08.91.001/2026-27 dated July 31, 2026 ("RBI Statutory Audit Directions") (including any statutory modification(s), amendment(s) or re-enactment(s) thereof for the time being in force), policy of the Company on appointment of statutory auditors, and all other applicable laws, if any, and pursuant to the recommendation of the Audit Committee and the Board of the Company, the consent of the members, be and is hereby accorded for the appointment of M/s. Price Waterhouse LLP, Chartered Accountants (Firm Registration No. 301112E/E300264) ("PWC") as the Statutory Auditors of the Company based on the receipt of (i) their written consent to such appointment and a certificate of eligibility under Section 139(i) of the Act read with Rule 4 of the Companies (Audit and Auditors) Rules, 2014 to the effect that the appointment, if made, shall be in accordance with the conditions prescribed and that they satisfy the criteria specified in Section 141 of the Act; and (ii) a signed eligibility certificate in the prescribed format under the RBI Statutory Audit Directions confirming compliance with the eligibility, independence, tenure, cooling-off and concurrent-mandate norms prescribed thereunder.

"RESOLVED FURTHER THAT PWC shall hold office for a term of two (2) consecutive years (being the balance of the continuous tenure of three (3) years contemplated by the RBI Statutory Audit Directions), to audit the accounts of the Company for the financial years 2026-27 and 2027-28, from the conclusion of this Annual General Meeting until the conclusion of the Annual General Meeting to be held in FY 2028-29, at such remuneration and reimbursement of out-of-pocket expenses as may be mutually agreed upon between the Company and the Statutory Auditors with the Directors of the Company being authorised to revise the remuneration for the financial year 2027-28.

"RESOLVED FURTHER THAT any of the Directors and Company Secretary of the Company, be and is hereby authorised to do all such acts, deeds, matters and things, including finalising the terms and conditions of appointment, filing necessary e-forms with the concerned Registrar of Companies, as may be necessary, proper or expedient to give effect to this resolution."

SPECIAL BUSINESSES:

ITEM NO. 3: APPOINTMENT OF MR. SHRIMOHAN YADAV (DIN: 10461785) AS AN INDEPENDENT DIRECTOR OF THE COMPANY:

To consider and pass the following resolution as an **Ordinary Resolution**:

"RESOLVED THAT pursuant to the provisions of Sections 149, 150, 152, and other applicable provisions, if any, of the Companies Act 2013, read with Schedule IV thereto and the Companies (Appointment and Qualification of Directors) Rules, 2014 ("Act"), the applicable provisions of the Reserve Bank of India (Non-Banking Financial Companies – Governance) Directions, 2025 ("Governance Directions"), and other applicable laws, rules and regulations, including any statutory modification(s) or re-enactment(s) thereof for the time being in force, the provisions of the Articles of Association of the Company, and pursuant to the recommendations of the Nomination and Remuneration Committee and the Board of Directors of the Company, the approval of the Members be and is hereby accorded for the appointment of Mr. Shrimohan Yadav (DIN: 10461785) as an Independent Director of the Company, who was appointed by the Board of Directors as an Additional Director (Non-Executive Independent) of the Company with effect from 5th February, 2026, to hold office as an Independent Director of the Company for a term of three (3) consecutive years effective from 5th February, 2026 and up to 4th February, 2029, and who shall not be liable to retire by rotation.

RESOLVED FURTHER THAT the Members hereby take note of the following:

- a. declaration of independence and other disclosures/declarations submitted by Mr. Shrimohan Yadav under the Act and applicable Directions and confirm that he fulfils the criteria for appointment as an Independent Director of the Company;
- b. the Nomination & Remuneration Committee and the Board of Directors have satisfied themselves that Mr. Shrimohan meets the 'fit and proper' criteria prescribed under the Governance Directions and the Company's Board-approved Fit and Proper Policy;
- c. he has executed the Deed of Covenants in the form prescribed thereunder, and that he is registered with the Indian Institute of Corporate Affairs databank of independent directors maintained under Rule 6 of the Companies (Appointment and Qualification of Directors) Rules, 2014 and holds online proficiency self-assessment test as mandated under the Act.

RESOLVED FURTHER THAT Mr. Shrimohan Yadav shall be entitled to receive sitting fees for attending meetings of the Board and Committees thereof, reimbursement of expenses, if any, and such other remuneration, if any, as may be permissible under the applicable provisions of law and policies of the Company, as may be decided by the Board of Directors, from time to time.

RESOLVED FURTHER THAT the Directors of the Company or the Company Secretary be and are hereby severally authorised to do all such acts, deeds, matters and things as may be necessary or expedient to give effect to this resolution, including issuance and submission of certified true copies of this resolution to any concerned person(s)/authority(ies), filing necessary forms/returns and to resolve any difficulties that may arise in this regard."

ITEM NO. 4: APPOINTMENT OF MR. SREERAM RANGANATHAN IYER (DIN: 00472961) AS A NON-EXECUTIVE DIRECTOR (NOMINEE) OF THE COMPANY:

To consider and pass the following resolution as an **Ordinary Resolution**:

"RESOLVED THAT pursuant to the provisions of Sections 149, 152, 161 and other applicable provisions, if any, of the Companies Act 2013, read with the Companies (Appointment and Qualification of Directors) Rules, 2014 ("Act"), the applicable provisions of the Reserve Bank of India (Non-Banking Financial Companies – Governance) Directions, 2025 ("Governance Directions"), and other applicable laws, rules and regulations, including any statutory modification(s) or re-enactment(s) thereof for the time being in force, the provisions of the Articles of Association of the Company, and pursuant to the recommendations of the Nomination and Remuneration Committee and the Board of Directors of the Company, the approval of the Members be and is hereby accorded for the appointment of Mr. Sreeram Ranganathan Iyer (DIN: 00472961), who was appointed by the Board of Directors as an Additional Director (Nominee & Non-Executive Director) of the Company with effect from 29th May 2026 on behalf of TVS Capital Funds Private Limited and other investors as per shareholders' agreement ("SHA"), to hold office as a Non-Executive Director (Nominee) of the Company, not liable to retire by rotation, for so long as the nomination subsists under the SHA and the Articles of Association of the Company.

RESOLVED FURTHER THAT the Members hereby take note of the disclosures/declarations submitted by Mr. Sreeram Ranganathan Iyer under the Act and applicable Directions and confirm that he fulfils the criteria for appointment as Non-Executive Director (Nominee) of the Company and that the Nomination and Remuneration Committee and the Board of Directors have satisfied themselves that Mr. Sreeram Ranganathan Iyer meets the 'fit and proper' criteria prescribed under the Governance Directions and the Company's Board-approved Fit and Proper Policy, and that he has executed the Deed of Covenants in the form prescribed thereunder.

RESOLVED FURTHER THAT Mr. Sreeram Ranganathan Iyer shall be entitled to the remuneration as per the provisions of the Act as may be decided by the Board from time to time, excluding any sitting fee for attending the meetings of the Board or its Committees. If any, as may be permissible under the applicable provisions of law and policies of the Company.

RESOLVED FURTHER THAT the Directors of the Company or the Company Secretary be and are hereby severally authorised to do all such acts, deeds, matters and things as may be necessary or expedient to give effect to this resolution, including issuance and submission of certified true copies of this resolution to any concerned person(s)/authority(ies), filing necessary forms/returns and to resolve any difficulties that may arise in this regard."

ITEM NO. 5: PAYMENT OF COMMISSION TO MR. SHRIMOHAN YADAV (DIN: 10461785), FOR THE FINANCIAL YEAR 2025-26:

To consider and pass the following resolution as an **Ordinary Resolution**:

"RESOLVED THAT pursuant to the provisions of Sections 149, 197 and other applicable provisions, if any, of the Companies Act 2013, read with Schedule IV & V thereto and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Reserve Bank of India (Non-Banking Financial Companies – Governance) Directions, 2025, the Articles of Association of the Company, the Nomination and Remuneration Policy of the Company and other applicable laws, rules and regulations, including any statutory modification(s) or re-enactment(s) thereof for the time being in force, and based on the recommendation of the Nomination and Remuneration Committee and the Board of Directors of the Company, approval of the Members be and is hereby accorded for the payment of a one-time commission of up to INR 2.15 lakhs (Indian Rupees Two Lakhs Fifteen Thousand Only) to Mr. Shrimohan Yadav (DIN: 10461785), Independent Director of the Company, for the financial year 2025-26, in addition to the sitting fees payable to him for attending meetings of the Board of Directors and Committees thereof, and reimbursement of expenses, if any, in accordance with the applicable policies of the Company, towards the contribution made by him to the Board and the Company.

RESOLVED FURTHER THAT the Directors of the Company or the Company Secretary be and are hereby severally authorised to do all such acts, deeds, matters and things as may be necessary or expedient to give effect to this resolution, including issuance and submission of certified true copies of this resolution to any concerned person(s)/authority(ies), filing necessary forms/returns and to resolve any difficulties that may arise in this regard."

ITEM NO. 6: APPROVAL OF RELATED PARTY TRANSACTIONS WITH ENSURETI INSURANCE BROKING PRIVATE LIMITED:

To consider and pass the following resolution as an **Ordinary Resolution**:

"RESOLVED THAT pursuant to the provisions of Section 188 and other applicable provisions of the Companies Act, 2013 ("Act") read with Rule 15 of the Companies (Meeting of Board and its Powers) Rules, 2014, the Company's Policy on Related Party Transactions, and other applicable laws, rules and regulations, including any statutory modification(s) or re-enactment(s) thereof for the time being in force, and based on the approval of the Audit Committee and the Board of Directors of the Company, the consent of the Members be and is hereby accorded:

(a) to ratify/approve the related party transaction(s) entered into between the Company and Ensureti Insurance Broking Private Limited, a related party of the Company by virtue of Mr. Nitin Gupta being a common Director of the Company and Ensureti Insurance Broking Private Limited, during the period up to 12th August, 2026, aggregating to INR 397.49 Lakhs, the particulars of which were placed before, and reviewed and approved for ratification by the Audit Committee and the Board of Directors at their respective meetings held on 13th August, 2026; and as placed before the meeting; and

(b) to approve the related party transaction(s) proposed to be entered into between the Company and Ensureti Insurance Broking Private Limited during the remaining period of the Financial Year 2026-27, i.e., up to 31st March, 2027, for an aggregate value not exceeding INR 2280 Lakhs, such transactions being in the ordinary course of business of the Company and on an arm's length basis, and on such other terms and conditions as placed before and approved by the Audit Committee and the Board of Directors, from time to time.

RESOLVED FURTHER THAT the Board of Directors of the Company (including any Committee thereof) be and is hereby authorised to finalise, vary or modify the terms and conditions, including the value, tenure and scope, of the aforesaid transactions, as may be considered necessary or expedient, subject to the overall limits approved above.

RESOLVED FURTHER THAT any of the Directors and the Company Secretary of the Company be and are hereby severally authorised to do all such acts, deeds, matters and things as may be necessary or expedient to give effect to this resolution, including issuance and submission of certified true copies of this resolution to any concerned person(s)/authority(ies), filing necessary forms/returns and to resolve any difficulties that may arise in this regard."

3. In terms of paragraph 3(B)(IV) of General Circular No. 20/2020 read with paragraph 3-B of General Circular No. 14/2020, other than the ordinary business set out above, only such items of special business as are considered unavoidable by the Board of Directors have been included in this Notice.
4. The Company is not required to provide remote e-voting under Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014, being neither a company whose equity shares are listed on a recognised stock exchange nor a company having one thousand or more members. Being a private company whose non-convertible debentures alone are listed, and which are issued on a private placement basis, the Company is not a "listed company" within the meaning of Section 2(52) of the Act read with Rule 2A of the Companies (Specification of Definitions Details) Rules, 2014. Accordingly, in terms of paragraph 3 of MCA General Circular No. 20/2020, voting at the AGM shall be conducted by a show of hands (and, where a poll is validly demanded under Section 109 of the Act, by poll), and Members participating through VC/OAVM who wish to record their vote may do so by sending an e-mail from their registered e-mail address to the designated e-mail address compliance@finnable.credit before the conclusion of the Meeting. Where less than 50 Members are present at the Meeting, the Chairperson may decide to conduct the voting by a show of hands unless a poll is validly demanded under Section 109 of the Act; in all other cases, voting shall be conducted only through the e-mail-based process mentioned herein. Where the counting of votes requires additional time, the Meeting may be adjourned and reconvened at a later date to declare the result. The confidentiality of the designated e-mail address and the authenticity of the e-mail addresses and other particulars of Members shall be strictly maintained and safeguarded by the Company at all times.
5. Members who wish to speak at the Meeting or who have questions on the financial statements or any item of business are requested to register themselves by writing to compliance@finnable.credit not later than 24 hours before the commencement of the Meeting, stating their name, folio number and the subject on which they wish to speak. The Company will endeavour to address all such queries at the Meeting or, where that is not practicable, by e-mail thereafter.
6. The proceedings of the Meeting conducted through VC/OAVM will be recorded and the recording, together with the transcript, will be maintained in the custody of the Company as part of the records of the Meeting, and hosted on the website of the Company at www.finnable.credit, in terms of the MCA Circulars. The Chairperson will be present at the registered office, which shall be deemed to be the venue of the Meeting for the purposes of Section 118 of the Act and the Minutes thereof.
7. The Explanatory Statement pursuant to Section 102(f) of the Act which sets out details relating to Special Business at the AGM is annexed hereto. The disclosure as required under Standard 12.5 of the Secretarial Standard - 2 on General Meetings for the directors proposed to be appointed/re-appointed are provided in Annexure 1 to this notice.
8. A member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote at the AGM on behalf of himself. The proxy need not be a member of the Company and shall not be entitled to vote except on a poll.
9. The instrument appointing the proxy should be deposited at the Registered Office of the Company, at least 48 hours prior to the commencement of the AGM.
10. When a member appoints a proxy and both the member and proxy attend the Meeting, the proxy stands automatically revoked.
11. Proxies shall, in terms of Section 105(8) of the Act, be made available for inspection by any Member entitled to vote who has given the Company not less than three days' notice in writing of his/her intention to inspect, during the period beginning twenty-four hours before the time fixed for the commencement of the Meeting and ending with the conclusion of the Meeting.
12. Corporate members intending to send their authorised representative(s) to attend the AGM are requested to forward Board Resolution authorising their representative or a letter on their letter head giving details of authorised person to attend and vote at the AGM either to the Company in advance or submit the same at the venue of the AGM.

13. Separate list of instructions for filling, stamping, signing and/or depositing the proxy form is attached with this notice.
14. In case of joint holders attending the Meeting, only such joint holders whose name appears first in the order of names will be entitled to vote.
15. All the documents referred to in the accompanying Notice and the Explanatory Statement, the Register of Contracts or Arrangements in which Directors are interested maintained under Section 189 of the Act, the Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act, the Register of Members maintained under Section 88 of the Act, the terms and conditions of appointment of the Independent Director (in terms of Schedule IV to the Act) and the certificates and declarations referred to in this Notice will be available for inspection at the registered office of the Company during business hours on all working days up to the date of the AGM, and will also be made available electronically to Members on a request sent to compliance@finnable.credit as per the applicable laws. The said documents and registers will also be available for inspection electronically during the Meeting. Any member who has any query before the meeting may contact Mr. Manoj Reddy, Company Secretary and Compliance Officer of the Company, on +91 8978025677 or by sending an e-mail to compliance@finnable.credit.
16. Route map and prominent land mark for easy location of the venue of the ACM is attached.
17. In terms of Section 101 of the Act read with Rule 18 of the Companies (Management and Administration) Rules, 2014 and the first proviso to Section 136(i) of the Act, and in line with the 'Green Initiative in Corporate Governance' of the Ministry of Corporate Affairs, this Notice together with the Annual Report is being sent only by electronic mode to those Members whose e-mail addresses are registered with the Company; and through other modes of services where email addresses have not been registered.
18. Members who have not registered their e-mail addresses so far, are requested to register their e-mail address for receiving all communication including Annual Report, Notices, Circulars, etc. from the Company electronically.
19. This Notice, together with the Annual Report for the financial year 2025-26, is being hosted on the website of the Company at www.finnable.credit and is being simultaneously filed with BSE Limited, on which the non-convertible debentures of the Company are listed, pursuant to Regulation 51 read with Part B of Schedule III and Regulation 62 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. A copy of this Notice is also being furnished to the Debenture Trustee in terms of Regulation 58 of the said Regulations and the Debenture Trust Deed(s).
20. The Company's non-convertible debentures being listed securities, the SEBI (Prohibition of Insider Trading) Regulations, 2015 apply to the Company. The trading window for dealing in the securities of the Company shall remain closed for all Designated Persons in accordance with the Company's Code of Conduct for Prevention of Insider Trading, and any unpublished price sensitive information shared in connection with the business of this Meeting shall be recorded in the Structured Digital Database maintained under Regulation 3(5) of those Regulations.
21. The Company being a private limited company, none of the Directors of the Company is liable to retire by rotation under Section 152(6) of the Act, and accordingly no item of business relating to retirement by rotation is included in this Notice. The Board of Directors has not recommended any dividend for the financial year ended 31st March 2026.
22. Members holding shares in physical form are requested to notify any change in their address or bank particulars to the Company at compliance@finnable.credit, quoting their folio number.

EXPLANATORY STATEMENT
(Pursuant to Section 102 (1) of the Companies Act, 2013)

ITEM NO. 3: APPOINTMENT OF MR. SHRIMOHAN YADAV (DIN: 10461785) AS AN INDEPENDENT DIRECTOR OF THE COMPANY

SPECIAL BUSINESS | ORDINARY RESOLUTION:

The Board of Directors, at its meeting held on 5th February 2026, appointed Mr. Shrimohan Yadav (DIN: 10461785) as an Additional Director in the capacity of Non-Executive Independent Director of the Company, pursuant to the applicable provisions of the Companies Act, 2013 ("Act"), and RBI Directions.

In terms of Section 161 of the Act, Mr. Shrimohan Yadav holds office up to this Annual General Meeting. Accordingly, approval of the members is sought for his appointment as an Independent Director of the Company.

Mr. Shrimohan Yadav has over 29 years of experience with the Reserve Bank of India in senior regulatory and supervisory roles and possesses expertise in banking regulation, supervision, corporate governance and matters relating to banks and NBFCs. Based on his qualifications, experience and declarations received, the Nomination and Remuneration Committee and the Board have recommended his appointment as an Independent Director at their respective meetings held on 5th February 2026.

The Company has received the requisite consent, declaration of independence and other disclosures in terms of the Act and the applicable RBI Directions from Mr. Shrimohan Yadav, and in the opinion of the Board, he fulfils the criteria for appointment as an Independent Director and is independent of the management.

Except Mr. Shrimohan Yadav, being the appointee, and his relatives, none of the Directors, Key Managerial Personnel of the Company or their relatives is, in any way, concerned or interested financially or otherwise, in the proposed resolution.

The Company has disclosed all the related information to the best of its understanding which may enable Members to understand the meaning, scope and implications of the business item and to take decisions thereon.

The Board recommends passing of the resolution set out at item no. 3 as Ordinary resolution.

As stipulated under Secretarial Standard-2, brief profile of Mr. Shrimohan Yadav (DIN: 10461785) including names of companies in which he holds directorships as on 31st March 2026 is provided in the below table:

Name of the Director	Shrimohan Yadav
DIN	10461785
Age	63
Nationality	Indian
Qualification	B.Sc. Agri (Hohs), MBA
Experience	Mr. Shrimohan Yadav has over 29 years of experience with the Reserve Bank of India in senior regulatory and supervisory roles. He has significant experience in the areas of banking regulation, supervision, corporate governance, mergers and acquisitions, regulatory compliance and matters relating to banks and Non -Banking Financial Companies (NBFCs).
Terms and Conditions of Appointment	Appointment as an Independent Director for a period of three years and shall not be liable to retire by rotation
Remuneration last drawn (FY 2025- 26)	Not Applicable
Remuneration proposed to be paid	Sitting fees will be paid to Mr. Shrimohan Yadav as approved by the Board. In addition, commission of INR 2.15 lakhs (Indian Rupees Two Lakhs Fifteen Thousand Only) is proposed to be paid for the financial year 2025-26, subject to the approval of the Members at Item No. 5 of this Notice.
Date of first appointment on the Board	5th February 2026
Shareholding in the Company	NIL
Relationship with other director, manager and other KMP	NIL
Number of meetings of the board attended during the financial year	1

Justification for choosing the appointee

Mr. Shrimohan Yadav has over 29 years of experience with the Reserve Bank of India in senior regulatory and supervisory roles and possesses expertise in banking regulation, supervision, corporate governance, mergers and acquisitions and matters relating to banks and NBFCs. Considering the Company's regulatory framework as an NBFC and the need to strengthen Board -level governance and oversight, the Board is of the view that his appointment as an Independent Director would be beneficial to the Company.

ITEM NO. 4: APPOINTMENT OF MR. SREERAM RANGANATHAN IYER (DIN: 00472961) AS A NON-EXECUTIVE DIRECTOR (NOMINEE) OF THE COMPANY

SPECIAL BUSINESS | ORDINARY RESOLUTION:

The Board of Directors, at its meeting held on 29th May 2026, appointed Mr. Sreeram Ranganathan Iyer (DIN: 00472961) as an Additional Director (Nominee & Non-Executive) pursuant to the applicable provisions of the Companies Act, 2013 ("Act"), and RBI Directions, as per the nomination received from TVS Capital Funds Private Limited.

In terms of Section 161 of the Act, Mr. Sreeram Ranganathan Iyer holds office up to this Annual General Meeting. Accordingly, approval of the members is sought for his appointment as Non-Executive Director (Nominee) of the Company.

Mr. Sreeram Ranganathan Iyer has extensive experience in global banking and financial services with strong expertise in technology, digital transformation, corporate governance, and risk management. He has held senior leadership roles including Global COO and CEO, and possesses significant board experience across financial services and fintech sectors, contributing to strategy, operations, and regulatory oversight. Based on his qualifications, experience and declarations received, the Nomination and Remuneration Committee and the Board at their respective meetings held on 29th May 2026, have recommended his appointment as a Non-Executive Director (Nominee) of the Company.

Except Mr. Sreeram Ranganathan Iyer, being the appointee, and his relatives, and TVS Capital Funds Private Limited, together with other investors on whose behalf TVS nominated Mr. Sreeram, being the collective nominating shareholders, none of the Directors, Key Managerial Personnel of the Company or their relatives is, in any way, concerned or interested financially or otherwise, in the proposed resolution.

The Company has disclosed all the related information to the best of its understanding which may enable Members to understand the meaning, scope and implications of the business item and to take decisions thereon.

The Board recommends passing of the resolution set out at item no. 4 as Ordinary resolution.

As stipulated under Secretarial Standard-2, brief profile of Mr. Sreeram Ranganathan Iyer (DIN: 00472961) including names of companies in which he holds directorships as on 31st March 2026 is provided in the below table:

Name of the Director	Sreeram Ranganathan Iyer
DIN	00472961
Age	64 years
Nationality	Indian
Qualification	MBA – Henley Management College, UK Bachelor of Commerce – Bombay University, India Fellow – Institute of Cost and Works Accountants of India (FICWA) Company Secretary (CS) – Institute of Company Secretaries of India Certified Financial Analyst (CFA) – Institute of Chartered Financial Analysts of India Executive Leadership Programs MIT (Digital Transformation), London Business School, INSEAD (Strategy)

Experience

Senior global banking professional with extensive experience in banking, financial services, technology, governance, and transformation. Former Global COO – Corporate & Institutional Business and Head of Global Capability Centres at ANZ Banking Group.

- CEO of Scope International (Standard Chartered Bank, Chennai).

Has significant board experience as an independent and nominee director in financial services and fintech companies, with roles in audit, nomination & remuneration, IT strategy, and stakeholder relationship committees. Expertise includes global operations, digital transformation, risk management, and governance across multiple geographies.

Terms and Conditions of Appointment	Appointment as Non-Executive Director (Nominee)
Remuneration last drawn (FY 2025-26)	Not Applicable
Remuneration proposed to be paid	Remuneration as per the provisions of the Act as may be decided by the Board from time to time, excluding any sitting fee for attending the meetings of the Board or its Committees
Date of first appointment on the Board	29th May 2026
Shareholding in the Company	NIL
Relationship with other director and other KMP	NIL
Number of meetings of the board attended during the financial year	0
Other Directorships, Membership/Chairman of Committees of other Boards	Directorship – 2
Justification for choosing the appointee	Nomination by Investors holding right under the SHA and duly approved by the NRC and Board of Directors.

ITEM NO. 5: APPROVE PAYMENT OF COMMISSION TO MR. SHRIMOHAN YADAV (DIN: 10461785), INDEPENDENT DIRECTOR OF THE COMPANY, FOR THE FINANCIAL YEAR 2025-26

SPECIAL BUSINESS | ORDINARY RESOLUTION:

Mr. Shrimohan Yadav (DIN: 10461785) was appointed by the Board of Directors as an Additional Director in the capacity of Non-Executive Independent Director of the Company with effect from 5th February 2026, and his appointment as an Independent Director of the Company for a term of three (3) consecutive years is placed before the Members for approval at Item No. 3 of this Notice.

During the Financial Year 2025-26, Mr. Shrimohan Yadav has participated in the meetings of the Board of Directors and Committees thereof and has contributed to the deliberations of the Board by providing independent judgement and guidance on matters relating to strategy, risk management, corporate governance, internal controls and regulatory compliance, drawing upon his extensive experience in banking regulation and supervision.

In terms of Section 149(9) of the Companies Act, 2013 ("Act"), an Independent Director shall not be entitled to any stock option and may receive remuneration by way of fees for attending meetings of the Board or Committees thereof under Section 197(5) of the Act, reimbursement of expenses for participation in the Board and other meetings, and profit related commission as may be approved by the Members of the Company.

Accordingly, the Nomination and Remuneration Committee, at its meeting held on 29th May 2026, having regard to the contribution made by Mr. Shrimohan Yadav to the Board and the Company, during the FY 2025-26, recommended the payment of commission of INR 2.15 lakhs (Indian Rupees Two Lakhs Fifteen Thousand Only) to him for the financial year 2025-26. The Board of Directors, at its meeting held on 16th June 2026, considered, approved and recommended the same for the approval of the Members,

The proposed commission is in addition to the sitting fees payable to him for attending meetings of the Board and Committees thereof and reimbursement of expenses, if any, and is within the limits prescribed under the applicable provisions of the Act.

The commission proposed under this resolution relates to the financial year 2025-26 only and is proposed to be paid on a one-time basis. Any commission payable to Mr. Shrimohan Yadav for any subsequent financial year shall be subject to a separate approval of the Members.

Except Mr. Shrimohan Yadav, being the appointee, and his relatives, none of the Directors, Key Managerial Personnel of the Company or their relatives is, in any way, concerned or interested, financially or otherwise, in the proposed resolution set out at Item No. 5 of this Notice.

The Company has disclosed all the related information to the best of its understanding which may enable Members to understand the meaning, scope and implications of the business item and to take decisions thereon.

The Board recommends passing of the resolution set out at item no. 5 as Ordinary resolution.

Details of the commission proposed to be paid to Mr. Shrimohan Yadav (DIN: 10461785) are provided in the below table:

Name of the Director	Shrimohan Yadav
DIN	10461785
Designation	Non - Executive Independent Director
Date of first appointment on the Board	5th February, 2026
Financial Year for which commission is proposed	FY 2025 - 26
Amount of commission proposed to be paid	Up to INR 2.15 lakhs (Indian Rupees Two Lakhs Fifteen Thousand Only)
Other remuneration payable	Sitting fees for attending meetings of the Board of Directors and Committees thereof and reimbursement of expenses, if any, in accordance with the applicable policies of the Company
Remuneration last drawn (FY 2025 - 26)	Not Applicable
Basis of the proposal	Recommendation of the Nomination and Remuneration Committee at its meeting held on 29th May, 2026, having regard to the contribution made by him to the Board and the Company
Shareholding in the Company	NIL
Relationship with other Directors and other KMP	NIL

ITEM NO. 6: APPROVAL OF RELATED PARTY TRANSACTIONS WITH ENSURETI INSURANCE BROKING PRIVATE LIMITED**SPECIAL BUSINESS | ORDINARY RESOLUTION:**

Ensureti Insurance Broking Private Limited ("Ensureti") is a related party of the Company within the meaning of Section 2(76) of the Companies Act, 2013, on account of Mr. Nitin Gupta, Director and CEO of the Company, also being a Director of Ensureti Insurance Broking Private Limited.

Ensureti acts as an insurance broker/intermediary for the Company in the following areas:

- (i) **Customer loan insurance:** Ensureti acts as the insurance broker for the master policy(ies) that the Company holds with the insurance company. The Company facilitates customer insurance for Borrowers of loans sourced both directly by the Company and through the digital lending journey via Fintable Technologies Private Limited ("FTPL"). This insurance is provided to (a) the Company's own Borrowers, whether sourced directly by the Company or through the LSP platform, and (b) Borrowers of loans sourced by FTPL for other lenders onboarded on its platform, where such other lender's loans are covered under a master policy held by the Company. These insurance products are not bundled with the loans and are subject to a consent mechanism obtained from the Borrowers.
- (ii) **Employee insurance (CHI & CPA):** Ensureti acts as insurance broker for Group Health Insurance and Group Personal Accident cover for employees of the Company, and coordinates policy placement, endorsements, renewals and employee claims.
- (iii) **Parental Insurance Cover:** Ensureti acts as insurance broker for the Parental Insurance Cover extended to employees' parents, and coordinates policy placement, endorsements, renewals and claims.
- (iv) **D&O Liability Insurance:** Ensureti facilitates the Company's Directors' and Officers' Liability Insurance cover and coordinates policy placement and servicing.
- (v) **Other insurance covers:** Given the increasing need for business risk protection, other similar insurance covers for the Company, such as general liability, professional liability and cyber security insurance, may be evaluated, subject to applicable laws and regulations read with the Company's internal policies.

In the ordinary course of its business, the Company had entered into related party transaction(s) with Ensureti in relation to the services described above. Accordingly, during the period up to 12th August, 2026, the Company has availed insurance policies for which the premium amount stood at INR 397.49 Lakhs. As the value of the said transactions did not exceed the threshold prescribed under Rule 15(3) of the Companies (Meeting of Board and its Powers) Rules, 2014, the same were approved by the Audit Committee and the Board of Directors at their respective meetings held on 13th August, 2026, in accordance with provisions of the Act.

At the same meetings, the Audit Committee and the Board of Directors approved the related party transactions proposed to be entered into between the Company and Ensureti during the remaining period of Financial Year 2026-27, i.e., up to 31st March, 2027, for an aggregate value, in terms of premium payable to Insurer companies, not exceeding INR 2280 Lakhs, and noted that such transactions will be in the ordinary course of business of the Company and on an arm's length basis, within the prescribed limits and on such terms and conditions as placed before the Audit Committee and the Board. The Company is not privy to the brokerage transactions between Ensureti and the Insurer companies.

Being a private company, the Company is entitled to the exemption granted vide Ministry of Corporate Affairs notification No. G.S.R. 464(E) dated 5th June, 2015, pursuant to which the second proviso to Section 188(1) of the Act (which restricts a member who is a related party from voting on a resolution approving a related party transaction) does not apply to the Company. The Company is not in default in filing its financial statements under Section 137 or its annual returns under Section 92 of the Act, and is accordingly entitled to the said exemption. Accordingly, all Members, including related parties, if any, shall be entitled to vote on the resolution set out at Item No. 6 of this Notice.

Further particulars required under Rule 15(3) of the Companies (Meeting of Board and its Powers) Rules, 2014 are set out below: (a) duration of the arrangement: the master policies and employee benefit policies are annual policies renewable on their respective renewal dates, and the approval sought is for the financial year 2026-27; (b) advance paid or received: Nil; (c) manner of determining the pricing and other commercial terms: premium is determined by the insurer on the basis of the risk profile of the insured group. Brokerage being payable by the insurer and not by the Company; and (d) the Audit Committee and the Board of Directors have confirmed that all factors relevant to the contract, including the conflict of interest arising from the common directorship, have been considered and found not materially significant to the business activities of the Company due to no direct / indirect monetary inflow/outflow in the Company.

The Board has also noted that the customer loan insurance referred to at (i) above is offered on a non-bundled, explicit-consent basis and that no insurance premium is recovered from a Borrower without such consent, consistent with the Reserve Bank of India (Digital Lending) Directions, 2025 and the Company's Board-approved policies on outsourcing and conduct.

Except Mr. Nitin Gupta (who holds directorship and shareholding in Ensureti and who did not participate or vote at the meetings of the Audit Committee and the Board of Directors at which these transactions were considered) and his relatives, none of the Directors, Key Managerial Personnel of the Company or their relatives is, in any way, concerned or interested, financially or otherwise, in the resolution set out at Item No. 6 of this Notice.

The Company has disclosed all the related information to the best of its understanding which may enable Members to understand the meaning, scope and implications of the business item and to take decisions thereon.

The Board recommends passing of the resolution set out at item no. 6 as Ordinary resolution.

Details of the related party transaction(s) with Ensureti Insurance Broking Private Limited are provided below in Table:

Name of the related party	Ensureti Insurance Broking Private Limited
Name of the director or key managerial personnel who is related and nature of relationship	Common directorship – Mr. Nitin Gupta is a Director of both the Company and Ensureti Insurance Broking Private Limited

Nature of transaction(s) , material terms and other particulars of the transaction	The following are the transactions covered under this i. Digit Group Total Protect Policy ("Customer loan insurance") is a group policy covering accidental death, proposal: disability, critical illness, and loss of employment for FCPL's loan customers and its wholly owned subsidiary (Finnable Technologies Pvt. Ltd. or FTPL) customers. ii. Employee Health Insurance and Personal Accident Cover ("Employee insurance (GHI & GPA)") is a group insurance arrangement maintained by FCPL and its wholly owned subsidiary, FTPL, for the benefit of their employees. It comprises (a) a Group Health Insurance ("GHI") policy that indemnifies hospitalisation, day care, and outpatient medical expenses for employees and their dependents, and (b) a Group Personal Accident ("GPA") policy that provides a benefit on the accidental death or disablement of an employee. Both policies are placed through Ehsureti Insurance Broking Private Limited as the intermediary. iii. Parental Insurance Cover is a group insurance arrangement maintained by FCPL and its wholly owned subsidiary, FTPL, in the nature of a Group Health Insurance (GHI) policy, for the benefit of their employees' parents. iv. D&O (Directors & Officers) Liability Insurance is a form of management liability insurance taken by FCPL, under which its wholly owned subsidiary (FTPL), is also covered as an insured entity. The policy protects individuals serving as directors, officers, and certain other insured persons of FCPL and FTPL against personal financial loss arising from actual or alleged "Wrongful Acts" committed in their capacity as directors/officers — such as errors, omissions, breach of duty, breach of trust, misstatements, or misleading statements. v. Other insurance covers (general liability, professional liability, cyber security, etc.), as may be evaluated from time to time
Related party transactions already undertaken up to 12th August, 2026 (approved by Audit Committee & Board on 13th August 2026)	INR 397.49 Lakhs
Monetary value of transactions proposed for Member approval (remaining period of FY 2026 -27, up to 31st March, 2027)	INR 2280 Lakhs
Basis of pricing	Ordinary course of business and on an arm's length basis. Brokerage is payable by the insurer to Ensureti at rates within the ceiling prescribed under the IPDAI Regulations; no brokerage, fee or other consideration is payable by the Company to Ensureti, directly or indirectly.
Date of Audit Committee meeting (approving the proposed transactions)	13th August, 2026
Date of Board meeting (approving the proposed transactions)	13th August, 2026
Company's turnover (as per last audited financial statements)	INR 19,377 Lakhs (FY 2025 - 26)
Proposed transaction value as percentage of turnover	13.82

BOARD REPORT

The Directors are pleased to present the 11th (Eleventh) Annual Report of Finnable Credit Private Limited ("Company" or "FCPL"), together with the Audited Standalone and Consolidated Financial Statements for the Financial Year ("FY") ended 31st March 2026.

1. OVERVIEW OF THE COMPANY

The Company is a registered Non-Banking Financial Company ("NBFC") with Reserve Bank of India ("RBI") classified as Middle Layer under Reserve Bank of India (Non-Banking Financial Companies – Registration, Exemptions and Framework for Scale Based Regulation) Directions, 2025. The Company is engaged in extending secured and unsecured personal loans.

In its unsecured portfolio it advances loans to salaried individuals through a fully digital, technology-led lending platform for origination, onboarding, servicing, etc., owned and operated by the Company's wholly-owned subsidiary, Finnable Technologies Private Limited, which acts as the Company's Lending Service Provider ("LSP"). The Company also participates in co-lending arrangements with partner banks and NBFCs.

The Company also offers Loan Against Property ("LAP"), a secured product offered to salaried individuals and self-employed professionals. LAP gives the Company a secured, property-backed product alongside its unsecured book. Though it continues to account for only a small share of the overall portfolio, its increasing share will provide stability and diversification in the product mix of the Company.

During the year under review, the Company continued to scale its lending operations, deepen its presence across the country, and strengthen its capital base through fresh equity infusions, while maintaining healthy asset quality and adequate capital.

The Company's subsidiary also increased its LSP partnerships and continued on its profitability track.

2. FINANCIAL HIGHLIGHTS:

Standalone

- a. The Company delivered a strong turnaround in FY 2025-26 with total income rising to ₹19,377.84 lakhs from ₹3,509.95 lakhs in the previous year, driven by continued scale-up of the lending book.
- b. Total expenses grew at a considerably slower pace (₹14,614.62 lakhs versus ₹3,738.93 lakhs in previous year), reflecting improving operating leverage as the business has scaled.
- c. The Company moved from a pre-tax loss of ₹228.98 lakhs in FY 2024-25 to a profit before tax of ₹4,763.22 lakhs in FY 2025-26, and profit after tax swung from a loss of ₹168.27 lakhs to a profit of ₹3,543.98 lakhs.
- d. Basic earnings per share correspondingly improved from ₹(8.81) to ₹116.29, marking the Company's transition to sustained, scaled profitability during the year under review.

3. FINANCIAL PERFORMANCE

The Company has adopted Indian Accounting Standards ("Ind AS") for the financial year ended 31st March 2026, and the numbers for the year ended 31st March 2025, has been redrawn accordingly.

Accordingly, these financial statements are the first financial statements of the Company under Ind AS. The financial statements upto the year ended 31st March 2025, were prepared in accordance with the accounting standards notified under the Companies (Indian Accounting Standards) Rules, 2015, and other relevant provisions of the Act.

As on 31st March 2026, the financial performance of your Company was as follows:

Standalone Financial Performance:

(Amount in Lakhs)

PARTICULARS	FY 2025-26	FY 2024-25

Total Comprehensive Income	4,665.62	368.94
Basic Earnings of Share	150.60	14.79
Diluted Earnings per Share	149.44	12.96

4. STATE OF COMPANY'S AFFAIRS AND FUTURE OUTLOOK

The Company's business affairs and operations continued to scale during the year under review. The Company's financial performance improved significantly during the year as per the financial performance highlights shared above. The Company turned into a profitable company, cutting down its losses from previous years.

The Board will continue to focus on consolidating and building further on this improved performance in the year ahead, despite the industry headwinds and global issues, which have an impact on the business of the Company.

5. CHANCE OF BUSINESS

During the year under review, the Company continued with its lending business activities, with additional launch of its secured product i.e. Loan Against Property (LAP).

6. DIVIDEND

The Board of Directors have not recommended any dividend for the Financial Year ended 31st March 2026.

7. FUND RAISING

During the period under review, the Company met its funding requirements through issue of Non-Convertible Debentures ("NCDs"), Term loans from Banks and Financial Institutions, and Securitisation through Pass-Through Certificates ("PTCs"). The aggregate funds raised during the year stood at ₹ 721.27 crore, the source-wise bifurcation of which is as under:

Source of funding	Amount (₹ in crore)
Term loans from Banks and Financial Institutions	362.5
Non-Convertible Debentures	284.5
Securitization through Pass-Through Certificates	74.27
Total	721.27

The aggregate debt outstanding as on 31st March 2026 was ₹782.48 crore, with net borrowings registering an increase of ₹ 532.97 crore over the previous financial year. As on 31st March 2026, the Company does not have any listed green debt securities.

8. CREDIT RATING

During the year under review, the Company obtained its maiden credit rating from CARE Ratings Limited ("CareEdge Ratings"). In September 2025, for the first time, a long-term rating of 'CARE BBB+' with a 'Stable' outlook was assigned to the Company's long-term bank facilities and Non-Convertible Debentures ("NCDs"). Further, during the year under review, CareEdge Ratings, reaffirmed its ratings from time to time.

Instrument-wise details of the ratings assigned to the Company are as under:

Instruments / Facilities	Rated Amount (In Crores)	Rating	Rating Action
Long-term bank facilities	250.00 (Enhanced from 150.00)	CAPE BBB+; Stable	Assigned in September 2025; enhanced and reaffirmed in January 2026
Non-Convertible Debentures	25.00	CARE BBB+; Stable	Assigned in September 2025; reaffirmed in January 2026
Non-Convertible Debentures	100.00	CARE BBB+; Stable	Assigned in September 2025; reaffirmed in January 2026

Non-Convertible Debentures	100.00	CARE BBB+; Stable	Assigned in January 2026
Non-Convertible Debentures	150.00	CARE BBB+; Stable	Assigned in March 2026

Note* Instruments with a rating of 'BBB+' are considered to have a moderate degree of safety regarding timely servicing of financial obligations and carry moderate credit risk. The 'Stable' outlook reflects the expectation that the Company will continue growing its portfolio while maintaining healthy asset quality and healthy capitalisation levels.

There has been no downgrade or withdrawal of the credit ratings assigned to the Company during the year under review.

9. AMOUNTS TRANSFERRED TO RESERVES

As required under Section 45-IC of the RBI Act, 1934, the Company has transferred an amount equivalent of ₹ 708.80 lakhs to Statutory reserves constituting 20% of the profits made during FY 2025-2026.

10. SHARE CAPITAL

Authorised Share Capital:

As on 31st March, 2026, the Authorized Share Capital of the Company stood at ₹ 2,35,45,860 (Rupees Two Crore Thirty-Five Lakh Forty-Five Thousand Eight Hundred and Sixty Only), divided into:

- 23,00,000 (Twenty-Three Lakh only) Equity Shares of ₹ 1/- (Rupees One only) each;
- 4,60,000 (Four Lakh Sixty Thousand only) Series A Compulsory Convertible Preference Shares of ₹ 10/- (Rupees Ten only) each;
- 2,00,000 (Two Lakh only) Series A1 Compulsory Convertible Preference Shares of ₹ 10/- (Rupees Ten only) each;
- 7,14,586 (Seven Lakh Fourteen Thousand Five Hundred and Eighty-Six only) Series B Compulsory Convertible Preference Shares of ₹ 10/- (Rupees Ten only) each;
- 7,50,000 (Seven Lakh Fifty Thousand only) Compulsory Convertible Preference Shares of ₹ 10/- (Rupees Ten only) each.

During the reporting period, the Company increased its Authorized Share Capital from ₹ 1,65,45,860/- (Rupees One Crore Sixty-Five Lakh Forty-Five Thousand Eight Hundred and Sixty Only) to ₹ 2,35,45,860 (Rupees Two Crore Thirty-Five Lakh Forty-Five Thousand Eight Hundred and Sixty Only) each, pursuant to the resolution passed by the members at the Extra-Ordinary General Meeting held on 28th July, 2025.

Paid up Share Capital:

For the year ended 31st March 2026, the Paid-up Share Capital of the Company stood at ₹ 2,01,20,030.26 (Rupees Two Crore One Lakh Twenty Thousand Thirty and Paise Twenty-Six Only).

During the reporting period, the Company allotted the following securities:

Sl. No.	Date of Allotment	Nature of shares	No. of Shares	Paid up Value	Total Amount (₹) (including securities premium)
1.	23-05-2025	Series B2 CCPS (Partly Paid Up)	911	1	911
2.	29-07-2025	Equity shares (Partly Paid Up)	1,59,869	1	1,59,869

17. PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS UNDER SECTION 186

The Company being an NBFC registered with RBI, is engaged in the business of giving loans in ordinary course of its business and the particulars of loan, investments and guarantee under Section 186 of the Act for the financial year have been provided in notes to the Financial Statements of the Company.

18. PARTICULARS OF CONTRACTS OR ARRANGEMENTS WITH RELATED PARTIES

The particulars of Contracts or Arrangements with related parties referred to in Section 188 (1) of the Act, for the reporting period in the prescribed format - AOC-2 has been enclosed as **ANNEXURE I**.

19. EXPLANATION TO QUALIFICATION, RESERVATION OR ADVERSE REMARK OR DISCLAIMER MADE BY THE AUDITOR

As there is no qualification, reservation or adverse remark or disclaimer made by the Statutory Auditors and/or by the Secretarial Auditors of the Company, no explanation is required to be given hereunder.

20. MATERIAL CHANGES AFFECTING THE FINANCIAL POSITION OF THE COMPANY

There have been no material changes and/or commitments affecting the financial position of the Company during the period and/or after the end of the period under review, till the date of this report.

21. CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN-EXCHANGE EARNINGS AND OUTGO

Disclosure pursuant to Section 134 (3) (m) of the Act as follows:

a. CONSERVATION OF ENERGY

The activities of your Company are not manufacturing oriented. Therefore, it is not energy-intensive. However, adequate care has been taken to utilize the energy at optimum level for its business activities.

b. TECHNOLOGICAL ABSORPTION

Below are the statutory disclosures:

- The efforts made towards technology absorption - The Company has been increasingly using information technology in its operations and promotes the conservation of resources. The management ensures that proper care has been taken for absorption and effective utilization of technologies wherever applicable.
- The benefits derived like product improvement, cost reduction, product development or import substitution - The Company has derived benefit in terms of cost optimization in its product offerings by leveraging technology.
- Disclosures for imported technology (imported during the last three years reckoned from the beginning of the financial year)- The Company does not use any imported technology.
- Expenditure incurred on Research and Development - Not applicable

c. FOREIGN EXCHANGE EARNING AND OUTGO DURING THE YEAR

Earnings in foreign exchange: Nil
Expenditure in foreign currency: Nil

22. DETAILS OF SUBSIDIARY, JOINT VENTURE AND ASSOCIATES

The Company has following subsidiary and statement containing the salient feature of the financial statement of such subsidiary company in Form AOC-1 has been enclosed with the Report as **ANNEXURE II**:

S. No	Company	CIN	Subsidiary/ Joint Venture	Associate/
1.	Finnable Technologies Private Limited	U74999KA2020PTC134989	Subsidiary	

23. RISK MANAGEMENT POLICY

The Company has adopted a comprehensive Risk Management Policy providing an enterprise-wide framework for identifying, assessing, monitoring, reporting and mitigating material risks arising from its operations. The framework defines the roles and responsibilities of the Board, its Committees, Senior Management and control functions in overseeing and managing risks. The Company has established structured risk governance, reporting and escalation mechanisms to facilitate timely identification and management of material risks. A forward-looking approach is adopted to identify emerging credit, fraud and operational risks, including early indicators of stress at borrower and portfolio levels. The Company monitors its risk profile against the approved Risk Appetite and promotes prudent and calibrated risk-taking consistent with its business objectives. Appropriate systems and controls are in place for timely reporting and escalation of significant risk exposures. The Company also focuses on identifying, monitoring and managing concentration risks across its portfolio in line with approved limits and regulatory requirements. The risk management framework is aligned with applicable RBI directions and other regulatory requirements. These measures are aimed at strengthening the Company's resilience, maintaining sound risk practices and supporting sustainable business growth.

Note: The Risk Management Committee constitution and meetings held during the FY, has been disclosed in the Corporate Governance Report, which forms part of this Annual Report.

24. SIGNIFICANT AND MATERIAL ORDERS

There are no significant and material orders passed by any regulators or courts or tribunals impacting the going concern status and Company's operations in future.

25. VOLUNTARY REVISION OF FINANCIAL STATEMENTS OR BOARD'S REPORT

There was no revision of Financial Statements or Board's Report during any of the three preceding Financial Years.

26. ADEQUACY OF INTERNAL FINANCIAL CONTROLS

The internal controls of the Company are commensurate with its business requirements, scale of operations, and the statutes applicable to it, and are designed to ensure the orderly and efficient conduct of business. These controls are designed to provide reasonable assurance with regard to maintaining proper accounting records, safeguarding of assets, prevention and detection of frauds and errors, ensuring operating effectiveness, reliability of financial reporting, and compliance with applicable laws and regulations.

27. DEPOSITS

The Company has neither accepted nor renewed any deposits during the period under review.

28. RECEIPT OF ANY COMMISSION BY MANAGING DIRECTOR/WHOLE TIME DIRECTOR FROM THE COMPANY OR RECEIPT OF COMMISSION / REMUNERATION FROM ITS HOLDING OR SUBSIDIARY

As the Company is a private limited company, disclosure under Section 197 (14) of the Act is not applicable.

29. DECLARATION BY INDEPENDENT DIRECTOR

As the Company is a Private Limited Company, the provisions relating to appointment of Independent Directors as per the provisions of Section 149 of the Act, does not apply to your Company.

However, the Company has constituted Audit Committee in terms of Para 17 of the RBI (Non-Banking Financial Companies - Governance) Directions, 2025 and therefore Mr. Shrimohan Yadav was appointed as an Additional Director (Non- Executive Independent) pursuant to the resolution passed by the Board of Directors at its meeting held on 5th February 2026. The said appointment is subject to the shareholders' approval at the ensuing AGM of the Company. Mr. Shrimohan Yadav has accordingly shared his declaration of independence to the Audit and Board at their respective meetings.

30. STATEMENT REGARDING OPINION OF THE BOARD WITH REGARD TO INTEGRITY, EXPERTISE, EXPERIENCE AND PROFICIENCY OF INDEPENDENT DIRECTOR APPOINTED DURING THE YEAR

In the opinion of the Board, Mr. Shrimohan Yadav (DIN: 10461785) Non-Executive Additional Director (In the capacity of Independent Director) of the Company, is a person of integrity and possesses the requisite expertise, experience and proficiency for appointment as an Independent Director, considering his over 29 years of experience with the Reserve Bank of India in senior regulatory and supervisory roles and his expertise in banking regulation, supervision, corporate governance and matters relating to banks and NBFCs. The Board has also taken note of his registration with the Independent Directors' Databank / proficiency status, as applicable, in terms of Section 150 of the Act and the rules made thereunder.

31. REAPPOINTMENT OF INDEPENDENT DIRECTORS

During the period under review, no Independent Director of the Company was re-appointed.

32. SECRETARIAL AUDIT REPORT

Pursuant to Section 204 of the Act read with the applicable Rules, the Company had appointed M/s. VAK & Associates, Practicing Company Secretaries, as the Secretarial Auditor of the Company for FY 2025-26. The Secretarial Audit Report in Form MR-3 for the financial year ended 31st March 2026, is annexed to this Report as **Annexure III**.

The following observations are provided by the Secretarial Auditors in their report, which are re-produced below with explanation by the Board against each item:

- a. The Company constituted the Nomination and Remuneration Committee ("NRC") on 05th February 2026 consisting of three Non-Executive Directors, including one Independent Director. However, the composition of the Committee is not in compliance with Paragraph 18 of the Reserve Bank of India (Non-Banking Financial Companies - Governance) Directions, 2025 read with Section 178 of the Companies Act, 2013, which requires the Committee to comprise a majority of Independent Directors.

Board Explanation: *The Company has converted into a Middle Layer NBFC near to the end of FY 25-26, during which period the Company could identify and appoint 1 independent director on its Board. The management is constantly making efforts to identify the second independent director to comply with the regulations of the RBI.*

- b. The Company had listed its Non-Convertible Debentures (NCDs) on 30th September 2025. However, the Company has not listed all outstanding unlisted non-convertible debt securities within the prescribed timeline of three months from the date of such listing as required under Regulation 62A (3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Board Explanation: *The Company has initiated steps to list the unlisted securities which were missed inadvertently. The management confirmed that the same has not resulted into any kind of losses for any stakeholders and that there was no default in repayment of interest or principal thereof.*

33. CORPORATE SOCIAL RESPONSIBILITY (CSR) POLICY

Provisions relating to Section 135 of the Act are not applicable to the Company for FY 2025-26.

34. AUDIT COMMITTEE

Provisions relating to Section 177 of the Act is not applicable to the Company. However, the Company has constituted an Audit Committee in terms of Para 17 of the RBI (Non-Banking Financial Companies – Governance) Directions, 2025.

The composition of the Audit Committee is as follows:

Sl. No.	Name of Director	Member of Committee since	Capacity (i.e., Executive/Non-Executive/Chairperson/Promoter nominee/ Independent)
1	Mr. Shrimohan Yadav	05-02-2026	Chairperson, Additional Non-Executive Independent Director
2	Mr. Nitin Gupta	05-02-2026	Executive Director & CEO
3	Mr. Amit Kumar Arora	05-02-2026	Non-Executive Director

35. STATEMENT INDICATING THE MANNER IN WHICH FORMAL ANNUAL EVALUATION HAS BEEN MADE BY THE BOARD OF ITS OWN PERFORMANCE, ITS DIRECTORS AND THAT OF ITS COMMITTEES

The Company being a private limited company, provisions of Section 134(3)(p) are not applicable.

36. NOMINATION AND REMUNERATION COMMITTEE

The provisions relating to the constitution of the Nomination and Remuneration Committee ("NRC") under the Companies Act 2013, are not applicable to the Company, as the Company is a private company and is exempt from the mandatory constitution of an NRC under the applicable provisions of the Act. However, in accordance with the requirements of Para 18 of the RBI (Non-Banking Financial Companies – Governance) Directions, 2025, the Company has constituted NRC to oversee matters relating to the appointment, remuneration and performance evaluation of Directors and other related governance matters.

The composition of the NRC committee is as follows:

Sl. No.	Name of Director	Member of Committee since	Capacity (i.e., Executive / Non-Executive / Chairperson / Promoter nominee / Independent)
1	Mr. Shrimohan Yadav	05-02-2026	Chairperson, Additional Non-Executive Independent Director
2	Mr. Viraj Tyagi	05-02-2026	Non-Executive Director
3	Mr. Vaitheeswaran Seetharaman	05-02-2025	Non-Executive Director

37. DISCLOSURE OF ESTABLISHMENT OF VIGIL MECHANISM

The provisions relating to the establishment of a Vigil Mechanism under Section 177(9) of the Act are not applicable to the Company, as the Company does not fall within the classes of companies specified under Section 177(9) read with the applicable provisions of the Act.

38. MANAGERIAL REMUNERATION

The Company being a private limited, no disclosures under this para needs to be given.

39. DISCLOSURE PURSUANT TO SECTION 22 OF SEXUAL HARASSMENT OF WOMEN AT WORKPLACE (PREVENTION, PROHIBITION AND REDRESSAL) ACT, 2013

Your Company is committed to creating a healthy working environment that enables employees to work without fear of prejudice, gender bias, and sexual harassment. The company has in place a Prevention of Sexual Harassment Policy as required under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act 2013 ('POSH Act'). An Internal Complaints Committee ('ICC') has been constituted in accordance with the said Act and meets at periodical intervals.

The Company is strongly opposed to sexual harassment and employees are made aware about the constitution and consequence of ICC. There were no complaints received and addressed by the ICC under the provisions of the POSH Act during FY 2025-26 as disclosed below:

a.	Number of complaints of sexual harassment received in the year	Nil
b.	Number of complaints disposed off during the year	Nil
c.	Number of cases pending for more than ninety days	Nil

40. COMPLIANCE WITH MATERNITY BENEFIT ACT, 1961

The Company has complied with the applicable provisions of the Maternity Benefit Act, 1961, including provisions relating to maternity leave, benefits, and workplace policies, during the period under review.

41. STATUTORY AUDITORS

Pursuant to the provisions of Section 139 of the Act, M/s. Suresh & Co., Chartered Accountants (FRN: 004255S), who were appointed as the Statutory Auditors of the Company to hold office until the conclusion of the AGM for the financial year ending 31st March 2026, tendered their resignation on 14th November 2025, thereby causing a casual vacancy in the office of Statutory Auditors of the Company.

Subsequently, M/s. Price Waterhouse LLP, Chartered Accountants (FRN: 30112E/E300264), was appointed as the Statutory Auditors of the Company on 26th November 2025, to fill the said casual vacancy to audit the accounts of the Company for FY 2025-26.

42. REPORTING OF FRAUD BY AUDITORS

Pursuant to section 143(12) of the Act, there was no fraud reported by the auditors during the Financial Year ended 31st March 2026.

43. COST AUDITORS AND COST RECORDS

There is no such requirement for the appointment of Cost Auditors, as the Company is not covered under Section 148 (1) of the Act. Further, the Company is not required to maintain cost records under Section 148 of the Act.

44. DISCLOSURE WITH RESPECT TO LOANS/AMOUNT RECEIVED FROM DIRECTORS OR RELATIVE OF DIRECTORS

The Company has not received any loan from its directors or their relatives during the reporting period.

45. DIRECTORS' RESPONSIBILITY STATEMENT

Pursuant to requirements of Section 134 (3)(c) of the Act, the Directors of the Company in respect of the year ended 31st March 2026, hereby confirm that:

- a. in the preparation of the annual accounts for the year ended 31st March 2026, the applicable accounting standards had been followed along with proper explanation relating to material departures, if any;
- b. the Directors have selected such accounting policies and have applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year and of the profit and loss of the company for that period;
- c. the proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- d. the annual accounts have been prepared on a going concern basis; and
- e. a proper system has been devised to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively;

46. SECRETARIAL STANDARDS

The Company has followed the applicable Secretarial Standards with respect to Meetings of the Board of Directors (SS-1) and General Meetings (SS-2) issued by the Institute of Company Secretaries of India, as amended from time to time.

47. INSOLVENCY AND BANKRUPTCY CODE 2016

During the Financial Year ended 31st March 2026, there was no application made by the Company or against the Company or any proceeding pending relating to the Company under the Insolvency and Bankruptcy Code, 2016. Hence, the requirement of providing details of application made or any proceeding pending under the Insolvency and Bankruptcy Code, 2016, during the year along with their status as at the end of the Financial Year does not arise.

48. ONE TIME SETTLEMENT

During the Financial Year ended 31st March 2026, there was no One Time Settlement made by the Company with any Banks or Financial Institutions. Hence, the requirement of providing the details of difference between amount of the valuation done at the time of one-time settlement and the valuation done while taking loan from the Banks or Financial Institutions along with the reasons thereof does not arise.

49. COMPLIANCE WITH RBI GUIDELINES

Under erstwhile Master Direction-Non-Banking Financial Company-Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions 2016, the Company was classified as Non- Deposit Taking Non- systematically important Non- Banking Financial Company. As per the Reserve Bank of India (Non-Banking Financial Companies – Registration, Exemptions and Framework for Scale Based Regulation) Directions, 2025 [erstwhile Master Direction-RBI (Non-Banking Financial-Scale Based Regulation) Directions, 2023], the company is classified under the "Middle Layer" category under the said framework.

The Company has generally complied with the applicable regulations from time to time.

50. ACKNOWLEDGEMENT

Your directors wish to place on record their sincere appreciation and express gratitude for the support and co-operation extended by the Company's clients, bankers, and other stakeholders, and look forward to their continued association. The Board also extends its heartfelt thanks to the employees of the Company, whose dedication, commitment and teamwork have been instrumental in enabling the Company to achieve its objectives.

ANNEXURE III

Form No. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH 2026

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies
(Appointment and Remuneration Personnel) Rules, 2014]

To,
Finnable Credit Private Limited,
IndiQube Edge, 2nd Floor, SY, 4, 6/4, Plot
NO 571/630, Outer Ring Rd, beside Microsoft Office,
Ambalipura, Bellandur, Bangalore,
Karnataka -560102, India.

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Finnable Credit Private Limited, (hereinafter called the Company). The Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the company, its officers, agents and authorised representatives during the conduct of secretarial audit,

We hereby report that in our opinion, the company has during the audit period covering the financial year ended on 31st March, 2026 generally complied with the statutory provisions listed hereunder and also that the company has proper board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records made available to us and maintained by Company for the financial year ended on 31st March, 2026 according to the applicable provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made thereunder;
- ii. The Securities Contract (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment;
- v. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- vi. The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021.
- vii. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
- viii. Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018;
- ix. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; (Not applicable as the company is not registered as Registrar to an Issue and Share transfer Agent during the year under review).
- x. The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013;
- xi. Other laws applicable to the Company as per the representations made by the Management are:
 - a. Reserve Bank of India Act, 1934, Rules, Regulations, guidelines, circulars, directions, notifications made thereunder applicable to Non-Banking Financial Company.
 - b. Master Direction – RBI (Non-Banking Financial Company – Scale Based Regulation) Directions, 2023 as amended from time to time;
 - c. Reserve Bank of India (Non-Banking Financial Companies – Registration, Exemptions and Framework for Scale Based Regulation) Directions, 2025;
 - d. Non-Banking Financial Companies Acceptance of Public Deposits (Reserve Bank) Directions, 2016 (Exempted pursuant to Clause 2(i)(iv)(a) of Master Direction - Non- Banking Financial Companies Acceptance of Public Deposits (Reserve Bank) Directions, 2016).
 - e. Applicable provisions of the various Master Directions and Guidelines issued by Reserve Bank of India for Non-Banking Financial Companies (NBFCs).

With respect to Fiscal laws such as Income Tax and Goods and Service Tax we have reviewed the systems and mechanisms established by the Company for ensuring compliances under various Acts and based on the information and explanation provided to us by the management and officers of the Company and also on verification of compliance reports taken on record by the Board of Directors of the Company, we report that adequate systems are in place to monitor and ensure compliance of fiscal laws as mentioned above.

We have relied on the representation made by the Company, its Officers and Reports of the Statutory Auditor for relating to maintenance of account as required under Rule 3(1) of Companies (Accounts) Rules, 2014, Statutory payments due, systems and mechanism framed by the Company for compliances under other Acts, Laws and Regulations applicable to the Company.

We have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards, i.e. SS-1 and SS-2, relating to 'Meetings of the Board of Directors' and 'General Meetings' respectively, issued by The Institute of Company Secretaries of India have been generally complied with.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above except the following points:

1. The Company constituted the Nomination and Remuneration Committee ("NRC") on 05th February 2026 consisting of three Non-Executive Directors, including one Independent Director. However, the composition of the Committee is not in compliance with Paragraph 18 of the Reserve Bank of India (Non-Banking Financial Companies – Governance) Directions, 2025 read with Section 178 of the Companies Act, 2013, which requires the Committee to comprise a majority of Independent Directors.
2. The Company had listed its Non-Convertible Debentures (NCDs) on 30th September 2025. However, the Company has not listed all outstanding unlisted non-convertible debt securities within the prescribed timeline of three months from the date of such listing, as required under Regulation 62A (3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

We further report that:

The Board of Directors of the Company is duly constituted with an appropriate balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors during the period under review were carried out in compliance with the provisions of the Companies Act, 2013, except that the composition of the Nomination and Remuneration Committee was not in compliance with Paragraph 18 of the Reserve Bank of India (Non-Banking Financial Companies – Governance) Directions read with Section 178 of the Companies Act, 2013, as the Committee did not comprise a majority of Independent Directors.

Adequate notice has been given to all directors to schedule the Board Meetings, agenda and detailed notes on the agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. The decisions were carried unanimously.

We report that there are adequate systems and processes in the company that commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations, and guidelines.

We further report that during the audit period, the following significant events have taken place:

1. During the year under review the Company issued and allotted the following Secured Listed Redeemable Non-Convertible Debentures (NCDs) on various dates on private placement basis

No of NCDs	Face Value of each NCDs	Amount in Rs.
19500	10,000	19,50,00,000/-
3000	1,00,000	30,00,00,000/-
3000	1,00,000	30,00,00,000/-
4000	1,00,000	40,00,00,000/-
40000	10,000	40,00,00,000/-
45000	10,000	45,14,85,000/-
5000	1,00,000	50,00,00,000/-

2. During the year under review the Company issued and allotted the following Secured Unlisted Redeemable Non-Convertible Debentures (NCDs) on various dates on private placement basis.

No of NCDs	Face Value of each NCDs	Amount In Rs.
1000	1,00,000	10,00,00,000/-
2000	1,00,000	20,00,00,000/-

3. During the year under review the Company issued and allotted the following Equity & Preference Shares on various dates on private placement basis.

S. No.	Date of Allotment	Nature of Share	No. of shares	Paid up Value	Total Amount (Rs.)
1.	23-05-2025	Series B2 CCPS (Partly Paid Up)	911	3,290.95	29,98,055.45

'ANNEXURE A TO SECRETARIAL AUDIT REPORT'

To
Finnable Credit Private Limited,
IndiQube Edge, 2nd Floor, SY, 4, 6/4, Plot
NO 571/630, Outer Ring Rd, beside Microsoft Office,
Ambalipura, Bellandur, Bangalore,
Karnataka -560102, India.

Our report of even date is to be read along with this letter.

1. Maintenance of secretarial record is the responsibility of the management of the company. Our responsibility is to express an opinion on these secretarial records based on our audit.
2. We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on a test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices, we followed provide a reasonable basis for our opinion.
3. We have not verified the correctness and appropriateness of financial records and Books of Account of the company
4. Where ever required, we have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.
5. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of the management. Our examination was limited to the verification of procedures on a test basis.
6. The Secretarial Audit report is neither an assurance as to the future viability of the company nor of the efficacy or effectiveness with which the management has conducted the affairs of the company.

C O R P O R A T E G O V E R N A N C E R E P O R T

CORPORATE GOVERNANCE REPORT

1. COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

Finnable Credit Private Limited ("Company") is committed to maintaining high standards of corporate governance, transparency, accountability, ethical conduct and regulatory compliance in the conduct of its business. The Company believes that corporate governance is not merely a matter of statutory compliance, but a continuing discipline that determines the manner in which the Board of Directors directs the affairs of the Company and the management executes them. Sound governance practices are, in the Company's view, essential for effective Board oversight, prudent risk management, responsible lending, protection of the interests of all stakeholders and long-term sustainable growth.

The Company's governance philosophy rests on a few enduring principles: fairness and equity in dealings with customers, lenders, shareholders, employees, regulators and other stakeholders; timely, accurate and balanced disclosure of information; clear delegation of authority supported by segregation of duties; a strong system of internal financial controls; and independent assurance through the internal audit, risk and compliance functions. The Board, assisted by its Committees, retains overall responsibility for setting the strategic direction of the Company, approving its risk appetite, and monitoring the effectiveness of the control environment, while day-to-day management is entrusted to a professional management team operating within clearly defined policies and limits.

As a lending institution, the Company recognises that its governance obligations extend directly to the manner in which it serves its borrowers. Fair and transparent pricing, adequate disclosure of terms, responsible collection and recovery practices, protection of customer data and privacy, and a responsive grievance redressal mechanism are treated as integral elements of the governance framework rather than as ancillary compliance requirements.

During the financial year 2025-26, the Company continued to strengthen its governance framework in line with the applicable provisions of the Companies Act, 2013 and the rules made thereunder, the applicable Directions issued by the Reserve Bank of India ("RBI") and the internal policies of the Company. This report is prepared in accordance with the provisions of paragraph 22(7) of the RBI (Non-Banking Financial Companies – Financial Statements: Presentation and Disclosures) Directions, 2025.

During the year under review, the Company was classified as a Non-Deposit taking Non-Banking Financial Company in the Middle Layer (NBFC-ML) under the RBI's Scale Based Regulation framework, consequent to its asset size crossing ₹1,000 Crores (Rupees One Thousand Crore only). This transition has subjected the Company to enhanced governance, disclosure, risk management and compliance standards, and the Board has accordingly reviewed and, where necessary, augmented the Company's policies, Board Committee structures and assurance functions to align with the expectations applicable to this layer.

The Board remains of the view that a strong culture of integrity, accountability and constructive challenge at every level of the organisation, is the most reliable foundation for building enduring stakeholder trust and creating sustainable long-term value.

2. BOARD OF DIRECTORS

2.1 Composition Of The Board

As on 31st March 2026 the composition of the Board of Directors of the Company was as follows:

2.2 Change in Composition of the Board During the Current and Previous Financial Year*

SL. NO.	NAME OF DIRECTOR	PREVIOUS/ CURRENT FY	CAPACITY (i.e, Executive/ Non-Executive/ Chairman/ Promoter Nominee/ Independent)	NATURE OF CHANGE	EFFECTIVE DATE
1	Mr. Shrimohan Yadav #	Previous FY	Additional Director (Non-Executive Independent)	Appointment	05-02-2026
2	Mr. Sreeram Ranganthan Iyer #	Current FY	Additional Director (Non-Executive Nominee Director)	Appointment	29-05-2026
3	Mr. Viraj Tyagi	Previous FY	Professional (Non-Promoter)	Change in designation	02-09-2025

* The details of changes in Board of Directors during current year only reflect changes which are not pending before RBI for its approval.

Mr. Shrimohan Yadav (Non-Executive Independent Director) & Mr. Sreeram Ranganthan Iyer (Non-Executive Nominee Director) were appointed as the Additional Directors of the Company with effect from 5th February 2026 & 29th May 2026, respectively. The said appointments are proposed to be placed before the Members for their approval at the ensuing Annual General Meeting of the Company.

2.3 Relationship Between Directors Inter-se

None of the Directors of the Company are related to each other within the meaning of the Companies Act, 2013, and the rules made thereunder.

3. COMMITTEES OF THE BOARD

The Company has constituted various Board & management level committees for effective governance, oversight, risk management and operational control. The composition of major committees of the Company is provided as under:

3.1 Audit Committee

The Audit Committee was constituted by the Board of Directors consequent to the Company being classified as a NBFC- Middle Layer. The Committee oversees financial reporting, internal controls, audit processes and regulatory compliance. The constitution and charter of the Committee were approved by the Board at its meeting held on 05th February 2026. The Committee is required to function in accordance with the applicable RBI Directions and Section 177 of the Companies Act 2013, to the extent applicable.

3.1.1 The Composition of Audit Committee is as follows:

SL. NO.	NAME OF DIRECTOR	MEMBER OF COMMITTEE SINCE	CAPACITY (i.e.,EXECUTIVE / NON-EXECUTIVE / CHAIRMAN / PROMOTER NOMINEE / INDEPENDENT)	NUMBER OF MEETINGS OF THE COMMITTEE HELD	NUMBER OF MEETINGS OF THE COMMITTEE ATTENDED	NO. OF SHARES HELD IN THE NBFC

3.2.1 The Composition of Nomination and Remuneration Committee is as follows:

SL. NO.	NAME OF DIRECTOR	MEMBER OF COMMITTEE SINCE	CAPACITY (I.E., EXECUTIVE / NON-EXECUTIVE / CHAIRMAN / PROMOTER / NOMINEE / INDEPENDENT)	NUMBER OF MEETINGS OF THE COMMITTEE HELD*	NUMBER OF MEETINGS OF THE COMMITTEE ATTENDED*	NO. OF SHARES HELD IN THE NBFC
1	Mr. Shrimohan Yadav	05-02-2026	Chairperson, Additional Director (Non-Executive Independent Director)	NA	NA	0
2	Mr. Viraj Tyagi	05-02-2026	Non-Executive Director	NA	NA	1,09,339 equity shares
3	Mr. Vaitheeswaran Seetharaman	05-02-2026	Non-Executive Director	NA	NA	0

* The Committee was constituted on 05th February 2026 pursuant to the provisions of Para 18 of Reserve Bank of India (Non-Banking Financial Companies - Governance) Directions.

3.2.2 Terms of reference:

1. Formulating the criteria for determining qualifications, positive attributes and independence of a director and recommending to the Board a policy, relating to the remuneration of the directors, key managerial personnel and other employees;
2. Formulating criteria for evaluation of the performance of the independent directors and the Board;
3. Devising a policy on Board diversity;
4. Identifying persons who qualify to become directors or who may be appointed in senior management in accordance with the criteria laid down, recommending to the Board their appointment and removal, and carrying out evaluations of every director's performance;
5. Determining whether to extend or continue the term of appointment of the independent director, on the basis of the report of performance evaluation of independent directors;
6. Analysing, monitoring and reviewing various human resource and compensation matters;
7. Determining the Company's policy on specific remuneration packages for executive directors including pension rights and any compensation payment, and determining remuneration packages of such directors;
8. Determining compensation levels payable to the senior management personnel and other staff (as deemed necessary), which shall be market-related, usually consisting of a fixed and variable component;
9. Performing such other activities as may be delegated by the Board and/or specified/provided under the Companies Act or the RBI Directions/Regulations, or by any other regulatory authority

3.3 RISK MANAGEMENT COMMITTEE

The Risk Management Committee assists the Board in reviewing the risk management framework of the Company, including credit risk, operational risk, liquidity risk, compliance risk and other material risks, and provides oversight on risk identification, monitoring and mitigation. The constitution and charter of the Committee were approved by the Board at its meeting held on 03rd December 2024

3.3.1 The Composition of Risk Management Committee is as follows:

Sl. No.	NAME OF DIRECTOR	MEMBER OF COMMITTEE SINCE	CAPACITY (i.e., Executive/ Non-Executive / Chairman / Promoter / nominee / Independent)	NUMBER OF MEETINGS OF THE COMMITTEE HELD	NUMBER OF MEETINGS OF THE COMMITTEE ATTENDED	NO. OF SHARES HELD IN THE NBFC
1	Mr. Nitin Gupta	03-12-2024	Executive Director & CEO	4	4	7,07,763 equity shares
2	Mr. Amit Kumar Arora	03-12-2024	Non Executive Director	4	4	3,79,484 equity shares
3	Mr. Deekshith Shetty	01-07-2025	AVP Finance & Strategy	4	4	0
4	Mr. Shrenik Sethi	01-07-2025	SVP & Head Risk & Analytics	4	4	0

3.3.2 Terms of reference:

1. To review and recommend to the Board a detailed Risk Management Policy which shall include: a. framework for identification of internal and external risks specifically faced by the Company, in particular including financial, operational, sectoral, information, cyber security risks or any other risk as may be determined by the Committee. b. Measures for risk mitigation including systems and processes for internal control of identified risks. c. Business continuity plan.
2. To ensure that appropriate methodology, processes and systems are in place to monitor and evaluate the identified material risks associated with the business of the Company.
3. To monitor and oversee implementation of the Risk Management including evaluating the adequacy of risk management systems.
4. To review and approve risk appetite and ensure the Company is operating within the same.
5. To ensure the Company's overall risk exposure is maintained at prudent levels and is consistent with available capital.
6. Performing such other activities as may be delegated by the Board and/or specified/provided under the Companies Act or the RBI Directions/Regulations, or by any other regulatory authority

3.4 IT STRATEGY COMMITTEE

The IT Strategy Committee reviews IT strategy, IT governance, cyber security arrangements, information security framework, business continuity planning, disaster recovery, IT risk management, IT outsourcing and such other technology-related matters as may be prescribed under applicable RBI Directions and the Committee Charter. The constitution and charter of the Committee were approved by the Board at its meeting held on 05th February 2026

3.4.1 The Composition of IT Strategy Committee is as follows:

SL. NO.	NAME OF DIRECTOR	MEMBER OF COMMITTEE SINCE	CAPACITY (I.E., EXECUTIVE / NON-EXECUTIVE / CHAIRMAN / PROMOTER / NOMINEE / INDEPENDENT)	NUMBER OF MEETINGS OF THE COMMITTEE HELD	NUMBER OF MEETINGS OF THE COMMITTEE ATTENDED	NO. OF SHARES HELD IN THE NBFC
1	Mr. Shrimohan Yadav	05-02-2026	Chairperson, Additional Non-Executive Independent Director	1	1	Nil
2	Mr. Nitin Gupta	05-02-2026	Executive Director & CEO	1	1	7,07,763 equity shares
3	Mr. Amit Kumar Arora	05-02-2026	Non-Executive Director	1	1	3,79,484 equity shares

3.4.2 Terms of reference:

1. Approve and oversee IT Strategy and policies, ensuring alignment with business objectives.
2. Oversee IT investments, budgets and resources to ensure optimal risk-benefit balance.
3. Ensure effective governance frameworks, accountability, resources and responsibilities.
4. Review BCP/DR annually and cyber security risks and preparedness quarterly.
5. Review IT Steering Committee and Information Security Committee activities and perform functions delegated by the Board.

3.5 ASSET LIABILITY MANAGEMENT COMMITTEE

The Asset Liability Management Committee reviews the liquidity position, asset-liability maturity profile, funding requirements, interest rate risk, liquidity risk tolerance limits, contingency funding plan and other matters relating to asset liability management of the Company.

The constitution and charter of the Committee were approved by the Board at its meeting held on 01st April 2024

3.5.1 The Composition of Asset Liability Management committee is as follows:

SL NO.	NAME OF DIRECTOR / MEMBER	MEMBER OF COMMITTEE SINCE	CAPACITY (I.E., EXECUTIVE / NON-EXECUTIVE / CHAIRMAN / PROMOTER / NOMINEE / INDEPENDENT)	NUMBER OF MEETINGS OF THE COMMITTEE HELD	NUMBER OF MEETINGS OF THE COMMITTEE ATTENDED	NO. OF SHARES HELD IN THE NBFC
1	Mr. Nitin Gupta	01-04-2024	Executive Director & CEO / Chairperson	6	6	7,07,763 equity shares
2	Mr. Amit Kumar Arora	01-04-2024	Non-Executive Director	6	6	3,79,484 equity shares
3	Mr. Deekshith Shetty	01-04-2024	AVP – Finance & Strategy	6	6	NA
4	Mr. Shrenik Sethi	15-07-2025	SVP & Head – Risk & Analytics	6	6	NA
5	Mr. Kishan Patel	15-07-2025	Associate Manager	6	6	NA

3.5.2 Terms of reference:

1. Constituted under the RBI guidelines on Liquidity Risk Management and Asset Liability Management to oversee liquidity risk, interest rate risk and funding strategy.
2. Establish and review policies governing sources and uses of funds to achieve an appropriate return within acceptable risk levels, and monitor the liquidity position and gaps across time buckets.
3. Ensure compliance with RBI-prescribed liquidity coverage requirements and structural and dynamic liquidity statements, and oversee implementation of the liquidity risk management policy.
4. Review funding strategy, resource mobilisation and diversification of liabilities, and ensure capital planning is aligned with business growth.
5. Escalate significant risk matters or breaches of policy limits to the Board and place its deliberations and recommendations before the Board for review.
6. Performing such other activities as may be delegated by the Board and/or specified/provided under the Companies Act or the RBI Directions/Regulations, or by any other regulatory authority

3.6 INVESTMENT AND BORROWING COMMITTEE

The Investment and Borrowing Committee reviews and approves matters relating to borrowings, investments, treasury arrangements, financing proposals, lender/ investor documentation and such other matters as may be delegated by the Board from time to time.

The constitution and charter of the Committee were approved by the Board at its meeting held on 24th January 2025

3.6.1 The Composition of Investment and Borrowing Committee is as follows:

SL. NO.	NAME OF DIRECTOR	MEMBER OF COMMITTEE SINCE	CAPACITY (I.E., EXECUTIVE / NON-EXECUTIVE / CHAIRMAN / PROMOTER / NOMINEE / INDEPENDENT)	NUMBER OF MEETINGS OF THE COMMITTEE HELD	NUMBER OF MEETINGS OF THE COMMITTEE ATTENDED	NO. OF SHARES HELD IN THE NBFC
1	Mr. Nitin Gupta	24-01-2025	Executive Director & CEO	26	26	7,07,763 equity shares
2	Mr. Amit Kumar Arora	24-01-2025	Non-Executive Director	26	26	3,79,484 equity shares

3.6.2 Terms of reference:

1. Evaluate and select suitable investment options for the Company in line with the Board-approved Investment Policy.
2. Borrow monies in any permitted form, whether secured or unsecured, from banks, financial institutions and other sources in India or abroad, within limits approved by the Board and shareholders.
3. Issue and allot securities and other financial instruments on terms determined by the Board or shareholders.
4. Create security, charges, mortgages, pledges or hypothecation over the Company's present and future assets and receivables in connection with borrowings.
5. Open, operate and close bank accounts, authorise signatories and their limits, and authorise officials to execute documents connected with borrowing and investment.
6. Performing such other activities as may be delegated by the Board and/or specified/provided under the Companies Act or the RBI Directions/Regulations, or by any other regulatory authority

3.7 SPECIAL COMMITTEE FOR MONITORING AND FOLLOW-UP FOR CASES RELATING TO FRAUDS

The Special Committee for Monitoring and Follow-up for Cases relating to Frauds reviews fraud-related matters, monitors action taken in respect of fraud cases, oversees reporting and recovery actions, and provides guidance on strengthening the fraud risk management framework of the Company. The constitution and charter of the Committee were approved by the Board at its meeting held on 13th February 2025

3.7.1 The Composition of Special Committee is as follows:

SL. NO.	NAME OF DIRECTOR	MEMBER OF COMMITTEE SINCE	CAPACITY (I.E., EXECUTIVE / NON-EXECUTIVE / CHAIRMAN / PROMOTER / NOMINEE / INDEPENDENT)	NUMBER OF MEETINGS OF THE COMMITTEE HELD	NUMBER OF MEETINGS OF THE COMMITTEE ATTENDED	NO. OF SHARES HELD IN THE NBFC
1	Mr. Shrimohan Yadav	13-02-2026	Chairperson, Additional Non-Executive Independent Director	N. A	N. A	0
2	Mr. Nitin Gupta	13-02-2026	Executive Director & CEO	N. A	N. A	7,07,763 equity shares
3	Mr. Amit Kumar Arora	13-02-2026	Non-Executive Director	N. A	N. A	3,79,484 equity shares

* The Committee was constituted on 13th February 2026 pursuant to the provisions of Para 18 of Reserve Bank of India (Non-Banking Financial Companies - Governance) Directions 2025.

3.7.2 Terms of reference:

1. Oversee the overall effectiveness of the Company's fraud risk management framework.
2. Review and monitor fraud cases, including conducting root cause analysis.
3. Suggest mitigating measures to strengthen internal controls and the risk management framework, and to minimize fraud incidence.
4. Recommend improvements in internal controls, processes, and risk mitigation practices.
5. Provide recommendations to strengthen the Company's fraud prevention, detection, monitoring, and reporting framework.
6. Review and endorse fraud-related disclosures, policies, and compliance reports before they go to the Board.
7. Performing such other activities as may be delegated by the Board and/or specified/provided under the Companies Act or the RBI Directions/Regulations, or by any other regulatory authority

3.8 ESOP COMMITTEE

The ESOP Committee administers and monitors the Employee Stock Option Plan of the Company, including grant, vesting, exercise, lapse, cancellation and other matters connected with implementation of the Fintable Employee Stock Option Plan 2024 ("Plan" or "ESOP 2024" or "Stock Option Plan"), in accordance with the terms approved by the Board / shareholders.

The constitution and charter of the Committee were approved by the Board at its meeting held on 13th February 2026.

3.8.1 The Composition of ESOP Committee is as follows:

SL. NO.	NAME OF MEMBER	MEMBER OF COMMITTEE SINCE	CAPACITY (I.E., EXECUTIVE / NON-EXECUTIVE / CHAIRMAN / PROMOTER NOMINEE / INDEPENDENT)	NUMBER OF MEETINGS OF THE COMMITTEE HELD *	NUMBER OF MEETINGS OF THE COMMITTEE ATTENDED	NO. OF SHARES HELD IN THE NBFC

2	Mr. Amit Kumar Arora	05-02-2026	Non-Executive Director	0	0	3,79,484 equity shares
3	Mr. Sandeep Koul	05-02-2026	Chief Technology Officer	0	0	NA
4	Mr. Adarsh Kumar	05-02-2026	Head – Information Security	0	0	NA
5	Heads of Business Functions from Sales / Business, Operations, Finance, Credit & risk	05-02-2026	Heads of Divisions	0	0	NA

3.10 MANAGEMENT COMMITTEE

The Management Committee reviews and monitors operational, business, financial, administrative and governance matters of the Company and supports implementation of decisions approved by the Board and its Committees. The constitution and charter of the Committee were approved by the Board at its meeting held on 13th February 2026.

3.10.1 The Composition of Management Committee is as follows:

SL. NO.	NAME OF DIRECTOR	MEMBER OF COMMITTEE SINCE	CAPACITY (I.E., EXECUTIVE / NON-EXECUTIVE / CHAIRMAN / PROMOTER NCMINEE / INDEPENDENT)	NUMBER OF MEETINGS OF THE COMMITTEE HELD*	NUMBER OF MEETINGS OF THE COMMITTEE ATTENDED	NO. OF SHARES HELD IN THE NBFC
1	Mr. Nitin Gupta	13-02-2026	Executive Director & CEO / Chairperson	0	0	7,07,763 equity shares
2	Mr. Amit Kumar Arora	13-02-2026	Non-Executive Director	0	0	3,79,484 equity shares

3.10.2 Terms of reference:

1. Manage the day-to-day affairs of the Company, including development and implementation of strategy, operational plans, policies and procedures.
2. Drive and monitor business, operational and financial performance, and assess and control risk.
3. Authorise Directors, officials or employees to execute business, contractual, statutory and regulatory documentation, and to issue Powers of Attorney and authority letters on behalf of the Board.
4. Administer the delegation of authority matrix covering banking and non-banking transactions, signing authority and operational regulatory filings.
5. Approve legal proceedings, recovery-related bids and asset acquisitions, property transactions, and exercise such other powers as the Board may delegate from time to time.
6. Performing such other activities as may be delegated by the Board and/or specified/provided under the Companies Act or the RBI Directions/Regulations, or by any other regulatory authority

3.11 IDENTIFICATION COMMITTEE

The Identification Committee constituted for the purpose of Identification, classification and review of borrowers as Wilful Defaulters and/ or Large Defaulters and responsible for examining evidence of wilful default and/ or large default, issuing show cause notices, granting an opportunity of hearing to the borrower, and recording its findings in compliance with the principles of natural justice and requirements of the RBI Directions.

The constitution and charter of the Committee were approved by the Board at its meeting held on 14th November 2025.

3.11.1 The Composition of Identification Committee is as follows:

SL. NO.	NAME OF DIRECTOR / MEMBER	MEMBER OF COMMITTEE SINCE	CAPACITY (I.E., EXECUTIVE / NON-EXECUTIVE / CHAIRMAN / PROMOTER NOMINEE / INDEPENDENT)	NUMBER OF MEETINGS OF THE COMMITTEE HELD	NUMBER OF MEETINGS OF THE COMMITTEE ATTENDED	NO. OF SHARES HELD IN THE NBFC
1	Mr. Shrenik Sethi	14 - 11 - 2025	Chairperson	0	0	NA
2	Mr. Muhammed Haris	14 - 11 - 2025	Member	0	0	NA
3	Mr. Ninhad Thawait	14 - 11 - 2025	Member	0	0	NA

3.12 REVIEW COMMITTEE

The Review Committee reviews the decisions / recommendations of the Identification Committee, considers representations, if any, and provides final review / confirmation in accordance with the applicable regulatory framework and internal policies of the Company.

The constitution and charter of the Committee were approved by the Board at its meeting held on 14th November 2025.

3.12.1 The Composition of Review Committee is as follows:

SL. NO.	NAME OF DIRECTOR / MEMBER	MEMBER OF COMMITTEE SINCE	CAPACITY (I.E., EXECUTIVE / NON-EXECUTIVE / CHAIRMAN / PROMOTER NOMINEE / INDEPENDENT)	NUMBER OF MEETINGS OF THE COMMITTEE HELD	NUMBER OF MEETINGS OF THE COMMITTEE ATTENDED	NO. OF SHARES HELD IN THE NBFC
1	Mr. Nitin Gupta	14 - 11 - 2025	Executive Director & CEO / Chairperson	0	0	7,07,763 equity shares
2	Mr. Amit Kumar Arora	14 - 11 - 2025	Non-Executive Director	0	0	3,79,484 equity shares
3	Mr. Viraj Tyagi	14 - 11 - 2025	Non-Executive Director	0	0	1,09,339 equity shares

3.12.2 Terms of reference:

1. Review the Identification Committee's proposal and the reasons for proposed classification of borrower(s) as wilful defaulter.
2. Consider written representations received from the borrower, guarantor, promoter or director within the prescribed period.
3. Evaluate the proposal and representations and assess the relevant facts and evidence before taking a decision.
4. Provide an opportunity of personal hearing to the concerned parties, where applicable.
5. Pass a reasoned written order deciding whether or not to classify the concerned person/entity as a wilful defaulter and communicate the decision.
6. Ensure compliance with principles of natural justice, including adequate notice and opportunity of representation/hearing, with no right to legal representation before the Committee.
7. Ensure proper authentication of notices and orders issued on behalf of the Review Committee, including identification of the Committee members and competent authority.
8. Performing such other activities as may be delegated by the Board and/or specified/provided under the Companies Act or the PBI Directions/Pegulations, or by any other regulatory authority

3.13 INFORMATION SECURITY COMMITTEE

The Information Security Committee manages the company's information and cyber security under the IT Strategy Committee's oversight, setting policies, approving security projects, and reviewing incidents and audit findings. It escalates major cyber incidents immediately and reports periodically to the ITSC and CEO.

3.13.1 The Composition of information Security Committee is as follows:

SL. NO.	NAME OF DIRECTOR / MEMBER	MEMBER OF COMMITTEE SINCE	CAPACITY (I.E., EXECUTIVE / NON-EXECUTIVE / CHAIRMAN / PROMOTER NOMINEE / INDEPENDENT)	NUMBER OF MEETINGS OF THE COMMITTEE HELD	NUMBER OF MEETINGS OF THE COMMITTEE ATTENDED	NO. OF SHARES HELD IN THE NBFC

The Company has not incurred any penalty or been subjected to any strictures imposed by the Reserve Bank of India or any other statutory or regulatory authority.

8. MANAGEMENT DISCUSSION AND ANALYSIS REPORT (REFER PAGE 76)

Finnable Credit Private Limited

Management Discussion and Analysis Report

About Finnable

Finnable Credit Private Limited ("FCPL", "Finnable Credit" or "the Company") is a non-deposit taking Non-Banking Finance Company ("NBFC") registered as an NBFC Investment Credit Company (NBFC-ICC) with the Reserve Bank of India ("RBI"). Since December-2025, the Company has been categorised as a middle layer NBFC ("NBFC-ML") pursuant to the Scale Based Regulations, 2025 issued by the RBI.

FCPL is engaged in the business of lending, with personal loans being its principal product, offering instant loans of up to Rs. 10 lakhs to working individuals. FCPL also offers secured loans in the form of loans against property ("LAP") of up to Rs. 40 lakhs, enabling individuals to unlock the value of property held by them.

FCPL has one subsidiary, Finnable Technologies Private Limited ("the Subsidiary Company" or "FTPL"), a Lending Service Provider ("LSP") that operates as a technology-enabled platform facilitating one or more functions — including customer acquisition, KYC facilitation, and associated customer service such as collection and recovery — on behalf of Regulated Entities ("REs"), including banks and NBFCs ("Lending Partners"). FCPL and FTPL together referred to as Finnable.

Together, Finnable operates as a credit-led digital platform providing simple, fast and reliable access to credit to its users through a network of lending partners

For its personal loan offerings, FTPL operates as an LSP in partnership with PEs including FCPL, facilitating loan origination and end-to-end servicing, including user acquisition, evaluation, onboarding, collections and servicing.

Personal loans facilitated through the platform are disbursed through two channels:

- (i) **Lending Partners, comprising banks and NBFCs, integrated on the platform; and**
- (ii) **FCPL, which undertakes on balance sheet lending.**

Finnable at a Glance

- Served more than 3 lakh customers with lifetime disbursements surpassing **INR 7,52,756 lakh**.
- Personal Loans disbursed during FY26: **INR 2,40,142 lakh**.
- Commenced secured loan offerings with loan against property in FY26 with more than **30** locations.
- Consolidated Assets Under Management: **INR 3,54,732 lakh** as of 31 March 2026
- Scaled Company's own book: **29%** of total AUM (FY25: 10%), reflecting the deliberate transition towards on-balance-sheet lending
- Consolidated profit after tax: **INR 4,590 lakh** (FY25: Rs. 282 lakh)
- Lending relationships continued to deepen and grow with 25 lenders and 9 lending partners;

Economic Overview

Global economy

Financial year 2025-26 was marked by an uneven global expansion. Elevated trade-policy uncertainty and tariff actions by the United States weighed on manufacturing, trade flows and investment sentiment in advanced economies through much of the year, even as easing inflation allowed major central banks to begin cutting policy rates. Global conditions turned more volatile toward the close of the year, as escalating geopolitical conflict triggered a sharp rise in energy prices and interrupted the broader disinflation trend, even as an AI-led technology investment cycle provided an offsetting tailwind in several economies.

Against this backdrop, global growth is estimated at approximately 3.5% for calendar year 2025 (actual), moderating to about 3.0% for calendar year 2026 (estimated) on account of the energy shock, before improving to about 3.4% in 2027 as these pressures recede. Emerging market and developing economies — led by India, which grew by an estimated 7.3–7.4% in FY2025-26 — continued to outpace advanced economies by a wide margin.

Indian economy

India retained its position as the fastest-growing major economy, and the picture that emerges from official data is one of resilience rather than mere momentum. Provisional estimates released by the NSO in June 2026 confirmed FY26 real GDP growth at 7.7%, ahead of both the First advance estimate of 7.4% and the Second Advance Estimate of 7.6%, and a step up from a revised 7.1% in FY2024-25 under the new 2022-23 base series. Encouragingly, the RBI's most recent policy review (August 2026) revised its FY2026-27 growth outlook upward to 6.7%, from 6.6% in June, even as it continues to flag energy-price and monsoon-related risks — a sign that near-term caution is giving way to steadier confidence. The IMF's July 2026 update independently projects 6.4% for FY2026-27 and 6.7% for FY2027-28, reaffirming India's growth leadership even as global conditions normalise.

The underlying growth mix offers further reassurance for the lending business. Private Final Consumption Expenditure accelerated to 7.7% in FY26 from 5.8% in FY25, lifting its GDP share to the highest level since 2011-12, supported by CST rate rationalisation from September 2025, income-tax relief in the Union Budget, and a steady recovery in rural demand. The rate environment has been edually constructive: headline CPI averaged just 1.7% over April–December FY26, giving the RBI room for a cumulative 125 bps repo rate cut since February 2025, alongside a phased 100 bps CPP reduction that eased system liquidity. Together, these have kept the marginal cost of funds benign and the wholesale liability environment accommodative through FY26 and into FY27.

Fiscal policy has stayed supportive while consolidating further. The Union Budget 2026-27 budgeted a fiscal deficit of 4.3% of GDP, sustained capital expenditure at ₹12.2 lakh crore, and signalled continued policy attention to NBFC credit delivery through the proposed High-Level Committee on "Banking for Viksit Bharat."

Underpinning all of this, the financial system enters FY27 from a position of strength: gross NPAs of scheduled commercial banks fell to a multi-decadal low of 1.8% as at March 2026, per the RBI's Financial Stability Report — a healthy backdrop against which the NBFC sector's own underwriting discipline can be measured with confidence.

NBFC sector

NBFCs remain a structural pillar of India's credit architecture, accounting for approximately 22% of systemic credit and growing at a roughly 14% CAGR in the post-pandemic period, underpinned by superior last-mile distribution, cash-flow and alternative-data underwriting, and faster turnaround than traditional banks. Household leverage remains modest by global standards — at 45.5% of GDP as of September 2025, well below the UK (~76%), US (~69%) and China (~61%) — leaving sizeable long-term headroom for formal retail credit.

Sector AUM is projected to grow 18–19% in each of FY2026 and FY2027, crossing Rs. 50 lakh crore by March 2027, with personal loans expected to recover to 22–25% growth as the unsecured-credit cycle normalises. Notably, the industry's product mix is tilting toward secured assets such as gold loans and loans against property — a shift that validates Fintable's own diversification into LAP alongside its core personal-loan franchise.

Ticket-size trends favour Fintable's positioning directly: during FY2024–25, NBFCs deployed approximately 61.8% of personal-loan disbursements within the Rs. 25,000–Ps. 5 lakh band, against 30.6% for private banks and 24.4% for public sector banks — the segment adjacent to Fintable's own product (up to Ps. 10 lakhs, salaried individuals).

Digital channels continue to dominate by volume — accounting for roughly 80% of personal-loan volumes in H1 FY2026, though only ~19% of value — with growth moderating to a more sustainable pace, signalling a maturing, better-regulated market. Asset- quality stress remains concentrated in the sub-Ps. 50,000 fintech-app segment, where delinquency runs at 6.4% against 1.7% system-wide unsecured retail GNPA — reinforcing the soundness of Fintable's focus on salaried borrowers assessed through robust cash-flow and alternative-data underwriting, at meaningful ticket sizes rather than the smallest-ticket cohort. Funding costs are expected to ease further in FY2027 — ICPA projects a 10–30 bps decline in the sector's weighted average cost of funds, similar in quantum to FY26 — even as bank credit to NBFCs grows only modestly, reinforcing the case for continued funding diversification.

Consolidated Performance Highlights, FY26

- Own-book AUM scaled to **INR 1,01,690 lakh** from Ps. 28,597 lakh, up 256%
- Net total income grew 66% to **INR 43,132 lakh**
- Credit cost remained broadly stable at 2.5% of average AUM (FY25: 2.4%) despite the scale-up of the own book;
- PBT grew to **INR 5,630 lakh** (FY25: Ps. 367 lakh); PAT grew to **INR 4,590 lakh** (FY25: Rs. 282 lakh)
- Return on managed assets: 1.5%; return on average equity: 12.1%
- Net worth strengthened 137% to **INR 53,500 lakh**, aided by Rs. 2,500 lakh of primary equity from TV5 Capital and Z47 (Pre-Series C)
- Capital adequacy (standalone) at 37.86%, well above RBI norms

Key operating metrics (three-year view):

Particulars	FY26	FY25	FY24
Managed AUM (INR lakh)	3,54,732	2,75,173	1,89,857
Managed AUM – PL (INR lakh)	3,52,324	2,75,173	1,89,857
On book AUM – LAP (INR lakh)	2,408	-	-
On-book share of Managed AUM	29%	10%	1%

(a) Personal Loans

The Company's core business is high-ticket, longer-tenure unsecured personal loans to salaried individuals — a customer segment with highly stable incomes but limited access to right-priced credit, situated between the small-ticket digital lenders and the prime segments served by banks and large NBFCs.

Particulars	Description
Product	Unsecured personal loans to salaried individuals
Ticket size	Up to INR 10 lakh; average ticket size of Rs. 2.5 lakh
Tenure	Average of 36–48 months
Customer profile	100% salaried; monthly income Rs. 15,000–40,000;

(b) Loans Against Property (LAP)

Particulars	Description
Product	Loans against property to salaried and self-employed individuals
Ticket size	Up to INR 40 lakh; average ticket size of INR 14 lakh
Tenure / yield	Up to 15 years; portfolio yield upwards of 19%
Distribution	Across 30+ location as at 31 March 2026
AUM	INR 2,408 lakh as at 31 March 2026 (launched during FY26);

LAP was launched during FY26 as a deliberate diversification into secured lending. The product leverages the Company's existing phygital distribution and risk infrastructure — the same verification, fraud-check and collections capabilities built for personal loans — while adding collateral-backed stability to the portfolio mix.

(c) Lending Partnerships and LSP Platform (FTPL)

Finnable operates a platform model in which personal loans originated through the Finnable app are funded either by FCPL on its own balance sheet or by Lending Partners, comprising banks and NBFCs integrated on the platform. FTPL acts as the Lending Service Provider: it acquires and evaluates the customer, completes onboarding and KYC, and services the loan through its life, including collections and recovery. The Lending Partner underwrites and disburses the loan, holds it on its books and retains regulatory responsibility for it, while Finnable remains the single point of contact for the customer across the loan lifecycle.

As at 31 March 2026, Lending Partners held ~ 70% of total AUM. Where an arrangement provides for risk sharing, FTPL extends a default loss guarantee to the Lending Partner as permitted under the Reserve Bank of India (Non-Banking Financial Companies – Credit Facilities) Directions, 2025. The model gives Finnable capital-light scale on the platform book while building a proprietary on-balance-sheet franchise in FCPL.

2.3 Financial Performance

Table A sets out the standalone and consolidated statement of profit and loss for the year:

	Standalone			Consolidated		
Particulars	FY26	FY25	Growth	FY26	FY25	Growth
Interest income	17,868	2,990	498%	18,145	3,118	482%
Interest and finance charges	5,968	1,276	(368)%	6,008	1,592	(277)%
Net interest income	11,900	1,714	594%	12,138	1,526	695%
Fees and commission income	961	356	170 %	24,476	22,792	7%
Net gain on fair value changes	174	–	–	174	–	–
Other income	375	163	130 %	337	78	332%
Net total income	13,410	2,233	500%	37,125	24,396	52%
Fees and commission expense	–	–	–	4,173	5,618	(26)%

	Standalone			Consolidated		
Particulars	FY26	FY26	Growth	FY26	FY25	Growth
Employee benefits expense	2,082	207	(906)%	14,354	8,928	(61)%
Depreciation and amortisation	29	5	(480)%	698	498	(40)%
Other expenses	3,428	1,082	(217)%	4,348	3,429	(27)%
Pre-impairment operating profit	7,870	940	737%	13,551	5,923	129%
Impairment on financial instruments	3,107	1,169	(166)%	7,921	5,556	(43)%
Profit before tax	4,763	(229)	-	5,630	367	1,434%
Tax expense	1,219	(61)	-	1,040	84	(1,139)%
Profit after tax	3,544	(168)	-	4,590	282	1,528%
Other comprehensive income (net of tax)	15	5	200%	76	87	(13)%
Total comprehensive income	3,559	(163)	-	4,666	369	1,164%
Basic earnings per share (Rs.)	116.29	(8.81)	-	150.60	14.79	-

Risk Management and Portfolio Quality

Because our typical customer is a first-time personal loan borrower with a thin credit bureau history, generic scores don't tell the whole story. By leveraging alternate data and deep analytics, we have built proprietary risk scorecards, ingesting more than 20k features, that are 3 to 4 times sharper than standard bureau models.

Our ongoing investment in data and analytics is central to our portfolio's resilience. The combination of robust underwriting framework and continuous monitoring ensures we maintain strict credit discipline as the business scales.

The strength of this data-driven approach is directly reflected in our credit performance. Our GNPA and early vintage delinquency metrics improve with every new cohort, proving the consistency of our risk management and the high quality of the portfolio we are building.

We are now applying these same underwriting principles to newer offerings like Loans Against Property (LAP). While secured lending introduces a different customer profile, collateral dynamics, and portfolio considerations, we have successfully developed industry-first, cash-flow-based underwriting models powered extensively by AI.

Risk governance

The Company operates under a Board-approved risk management framework that identifies, measures and mitigates credit, liquidity, market, operational and technology risks. The framework is overseen by the Risk Management Committee of the Board and implemented by an independent risk function, with senior management setting risk limits and reviewing portfolio and market conditions on an ongoing basis. Following the Company's transition to the Middle Layer under the RBI's Scale Based Regulations during the year, the framework has been strengthened to meet the enhanced governance, risk and internal control requirements applicable to NBFC-ML entities.

Portfolio monitoring

Risk is tracked across each stage of the loan lifecycle against defined limits, with borrowers categorised into risk buckets to identify stress early and trigger corrective action:

- **Origination:** customer type (fresh or repeat), internal score (Finnable score), bureau score, income, FOIR levels, geography
- **Credit monitoring:** first-presentation bounce rates, portfolio 30+ and 90+ dpd, Stage 2 and Stage 3 proportions, and write-offs.
- **Static pool analysis:** first-EMI defaults and month-on-book vintage curves to compare cohorts originated in different periods.
- **Collections:** current and overall collection efficiency, roll-forward and roll-back rates, managed by an in-house, on-roll field team.

Key risks and mitigation

Risk	Exposure	Mitigation
Credit risk	Rise in delinquencies in the unsecured portfolio, adverse selection, concentration in geographies, channels or segments, or erosion of collateral value on LAP.	Segment-specific underwriting, employment verification, proprietary scorecard and fraud engine at entry; disbursement only into verified bank accounts, NACH mandate at onboarding; in-house collections with stage-wise follow-up; concentration limits and cohort monitoring; ECL provisioning under Ind AS 109.
Liquidity and funding risk	Mismatches in cash-flow timing and inability to raise incremental borrowings, particularly during tight market conditions.	Board-approved ALM framework with structural and dynamic liquidity gap monitoring; liquidity buffers, long-term and diversified funding across 25 lenders, pipeline of unutilised sanctions; oversight by the ALCO and the Board.
Interest rate risk	Changes in market rates affecting the cost of borrowings and the fair value of investments,	Continuous monitoring of asset-liability repricing and cost of funds; risk-based pricing of disbursements; CARE BBB+ rating supporting access to lower-cost funding.
Regulatory risk	Changes in RBI directions on digital lending, co-lending, DLC, capital or provisioning, now heightened following transition to the Middle Layer.	Board-level Risk Management Committee and compliance function; policy updates on each regulatory change; capital adequacy of 37.86% against a 15% requirement;
Technology and cybersecurity risk	System outages, data breaches or cyber-attacks affecting customer trust and operations,	Cloud-native architecture with defence-in-depth security, periodic VAPT, IT Strategy Committee and designated CISO under the RBI IT Governance Master Direction; consent and data-handling architecture aligned to the Data Protection Norms,
Economic risk	Slowdown or inflation compressing disposable income of salaried borrowers and affecting EMI servicing.	Focus on salaried, banked borrowers with stable incomes; FOIR-based eligibility; tracking of macro indicators with course correction in segment cut-offs and pricing.

These outcomes reflect the combined effect of segment-specific underwriting, and continued investment in fraud, scorecard and collections infrastructure.

People

Human resources continue to be an important part of the Finnable's business operations, particularly considering its technology-enabled lending model. Finnable continues to focus on building a capable team across business, technology, risk, finance, compliance, operations and support functions. During the period under review, the Company continued to invest in employee capability, compliance awareness, governance processes and functional training. The industrial relations during the year remained cordial. The number of employees as on 31 March 2026 stood at 2,017 (FCPL: 239; FTPL: 1778)

Opportunities and Threats

Opportunities

The Company sees opportunities in the growing demand for digital personal loans, increasing formalisation of credit access, rising salaried workforce, improved digital adoption and the ability to use technology for faster customer onboarding, underwriting and loan servicing.

The Company is also well placed to leverage its technology-driven processes, data analytics capabilities and focused product offering to expand its lending portfolio in a controlled and risk-calibrated manner.

Threats

The key threats include rising competition from banks, NBFCs and fintech lenders, changes in interest rate environment, credit quality pressures, regulatory changes, cyber security threats, data privacy risks, customer acquisition cost pressure and dependence on external funding sources.

The Company continues to monitor these risks through its internal governance framework, risk management processes, technology controls and regulatory compliance systems.

Internal Control Systems and their Adequacy

The Company has internal control systems commensurate with the size, scale and nature of its operations. The internal control framework covers areas such as financial reporting, lending operations, compliance, risk management, information technology, outsourcing, customer onboarding, KYC/AML compliance and data security.

The Company has constituted / maintained various committees and governance forums including Audit Committee, Risk Management Committee, Asset Liability Management Committee, IT Strategy Committee and other management-level committees for effective oversight. The Audit Committee reviews internal audit updates, financial results, compliance matters and other control-related areas. The Company continues to strengthen its internal control systems through periodic review, internal audit, compliance monitoring, policy review, management reporting and corrective action tracking.

Outlook

The Group enters FY27 with a stronger balance sheet, a diversified funding base and a credit posture that has improved for five consecutive quarters. Management intends to continue scaling own book while retaining the platform partnership model.

The Company will continue to grow the LAP portfolio in a calibrated manner, within its defined risk appetite. The pace of expansion will be governed by asset quality, capital adequacy and liquidity considerations.

Cautionary Statement

Some statements in this Management Discussion and Analysis describing the Company's objectives, projections, estimates and expectations may be 'forward looking' within the meaning of applicable laws and regulations. Actual results may differ from those expressed or implied.

AUDITOR'S REPORT - STANDALONE

Independent Auditor's Report

To the Members of Finnacle Credit Private Limited

Report on the Audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying standalone financial statements of Finnacle Credit Private Limited ("the Company"), which comprise the Standalone Balance Sheet as at March 31, 2026, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including material accounting policy information and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the standalone financial statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

4. Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	How our audit addressed the key audit matter
Assessment of impairment loss allowance based on expected credit loss ('ECL') on Loans (Refer note 9 to the standalone financial statements) As at March 31, 2026, the outstanding balances of loans granted by the Company aggregated to INR 107,434.81 lakhs, and the associated impairment loss allowance recognised in the books aggregated to INR 3,590.32 lakhs. The impairment loss allowance is determined in accordance with the ECL model specified in Ind AS 109 "Financial Instruments" and involves exercise of judgement by the management in estimating the expected losses using components of ECL such as Probability of Default ('PD'), Loss Given Default ('LGD') and Exposure at Default ('EAD'), Staging of Loans. Quantitative factors like days past due, behavior of the loan portfolio, historical losses incurred on defaults, recovery post default and macro-economic data points identified by the Management and qualitative factors like nature of the underlying loan, deterioration in credit quality, judgement in relation to Management overlays and related Reserve Bank of India ('RBI') guidelines, to the extent applicable, are also taken into account by Management in the ECL computation. In view of the significant management judgement involved around the determination of the impairment loss allowance and the complexity of the ECL model, we determined this to be a key audit matter.	The procedures performed by us included the following: • Understood and evaluated the design and tested the operating effectiveness of key controls put in place by Management over the: i. assumptions used in the calculation of ECL and its various aspects such as determination of Staging of Loans, EAD, PD and LGD; ii. completeness and accuracy of source data used by Management in the ECL computation; iii. approval of changes to ECL methodology and models through the Company's governance framework; and iv. computation of ECL. • Assessed the Company's accounting policy in respect of loans and related ECL provisioning for compliance with Ind AS 109. • Tested, on a sample basis, the completeness and accuracy of the source data used. • Verified, with the assistance of the auditor's expert, the methodology and model used by the Company and reasonableness of the assumptions used in the computation process to estimate the impairment loss allowance as per the requirements of Ind AS 109 and ECL policy of the Company. • Recomputed the impairment loss allowance for a sample of loans across the loan portfolio to verify the arithmetical accuracy and compliance with ECL methodology approved by the Board of Directors of the Company. • Evaluated the reasonableness of the assumptions and judgements involved in Management overlays forming part of the impairment loss allowance, and the related approvals. • Evaluated the adequacy of presentation and disclosures in relation to impairment loss allowance in the standalone financial statements.

Other Information

5. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the standalone financial statements and our auditor's report thereon. The Annual report is expected to be made available to us after the date of this auditor's report.
- Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.
- When we read the Annual Report, if we conclude that there is a material misstatement there in, we are required to communicate the matter to those charged with governance and take appropriate action as applicable under the relevant laws and regulations.

Responsibilities of management and those charged with governance for the standalone financial statements

6. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
7. In preparing the standalone financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
8. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the standalone financial statements

9. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.
10. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

14. The comparative financial information of the Company for the year ended March 31, 2025 and the transition date opening balance sheet as at April 1, 2024 included in these standalone financial statements, are based on the previously issued statutory financial statements for the years ended March 31, 2025 and March 31, 2024 prepared in accordance with the Companies (Accounting Standards) Rules, 2021 which were audited by the predecessor auditor who expressed an unmodified opinion vide reports dated June 30, 2025 and September 30, 2024 respectively. The adjustments to those financial statements for the differences in accounting principles adopted by the Company on transition to the Ind AS have been audited by us.
- Our opinion on the standalone financial statements is not modified in respect of above matter.

Report on other legal and regulatory requirements

15. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
16. As required by Section 143(3) of the Act, we report that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books, except for:-
 - the back-up of the books of account and other books and papers maintained in electronic mode has not been maintained on a daily basis on servers physically located in India for two applications during the year and for one another application during the period April 1, 2025 to November 29, 2025; and
 - the matters stated in paragraph 16(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended) ("the Rules").
 - (c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including other comprehensive income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on March 31, 2026, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026, from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 16(b) above and paragraph 16(h)(vi) below.
 - (g) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company has made provision as at March 31, 2026, as required under the applicable law or Indian Accounting Standards, for material foreseeable losses, if any, on long-term contracts - Refer Note 9 to the standalone financial statements. The Company did not have any long-term derivative contracts as at March 31, 2026.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2026.
 - iv.
 - (a) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 53.7(i) to the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 53.7(ii) to the standalone financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
 - v. The Company has not declared or paid any dividend during the year.
 - vi. Based on our examination, which included test checks, the Company has used three accounting software's for maintaining its books of account which has a feature of recording audit trail (edit log) facility and that has operated throughout the year for all relevant transactions recorded in the software, except for one database, the audit log of modification does not contain the pre-modified values. Further, during the course of performing our procedures other than the aforesaid instance of audit trail not maintained where the question of our commenting doesn't arise, we did not notice any instance of audit trail feature being tampered with.
- Further, the audit trail, to the extent maintained in the prior year, has been preserved as per the statutory requirements for record retention.
17. The provisions of Section 197 read with Schedule V to the Act are applicable only to public companies. Accordingly, reporting under Section 197(16) of the Act is not applicable to the Company.

Annexure A to Independent Auditor's Report

Referred in paragraph 16(g) of the Independent Auditor's Report of even date to the members of Finnable Credit Private Limited on the Standalone financial statements as of and for the year ended March 31, 2026.

Report on the Internal Financial Controls with reference to Standalone Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to standalone financial statements of Finnable Credit Private Limited ("the Company") as of March 31, 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to standalone financial statements.

Meaning of Internal Financial Controls with reference to standalone financial statements

6. A company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with reference to standalone financial statements

7. Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls system with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Annexure B to Independent Auditor's Report

Referred in paragraph 15 of the Independent Auditor's Report of even date to the members of Finnable Credit Private Limited on the Standalone financial statements as of and for the year ended March 31, 2026.

In terms of the information and explanations sought by us and furnished by the Company, and the books of account and records examined by us during the course of our audit, and to the best of our knowledge and belief, we report that:

- i. (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.
(B) The Company did not have any intangible assets during the year and, accordingly, reporting under clause 3(i)(a)(B) of the Order is not applicable to the Company.
- (b) The Property, Plant and Equipment of the Company are physically verified by the Management according to a phased programme designed to cover all the items over a period of 2 years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the Property, Plant and Equipment has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification.
- (c) The Company does not hold any immovable properties other than those where the Company is the lessee and the lease agreements are duly executed in favour of the lessee (Refer Note 40 to the standalone financial statements). Accordingly, reporting under clause 3(i)(c) of the Order is not applicable to the Company.
- (d) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) during the year. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment (including Right of Use assets) does not arise.
- (e) No proceedings have been initiated on (or) are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) [formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)] and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in the standalone financial statements, does not arise.
- ii. (a) The Company is in the business of rendering services and, consequently, it does not hold any inventory. Accordingly, reporting under clause 3(ii)(a) of the Order is not applicable to the Company.
- (b) During the year, the Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, from bank on the basis of security of current assets. The terms of sanction do not stipulate filing of quarterly returns or statements with such bank, and, accordingly, the question of our commenting on whether the returns or statements are in agreement with the unaudited books of account of the Company, does not arise.
- iii. (a) Reporting under clause 3(iii)(a) of the Order is not applicable to the Company as it is a non-banking financial company registered with the Reserve Bank of India, engaged in the business of granting loans.
- (b) In respect of the loans, investments and guarantees, in our opinion, the terms and conditions under which such loans were granted, investments were made, and guarantees provided are not prejudicial to the Company's interest.
- (c) In respect of the loans, the schedule of repayment of principal and payment of interest has been stipulated by the Company. Considering that the Company is a non-banking financial company engaged in the business of granting loans to retail customers for personal use, the entity-wise details of the amount, due date for payment and extent of delay (that has been suggested in the Guidance Note on CARO 2020 issued by the Institute of Chartered Accountants of India for reporting under this clause) have not been reported because it is not practicable to furnish such details owing to the voluminous nature of data generated in the normal course of the Company's business. Further, except for the instances where there are delays or defaults in repayment of principal and/ or interest and in respect of which the Company has recognised necessary provisions in accordance with the principles of Indian Accounting Standards (Ind AS) and the guidelines issued by the Reserve Bank of India ("RBI") for Income Recognition and Asset Classification (which has been disclosed by the Company in Note 9 and 51.32 to the standalone financial statements), the parties are repaying the principal amounts, as stipulated, and are also regular in payment of interest, as applicable.
- (d) In respect of the loans, the total amount overdue for more than ninety days as at March 31, 2026 is Rs. 1,861.73 lakhs. In such instances, in our opinion, reasonable steps have been taken by the Company for the recovery of the principal amounts and the interest thereon. Refer Note 46 in the standalone financial statements for details of number of cases and the amount of principal and interest overdue as at March 31, 2026. (e)
- (e) Reporting under clause 3(iii) of the Order is not applicable to the Company as it is a non-banking financial company registered with the Reserve Bank of India engaged in the business of granting loans.

- (f) Following loans/advances in nature of loans were granted during the year, including to promoters/related parties under Section 2(76), which are repayable on demand has been stipulated by the Company.

	All Parties	Promoters	Related Parties
Aggregate of loans -Repayable on demand	Finnable Technologies Private Limited Sanction Amount - Rs. 20,000 lakhs Maximum outstanding balance- Rs. 10,200 lakhs Aggregate amount provided during the year – Rs. 19,520 lakhs Outstanding as at March 31, 2026 – Rs. 3,507.88 lakhs	-	Finnable Technologies Private Limited Sanction Amount - Rs. 20,000 lakhs Maximum outstanding balance – Rs. 10,200 lakhs Aggregate amount provided during the year – Rs. 19,520 lakhs Outstanding as at March 31, 2026 – Rs. 3,507.88 lakhs
Total	3,507.88 lakhs		3,507.88 lakhs
Percentage of loans to the total loans	3.26%	Nil	3.26%

(Also, refer Note 9 to the standalone financial statements)

- iv. In our opinion, the Company has complied with the provisions of Section 185 and sub- section (I) of Section 186 of the Act in respect of the loans and investments made and guarantees and security provided by it. The provisions of sub-sections (2) to (11) of Section 186 are not applicable to the Company as it is a non-banking financial company registered with the RBI engaged in the business of granting loans.
- v. The provisions of sub-section (I) of Section 73 are not applicable to the Company as it is a non-banking financial company registered with the Reserve Bank of India. Further, the Company has not accepted any deposits or amounts which are deemed to be deposits referred in Sections 73, 74, 75 and 76 of the Act and the Rules framed there under.

Accordingly, the reporting under clause 3(v) of the Order to that extent is not applicable to the Company.

- vi. The Central Government of India has not specified the maintenance of cost records under sub-section (I) of Section 148 of the Act for any of the services of the Company. Accordingly, reporting under clause 3(vi) of the Order is not applicable to the Company.
- vii. (a) In our opinion, the Company is generally regular in depositing undisputed statutory dues in respect of income tax and goods and services tax, though there has been a slight delay in a few cases, and is regular in depositing undisputed statutory dues, including employees' state insurance, provident fund and professional tax with the appropriate authorities. However, there are no arrears of statutory dues outstanding as at March 31, 2026, for a period of more than six months from the date they became payable.
- (b) There are no statutory dues referred to in sub-clause (a) which have not been deposited on account of any dispute.
- viii. There are no transactions previously unrecorded in the books of account that have been surrendered or disclosed as income during the year in the tax assessments under the Income-tax Act, 1961.
- ix. (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
- (b) On the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.
- (c) In our opinion, the term loans have been applied for the purposes for which they were obtained.
- (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the standalone financial statements of the Company, we report that no funds raised on short-term basis have been utilised for long- term purposes by the Company.

- (e) On an overall examination of the standalone financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary.
- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiary.
- x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) The Company has made a private placement of shares and debentures during the year, in compliance with the requirements of Section 42 and Section 62 of the Act. The funds raised have been used for the purpose for which funds were raised.
- xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.
- (b) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed by us, as statutory auditors, with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.
- (c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and as represented to us by the management, no whistle-blower complaints have been received during the year by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.
- xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.
- xiii. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of related party transactions have been disclosed in the standalone financial statements as required under Indian Accounting Standard 24 "Related Party Disclosures" specified under Section 133 of the Act.
- xiv. (a) In our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) The reports of the Internal Auditor for the period under audit have been considered by us.
- xv. In our opinion, the Company has not entered into any non-cash transactions with its directors or persons connected with the director(s). Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.
- xvi. (a) The Company is required to and has been registered under Section 45-IA of the Reserve Bank of India Act, 1934 as Non Deposit taking Non-Banking Financial Company vide certificate of registration no.N-02.00291.
- (b) The Company has conducted non-banking financial activities during the year and the Company holds a valid Certificate of Registration from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
- (c) The Company is not a Core Investment Company ("CIC") as defined in the regulations made by the Reserve Bank of India. Accordingly, the additional reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.
- (d) In our opinion, the Group as defined in the Reserve Bank of India (Core Investment Companies) Directions, 2025 does not have any CICs, which are part of the Group. Accordingly, the reporting under clause 3(xvi)(d) of the Order is not applicable to the Company.
- xvii. The Company has not incurred any cash losses in the financial year or in the immediately preceding financial year.
- xviii. There has been resignation of the statutory auditors of the Company during the year. As stated in the resignation letter dated November 21, 2025 of the outgoing statutory auditors, the resignation was pursuant to the "Guidelines for Appointment of Statutory Central Auditors (SCAs)/ Statutory Auditors (SAs) of Commercial Banks (excluding RRBs), UCBs and NBFCs (including HFCs)" issued by RBI on April 27, 2021. We noted no issues, objections or concerns raised by the outgoing statutory auditors in their aforesaid letter.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.
- xx. The provisions relating to Corporate Social Responsibility under Section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.
- xxi. The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of Standalone Financial Statements. Accordingly, no comment in respect of the said clause has been included in this report.

1 Corporate Information

Finnable Credit Private Limited ("the Company") is a private limited company incorporated on August 12, 2015 under the provision of Companies Act, 2013. Its registered and principal office of business is located in Bengaluru, India. The debt securities of the Company are listed on the Bombay Stock Exchange (BSE), India. The Company is primarily engaged in the business of lending.

The Company is a Non Deposit taking Non-Banking Finance Company ("NBFC") registered as NBFC – Investment Credit Company vide registration no, N-02.00291 with Reserve Bank of India ("RBI") dated December 29, 2017. The Company has been classified as NBFC - ML (Middle Layer) pursuant to Reserve Bank of India (Non-Banking Financial Companies – Registration, Exemptions and Framework for Scale Based Regulation) Directions, 2025.

2 Basis of preparation**(i) Statement of Compliance**

The Standalone financial statements comply in all material aspects with the Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act, 2013 ("the Act") [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act, the updated Master Direction – Reserve Bank of India (Non-Banking Financial Company – Scale Based Regulation) Directions, 2025 as amended from time to time and other applicable RBI circulars/notifications.

The Company has adopted Ind AS for the financial year ended March 31, 2026. In accordance with the transition provision specified under Ind AS 101, the date of transition to Ind AS is April 1, 2024. These financial statements are the first financial statements of the Company under Ind AS. The financial statements upto the year ended March 31, 2025 were prepared in accordance with the accounting standards notified under the Companies (Accounting Standards) Rules, 2021 ("Previous GAAP") and other relevant provisions of the Act.

Refer note 52 for an explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows.

These financial statements were authorised for issue by the Company's Board of Directors on June 16, 2026.

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- certain financial assets and liabilities that are measured at fair value as required by relevant Ind AS.
- defined benefit plans; and
- share-based payments.

(iii) New and amended standards adopted by the Company

The Ministry of Corporate Affairs vide notification dated May 7, 2025 and August 13, 2025 notified the Companies (Indian Accounting Standards) Amendment Rules, 2025 and Companies (Indian Accounting Standards) Second Amendment Rules, 2025, respectively, which amended certain accounting standards (see below), and are effective for annual reporting periods beginning on or after April 1, 2025:

(a) Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants – Amendments to Ind AS 1

Pursuant to amendments to Ind AS 1, "Borrowings are classified as current liabilities unless, at the end of the reporting period, the Company has a right to defer settlement of the liability for at least 12 months after the reporting period.

Covenants that the Company is required to comply with, on or before the end of the reporting period, are considered in classifying loan arrangements with covenants as current or non-current. Covenants that the Company is required to comply with after the reporting period do not affect the classification"

(b) Supplier Finance Arrangements – Amendments to Ind AS 7 and Ind AS 107

The amendment in Ind AS 7 requires users of financial statements of the existence of supplier finance arrangements and explain the nature of arrangements, the carrying amount of liabilities and the range of payment due dates.

Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk.

(c) International Tax Reform – Pillar Two Model Rules – Amendments to Ind AS 12

The amendments provide a temporary relief from deferred tax accounting for top-up tax and disclose that they have applied the relief. This relief is immediate and applied retrospectively.

(d) Lack of Exchangeability – Amendments to Ind AS 21

The amended Ind AS 21 have added requirements to help entities to determine whether a currency is exchangeable into another currency, and the spot exchange rate to use where it is not.

The Company has reviewed the above amendments and based on its evaluation has determined that it does not have material impact on its standalone financial statements.

(iv) New standards or amendments not yet adopted**Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants – Amendments to Ind AS 1 -**

This amendment also includes specific provisions that will take effect for reporting periods beginning on or after 1 April 2026, as outlined below.

Under the existing Ind AS 1, where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

However, the amended requirements stipulate that entities will no longer be permitted to consider lender waivers that are granted after the reporting date but before the financial statements are approved for the purpose of classification of loans. This amendment is required to be applied retrospectively in accordance with Ind AS 8.

The Company does not expect this amendment to have material impact on its operations or standalone financial statements.

(v) Functional and presentation currency

The financial statements are presented in Indian Rupee (INR), which is also the functional currency of the Company, in denomination of lakhs with rounding off to two decimals as permitted by Schedule III to the Act except where otherwise indicated.

(vi) Presentation of financial statements

The Company presents its Balance Sheet in the order of liquidity.

The Company prepares and presents its Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity in the format prescribed by Division III of Schedule III to the Act. The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 'Statement of Cash Flows'.

(vii) Critical estimates and judgements

The preparation of financial statements requires the use of accounting estimates which, by definition, will likely differ from the actual results. Management also needs to exercise judgement in applying the group's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to final outcomes deviating from estimates and assumptions made. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements. In addition, this note also explains where there have been actual adjustments this year as a result of changes to previous estimates.

The areas involving critical estimates or judgements are:

- Impairment of financial instruments
- Recognition of deferred tax assets
- Fair value of share based payments
- Post employment benefits

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that might have a financial impact on the Company and that are believed to be reasonable under the circumstances.

3 Material Accounting Policies**3.1 Revenue from operations**

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured and there exists reasonable certainty of its recovery.

3.1.A Recognition of interest income

Interest income is recognized by applying the Effective Interest Rate (EIR) to the gross carrying amount of financial assets other than credit-impaired assets. The EIR in case of a financial asset is computed.

a. As the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset.

b. By considering all the contractual terms of the financial instrument in estimating the cash flows.

c. Including all fees received/ paid between parties to the contract that are an integral part of the effective interest rate, transaction costs, and all other premiums or discounts.

Any subsequent changes in the estimation of the future cash flows is recognized in interest income with the corresponding adjustment to the carrying amount of the assets.

Interest income on credit impaired assets is recognized by applying the effective interest rate to the net amortised cost (net of impairment allowance) of the financial asset.

Delayed payment interest (penal interest and the like) levied on customers for delay in repayments/non-payment of contractual cashflows is recognised on realisation.

3.1.B Recognition of interest income on securitised loans

The Company securitises certain pools of loan receivables in accordance with applicable RBI guidelines. The Company, being Originator of these loan receivables, also acts as Servicer with a responsibility of collection of receivables from its borrowers and depositing the same in Collection and Pay-out Account maintained by the Special Purpose Vehicle (SPV) Trust for making scheduled pay-outs to the investors in Pass Through Certificates (PTCs) issued by the SPV Trust. These securitisation transactions also requires the Company to provide for first loss credit enhancement in various forms, such as Excess Interest Spread (EIS), over collateral and cash collateral in the event of shortfall in collections from underlying loan contracts. By virtue of existence of credit enhancement, the Company is exposed to credit risk, being the expected losses that will be incurred on the transferred loan receivables to the extent of the credit enhancement provided.

In view of the above, the Company has retained substantially all the risks and rewards of ownership of the financial asset and thereby does not meet the de-recognition criteria as set out in Ind AS 109. Consideration received in this transaction is presented as "Liability against Securitised assets" and the loan receivables securitised are continued to be reflected as loan assets. These loan assets are carried at amortised cost and the interest income is recognised by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets.

In case of credit-impaired financial assets, the Company recognises interest income on the amortised cost net of impairment loss on financial assets at EIR.

If financial asset is no longer credit-impaired, the Company reverts to calculating interest income on a gross basis (amortised cost).

3.1.C Fee and commission income

The Company recognises:

- Servicing charges at point in time on completion of contracted service;
- Bounce charges and Penal charges at point in time on realisation from customer; and
- Income of loan foreclosure when it is probable to happen and the amount can be reasonably estimated.

Indian Rupees (₹) in lakhs

3.1.D Net Gain or Loss on Fair Value Changes

The gain/loss on mutual fund is recognised in the statement of profit and loss in net gain on fair value changes as and when units of mutual funds are sold. The unsold units of mutual funds are fair valued on reporting date and unrealised gain/loss is recognised in the statement of profit and loss in net gain on fair value changes.

3.2 Finance Cost

Finance costs include interest expense computed by applying the EIR on respective financial instruments measured at Amortised cost ("Financial liability"). Financial instruments include non-convertible debentures, term loans from banks/financial institutions and Liability against securitisation transactions. Finance costs are charged to the Statement of profit and loss.

The EIR in case of a financial liability is computed as below:

- a. As the rate that exactly discounts estimated future cash payments through the expected life of the financial liability to the gross carrying amount of the amortised cost of a financial liability.
- b. By considering all the contractual terms of the financial instrument in estimating the cash flows.
- c. Including all fees paid/ received between parties to the contract that are an integral part of the effective interest rate, transaction costs, and all other premiums or discounts.

3.3 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Recognition of financial instruments

All financial instruments are recognised on the date when the Company becomes party to the contractual provisions of the financial instruments with the exception of loans, debt securities and borrowings. Loans are recognised when funds are transferred to the customers' account. The Company recognises debt securities and borrowings when funds are received by the Company.

(i) Financial assets

Initial measurement

All financial assets are recognised initially at fair value adjusted for transaction costs and income that are directly attributable to the acquisition of the financial asset except for following:

- Investment in subsidiaries which are recorded at cost as permissible under Ind AS 27 'Separate Financial Statements'; and
- Financial assets measured at FVTPL wherein transaction cost is charged to the Statement of Profit and Loss; and
- Trade receivables that do not contain a significant financing component (as defined in Ind AS 115) which are recorded at transaction price.

Subsequent measurement

The Company classifies and measures all of its financial assets based on the business model for managing the assets and the asset's contractual terms, measured at either

- (a) Amortised Cost
- (b) Fair value through other comprehensive income ("FVOCI")
- (c) Fair value through profit and loss ("FVTPL")

The classification depends on the contractual terms of the cash flows of the financial assets ("SPPI"), the Company's business model for managing financial assets and, in case of equity instruments, the intention of the Company whether strategic or non-strategic. The said classification methodology is detailed below:-

Solely payments of principal and interest ("SPPI") assessment

The Company assesses the contractual terms of the financial assets to identify whether they meet the SPPI test. In making this assessment, the Company considers whether the contractual cash flows represent sole payments of principal and interest which means that whether the cash flows are consistent with a basic lending arrangement i.e. interest includes only consideration for the time value of money, credit risk, other basic lending risks and a profit margin that is consistent with a basic lending arrangement. Principle for the purpose of this test refers to the fair value of the financial asset at initial recognition.

Business model assessment

The Company determines its business model that best reflects how it manages groups of financial assets to achieve its business objective. The Company's business model is not assessed on an instrument-by-instrument basis, but at a higher level of aggregated portfolios.

(a) Financial assets at amortised cost

The Company measures its financial assets at amortised cost if both the following conditions are met:

- The asset is held within a business model of collecting contractual cash flows; and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

(b) Financial assets at FVOCI

The Company subsequently measures its financial assets as FVOCI, only if both of the following criteria are met:

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

(c) Financial assets at FVTPL

The Company operates a trading portfolio as a part of its treasury strategy and classifies its investments in mutual funds which are held for trading under FVTPL category. Interest and dividend incomes are recorded in the Statement of Profit and Loss. Gains and losses on changes in fair value are recognised on net basis through profit or loss.

Indian Rupees (₹) in lakhs

Derecognition of financial assets

The Company derecognizes a financial asset only when the contractual rights to the asset's cash flows expire (including expiry arising from a modification with substantially different terms), or when the financial asset and substantially all the risks and rewards of ownership of the asset are transferred to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognize the financial asset and, also recognizes a collateralized borrowing for the proceeds received.

Write-off

The Company reduces the gross carrying amount of a financial asset when the Company has no reasonable expectations of recovering a financial asset in its entirety or a portion thereof. This is generally the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subjected to write-offs. Any subsequent recoveries against such loans are credited to the statement of profit and loss.

Impairment of financial assets

Expected credit losses ("ECL") are recognised for applicable loans, other financial assets except those classified as FVTPL and equity instruments as per the Board approved policy.

The Company follows a staging methodology for ECL computation.

Financial assets where no significant increase in credit risk has been observed since inception are classified in 'stage 1' for which a 12 month ECL is recognised. Financial assets which have significant increase in credit risk since inception are considered to be in 'stage 2' and those which are in default or for which there is an objective evidence of impairment are considered to be in 'stage 3'. Life time ECL is recognised for stage 2 and stage 3 financial assets.

Stage 1 (12-month ECL) is provided basis the default events that are likely to occur in the next 12 months from the reporting date. Stage 2 and stage 3 (lifetime ECL) is provided for basis all possible default events likely to occur during the life of the financial instrument.

Financial assets are written off in full, when there is no realistic prospect of recovery. The Company may apply enforcement activities to certain qualifying financial assets written off.

Treatment of the different stages of financial assets and the methodology of determination of ECL**(a) Credit Impaired (stage 3)**

The Company recognises a financial asset to be credit impaired where, contractual payments of principal and/or interest are past due for more than 90 days.

Loan accounts where principal and/or interest are past due for more than 90 days along with all other loan accounts of that customer, continue to be classified as stage 3, till overdue across all loan accounts are cleared.

Staging is determined at the customer level rather than at the individual loan level. Where a customer holds multiple loans with the Company, the highest (worst) delinquency bucket across all loans is applied uniformly to every loan held by that customer for the purpose of stage classification.

Loans accounts where one time compromise settlement is offered to the customer to close their loan accounts with certain relaxation and waiver of charges/interest/principal are classified as stage 3.

(b) Significant increase in credit risk (stage 2)

The Company considers loan accounts which are overdue for more than 30 days but up to 90 days as on the reporting date as an indication of significant increase in credit risk. The default risk is assessed using PD (probability of default) derived from past behavioural trends of default across the identified homogenous portfolios. These past trends factor in the customer behavioural trends. The assessed PDs are then aligned considering future economic conditions that are determined to have a bearing on ECL.

In addition, certain exposures within the 0-30 DPD bucket which are identified, through a statistically driven segmentation framework, as belonging to high-risk segments of the portfolio, are classified as Stage 2. These segments are derived from historical analysis of forward-flow behaviour to 90+ DPD, and reflect a significant increase in credit risk even where current DPD remains within the Stage 1 threshold.

(c) Without significant increase in credit risk since initial recognition (stage 1)

ECL resulting from default events that are possible in the next 12 months are recognised for financial assets in stage 1. The Company has ascertained default possibilities on past behavioural trends witnessed for each homogenous portfolio using behavioural analysis and other performance indicators, determined statistically.

(d) Measurement of ECL

The Company calculates ECL based on discounted present value of probability weighted scenarios to measure the expected cash shortfall. Cash shortfall is the difference between the cash flows that are due to the Company in accordance with the contract and the cash flows that the Company expects to receive. It incorporates all information that is relevant including past events, current conditions and current profile of customers. Additionally, forecasts of future macro situations and economic conditions are considered as part of the ECL Model. Forward looking economic scenarios determined with reference to external forecasts of economic parameters that have demonstrated a high correlation to the performance of our portfolios over a period of time have been applied to determine impact of macro-economic factors. In addition, the estimation of ECL takes into account the time value of money.

The Company has calculated ECL using three main components: a probability of default (PD), a loss given default (LGD) and the exposure at default (EAD). ECL is calculated by multiplying the PD, LGD and EAD and adjusted for time value of money using Internal Rate of Return (IRR).

- Determination of PD is covered above for each stages of ECL.

- EAD represents the total amount outstanding including accrued interest as of reporting date, taking into account expected changes in the exposure after the reporting date, including repayments of principal and interest, whether scheduled by contract or otherwise.

- LGD represents expected losses on the EAD in the event of default, taking into account, among other attributes, the mitigating effect of collateral value at the time it is expected to be realised (if any) and the time value of money.

The Company recalibrates above components of its ECL model on a quarterly basis by using the available incremental and recent information, except where this information does not represent the future outcome. Further, the Company assesses changes to its statistical techniques for a granular estimation of ECL.

Indian Rupees (₹) in lakhs

Loan Against Property (LAP) portfolio:

For the secured LAP portfolio, given the limited internal default history, the Company has adopted a benchmark-based approach for TTC PD using publicly available data of a comparable housing finance company, with scaling factors developed using Experian data, and the asset correlation parameter adopted from Basel guidance applicable to other retail exposures. Conversion of TTC PD to PIT PD follows the same Vasicek framework, scenario construction, scenario weights and monthly marginal PD term structure as described above. For LGD, a collateral-based approach is applied: the property valuation at origination is adjusted for a 40% haircut to derive the eligible collateral value, with a Basel-prescribed LGD floor of 20% applied to the secured portion and a higher LGD rate applied to any uncollateralised (unsecured) portion. As the LAP portfolio matures and sufficient internal default data becomes available, the Company intends to transition to an internally developed ODR cohort-based TTC PD methodology consistent with the approach used for the unsecured personal loan portfolio.

Co-lending arrangements

For exposures originated under co-lending arrangements with partner institutions, ECL is computed on the Company's share of the exposure. Where a co-lending arrangement includes the loss to be provisioned by the Company on the partner's share of the book.

A more detailed description of the methodology used for ECL is covered in the 'credit risk' section of note no. 45.A

3.4 Investment in subsidiaries

The Company recognises investments in subsidiary at cost and are not adjusted to fair value at the end of each reporting period as allowed by Ind AS 27 'Separate Financial Statement'.

3.5 Share Based Payment transaction

The fair value of options granted under the Company's employee stock option plan is recognized as an employee benefit expense with a corresponding increase in other equity. The total amount expensed is determined by reference to the fair value of options granted, excluding the impact of any service vesting condition. The total expense is recognized over the vesting period (determined separately for each tranche), which is the period over which all the specified vesting conditions are to be satisfied. At the end of each period, the Company revises its estimates of the number of options expected to vest based on service conditions. The impact of any revisions to the original estimates is recognized in the statement of profit or loss, with corresponding adjustment in equity.

Group-based Plan

The company has granted rights to its own equity instruments to employees of its subsidiary, and the subsidiary does not settle the award, the subsidiary recognizes the fair value of the services received as an expense with a corresponding increase in equity as a capital contribution from the parent. The company records a corresponding increase in the investment in the subsidiary.

4 Other accounting policies**4.1 Property, Plant and Equipment**

Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses, if any. Cost includes all expenses, direct and indirect, specifically attributable to its acquisition and bringing it to its working condition for its intended use. Incidental expenditure pending allocation and attributable to the acquisition of fixed assets is allocated / capitalised with the related assets. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

Depreciation

Depreciation on property, plant and equipment has been provided on the straight line method over the life of the asset. All individual assets (other than furniture and fixtures and office equipment) valued less than INR 5,000 are depreciated in full in the year of acquisition. The useful life of the assets is as follows:

Asset class	Useful life adopted by the Company
Computers	3 years
Furniture and fixtures	10 years
Office equipments	5 years
Leasehold Improvements	5 years

Depreciation is calculated on a pro rata basis from the date on which the asset is available for use till the date the asset is sold or disposed off. The residual values, useful lives and method of depreciation are reviewed at the end of each financial year.

De-recognition

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in the statement of profit and loss when the asset is derecognized.

4.2 Fair value measurement

The Company measures financial instruments at fair value which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- in the principal market for the asset or liability, or
- in the absence of a principal market, in the most advantageous market for the asset or liability.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities;

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable; and

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. For assets and liabilities that are recognized in the balance sheet on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing measurement as a whole at the end of each reporting period, categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

4.3 Leases**As a lessee**

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the Company's incremental borrowing rate as on the date of lease commencement date.

Indian Rupees (₹) in lakhs

Identification of lease:

The determination of whether an arrangement is a lease, or contains a lease, is based on the substance of the arrangement and requires an assessment of whether the fulfilment of the arrangement is dependent on the use of a specific asset or assets or whether the arrangement conveys a right to use the asset.

Recognition of lease payments:

Rent expenses representing operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term, unless the increase is in line with expected general inflation, in which case lease payments are recognized based on contractual terms. Leases that do not transfer to the Company substantially all of the risks and benefits incidental to ownership of the leased items are operating leases.

Short-term leases and leases of low-value assets:

The Company has elected not to recognize right-of-use assets and lease liabilities for short-term leases of assets that have a lease term of 12 months or less and leases of low-value assets. The Company recognizes the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

4.4 Employee benefits

The Company provides employment benefits through various defined contribution and defined benefit plans. Employee benefits include Provident Fund, Gratuity and Bonus.

Defined contribution plans

A defined contribution plan is a plan under which the Company pays fixed contributions into an independent fund administered by the government. The Company has no legal or constructive obligations to pay further contributions after its payment of the fixed contribution, which are recognized as an expense in the year in which the related employee services are received.

Defined benefit plans

The defined benefit plans sponsored by the Company define the amount of the benefit that an employee will receive on completion of services by reference to length of service and last drawn salary. The legal obligation for any benefits remains with the Company.

Gratuity is a post-employment benefit and is in the nature of a defined benefit plan. The liability recognized in the financial statements in respect of gratuity is the present value of the defined benefit obligation at the reporting date, together with adjustments for unrecognized actuarial gains or losses and past service costs. The defined benefit obligation is calculated at or near the reporting date by an independent actuary using the projected unit credit method. Actuarial gains and losses arising from past experience and changes in actuarial assumptions are credited or charged to the statement of Other Comprehensive Income (OCI) in the year in which such gains or losses are determined.

Short-term employee benefits

Expense in respect of other short term benefits is recognized on the basis of the amount paid or payable for the period during which services are rendered by the employee.

4.5 Taxes - Current tax and Deferred tax

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period.

Current tax comprises amount of tax payable in respect to the taxable income or loss for the year determined in accordance with Income Tax Act, 1961 and any adjustment to tax payable or receivable in respect of prior years.

Current tax assets and liabilities for the current and prior years are measured at the amount expected to be recovered from, or paid to, the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted, or substantively enacted, by the reporting date where the Company operates and generates taxable income.

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts and is intended to realise the asset and settle the liability on a net basis or simultaneously. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax is recognised using the Balance Sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences and deferred tax assets are recognised for deductible temporary differences to the extent that it is probable that taxable profits will be available against which the deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets, if any, are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised either in other comprehensive income or in other equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Indian Rupees (₹) in lakhs

4.6 Other expense

Expenses are recognised on accrual basis inclusive of goods and services tax for which input credit is not statutorily permitted.

4.7 Earnings per equity share

Basic earnings per equity share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. To calculate diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

4.8 Impairment of non-financial assets

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired due to events or changes in circumstances indicating that their carrying amounts may not be realized. If any such indication exists, the Group estimates the recoverable amount of the asset or the cash generating unit ('CGU'). If such a recoverable amount of the asset or the recoverable amount of the CGU to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. Recoverable amount is determined:

- a. in the case of an individual asset, at the higher of the fair value less costs of disposal and the value-in-use; and
- b. in the case of a cash generating unit (the smallest identifiable group of assets that generates independent cash flows), at the higher of the cash generating unit's fair value less costs of disposal and the value-in-use.

The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the revised recoverable amount, subject to maximum of the depreciated historical cost.

4.9 Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

4.10 Dividend

Proposed dividends and interim dividends payable to the shareholders are recognized as changes in equity in the period in which they are approved by the shareholder's meeting and the Board of Directors respectively.

4.11 Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM) of the Company. The company is engaged in single business segment viz lending business and operates only in India.

4.12 Trade Payable

Trade payables represent liabilities for goods and services provided to the company prior to the end of the reporting period remaining unpaid. These amounts are unsecured and are usually paid in accordance with the payment terms agreed with vendors.

4.13 Provisions and contingent liabilities

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. The Company also discloses present obligations for which a reliable estimate cannot be made as a contingent liability. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

5 Other Income

All other income is recognized on accrual basis when no significant uncertainty exists on their receipt.

* Includes Non convertible debentures held by related parties (Refer note - 48)

The Company had issued Optionally Convertible Debentures ("OCDs") with a face value of INR 10,000 per debenture. The OCDs bear interest at 13% per annum up to February 28, 2024 and 16% per annum thereafter, computed on a 365-day basis. The Company had agreed with the holders that the OCDs will be repaid along with interest accrued thereon.

22A(ii) Rights, preferences and restrictions attaching to equity shares

The Company has only one class of equity shares having a par value of Rs. 1 per share. Each holder of equity shares is entitled to one vote per share. The interim dividend declared (if any) by the Board of Directors and the final dividend proposed by the Board of Directors and approved by the shareholders in the annual general meeting is paid in Indian rupees. In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

These shares are not repayable during the lifetime of the Company, except in cases of buy-back, capital reorganization, etc., under the Companies Act. In the event of liquidation, the equity shareholders are entitled to receive the remaining assets of the Company, after distribution of all preferential amounts, in proportion to their shareholding.

22A(iii) Shareholder holding more than 5% of equity shares as at the end of the reporting year:

Series A and A1 CCPS were initially classified as financial liabilities due to a contractual repurchase obligation under the Shareholders Agreement (SHA). Pursuant to an amendment to the SHA dated October 01, 2024, the said obligation was extinguished, and accordingly, Series A and A1 CCPS have been reclassified from financial liabilities to equity with effect from that date.

22B (b) Rights, preferences and restrictions attaching to Compulsorily Convertible Preference Shares ("CCPS")

The Company has issued the following series of Compulsorily Convertible Preference Shares: Series A CCPS, Series A1 CCPS, Series B CCPS, Series B2 CCPS and Pre-Series C CCPS (collectively, "CCPS"). The material rights common to all series, and the rights specific to each series, are described below.

Rights common to all series of CCPS

Voting: Holders of all series of CCPS are entitled to voting rights on an as-converted basis, i.e., as if the CCPS had been converted into equity shares at the applicable conversion ratio on the record date, proportionate to the amount paid-up on each share.

Dividend: All series of CCPS carry a cumulative coupon rate of 0.01% per annum on fully paid up shares.

Liquidation preference: In the event of a liquidation, winding-up or other liquidity event, holders of all series of CCPS, upon the shares being fully paid-up, are entitled to receive, in priority to equity shareholders and other security holders, the higher of: (i) the total amount invested, including premium paid, plus all accrued but unpaid dividends; or (ii) a pro-rata share of the liquidation proceeds on an as-if-converted, fully diluted basis. If the liquidation proceeds are insufficient to pay the full entitlement, the available proceeds are distributed amongst the CCPS holders in proportion to their respective investment amounts. Any residual proceeds after satisfaction of CCPS holders are distributed amongst the equity shareholders and promoters in proportion to their shareholding on an as-if-converted basis.

Post-conversion ranking: Equity shares issued upon conversion of any series of CCPS shall rank pari passu with all other equity shares of the Company.

22B (c) Series-specific terms**Series A CCPS:**

Conversion terms: Each Series A CCPS shall mandatorily convert into one equity share upon expiry of 20 (twenty) years from the date of issuance. Prior to such mandatory conversion, conversion shall occur upon the earlier of: (i) prior to a Qualified IPO; (ii) at the option of the holder upon occurrence of a Liquidation Event; (iii) at the option of the holder upon occurrence of an Event of Default; or (iv) at any time at the holder's discretion. Additionally, if mandated by applicable law, the Series A CCPS shall automatically convert into equity shares prior to listing of the Company's shares on any stock exchange.

Series A1 CCPS and Series B CCPS:

Conversion terms: Each Series A1 CCPS and Series B CCPS shall mandatorily convert into one equity share on a 1:1 basis upon expiry of 19 (nineteen) years from the date of issuance. Prior to such mandatory conversion, conversion shall occur upon the earlier of: (i) at the option of the holder at any time, by providing written notice to the Company; or (ii) automatically, if mandated by applicable law, prior to listing of the Company's shares on any stock exchange.

Pre-Series C CCPS:

Conversion terms: Each Pre-Series C CCPS shall mandatorily convert into equity shares on a 1:1 basis, on the earlier of: (i) immediately prior to listing of the Company's shares on any stock exchange; or (ii) 30 July 2045. Prior to such mandatory conversion, the holder may at any time at its sole option require the Company to convert the Pre-Series C CCPS into equity shares by issuing a written notice to the Company.

Series B2 CCPS:

Conversion terms: Series B2 CCPS are issued as partly-paid shares with a face value of ₹ 10 per share, against which ₹ 1 per share is paid on issuance and the balance consideration is callable by the Company. Each Series B2 CCPS shall, subject to being fully paid-up, mandatorily convert into 0.91 equity shares on the day following the completion of 19 (nineteen) years from the date of issuance. Prior to such mandatory conversion, conversion shall occur upon the earlier of: (i) at the election of the holder at any time; or (ii) on the latest permissible date prior to the issue of securities to the public in connection with an IPO under applicable law. The conversion ratio is subject to proportionate adjustment for any capital reorganisation including stock splits, sub-division, consolidation, bonus issuances and rights issuances.

Indian Rupees (₹) in lakhs

Nature and purpose of reserves

a) Statutory reserve pursuant to Section 45-IC of the RBI Act, 1934

Statutory reserve represents the reserve created as per section 45IC of the RBI Act, 1934, pursuant to which a Non-banking financial company shall create a reserve fund and transfer therein a sum not less than twenty percent of its net profit annually as disclosed in the statement of profit and loss, before any dividend is declared.

b) Capital reserve

It represents application money received from subscriber of warrants which has lapsed subsequently.

c) Equity component of debt instrument

During the financial year 2024-25 & 2025-26, the Company issued Non-Convertible Debentures (NCDs) along with partly paid-up CCPS shares. The transaction initially included a variable conversion ratio. Subsequently, these terms were amended to fixed conversion ratio.

d) Securities premium

The amount received in excess of face value of the shares is recognised in securities premium. The reserve can be utilised only in accordance with the provisions of the Companies Act, 2013.

e) Money received against share warrants

Money received against share warrants represents the consideration received against share warrants issued by the Company, pending allotment of the underlying shares.

f) Share based payments reserve

The fair value of the equity-settled share based payment transactions with employees is recognised in statement of profit and loss with corresponding credit to Employee share based payments reserve. The amount of cost recognised transferred to equity share capital and security premium on exercise of the related stock options.

g) Retained earnings

Retained earnings are the profits that the Company has earned till date, less any transfers to statutory reserve and dividend distributed to shareholders.

32. Earning per Share

PARTICULARS	FOR THE YEAR ENDED	
	MARCH 31, 2026	MARCH 31, 2025
A. Basic Earnings per Share		
a) Profit after tax attributable to equity shareholders	3,543.98	(168.27)
b) Weighted average number of equity shares outstanding during the year (No.s)	30,47,617	19,09,784
c) Nominal value of equity shares (₹)	1.00	1.00
d) Basic earnings per share (EPS) (₹)	116.29	(8.81)
B. Diluted Earnings per Share		
a) Profit after tax attributable to equity shareholders for diluted EPS	3,543.98	(168.27)
b) Weighted average number of equity shares for calculating diluted EPS (No.s)	30,71,209	21,79,913
c) Nominal value of equity shares (₹)	1.00	1.00
d) Diluted earnings per share (EPS) (₹)	115.39	(8.81)

Potentially issuable equity shares, on account of share options issued to employees and CCPS in the nature of borrowings, that could potentially dilute basic earnings per share, are not included in the calculation of diluted earnings per share if they are anti-dilutive for the period presented. For the year ended March 31, 2025, since the Company has incurred a loss, such potential equity shares are anti-dilutive and have accordingly not been considered in computing diluted earnings per share. Consequently, diluted earnings per share has been restricted to basic earnings per share.

Total	155.76	103.63	(1.79)	257.60

The tax impact for the above purpose has been arrived at by applying the tax rate of 25.168% (March 31, 2025: 25.168%) being the prevailing tax rate/ substantially enacted rate for Indian Companies under the Income Tax Act, 1961 as at the Balance Sheet date.

Indian Rupees (₹) in lakhs

39. Employee benefits - Disclosure pursuant to Ind AS 19 'Employee Benefits'**39.A Defined contribution plans**

The Company makes contributions to Provident Fund. The contributions payable under this scheme by the Company are at rates specified in the rules of the scheme to a registered fund. The Company has no further obligation towards the scheme beyond the aforesaid contributions. The Company has recognised the following amounts in the Statement of Profit and Loss:

	FOR THE YEAR ENDED	
	MARCH 31, 2026	MARCH 31, 2025
i) Employer's contribution to provident fund	39.88	3.24

39.B Defined benefit plan

With the introduction of the Code on Social Security, 2020 w.e.f. November 21, 2025, the Payment of Gratuity Act, 1972 is repealed. While the Act has been repealed, its core provisions have been incorporated into the new Code. The new code has also defined the eligibility of fixed-term employees for gratuity after completion of one year of service and introduced new definition of 'wages'.

The Company has a gratuity plan for its employee's and gratuity benefit applicable to the employees of the Company is computed on the basis of wages capped at 20 lakh. Employees, other than fixed-term employees, who are in continuous service for a period of 5 years; and fixed-term employees who are in continuous service for a period of one year, are eligible for gratuity. The amount of gratuity payable on retirement/ termination is the employee's last drawn basic wages per month computed proportionately for 15 days multiplied by the number of years of service. The liability of Gratuity is recognised on the basis of actuarial valuation. The Defined Benefit Plan of company is unfunded. Actuarial liability is computed using Projected Unit Credit Method.

The new Labour Codes introduced by the Government of India, inter alia, require gratuity to be calculated based on wages constituting at least 50% of total remuneration. This has resulted in an increase in gratuity benefits in respect of services rendered in prior periods, and accordingly, the Company has recognised past service cost amounting to INR 5.55 lakhs during the year. In accordance with Ind AS 19, the past service cost has been recognised in the statement of profit and loss in the current year in which the plan amendment became effective.

a) Principal assumptions used for the actuarial valuations are as follows:

	FOR THE YEAR ENDED	
	MARCH 31, 2026	MARCH 31, 2025
Discount Rate	7.50 % p.a.	6.73 % p.a.
Salary Escalation	10.00 % p.a.	15.00 % p.a.
Attrition Rate	25.00% (Attrition rate for all service group)	30.00% (Attrition rate for all service group)
Mortality Table	Indian Assured Lives Mortality 2012-14 (Urban)	

b) The following table sets out the status of the Defined Benefit Gratuity Plan as per the actuarial valuation by the independent Actuary appointed by the Company:-

Change in present value of defined benefit obligations:

	AS AT	
	MARCH 31, 2026	MARCH 31, 2025
Defined benefit obligation, beginning of the year	35.52	1.09
Current service cost	17.04	8.61
Past service cost	5.55	-
Interest cost	2.39	0.08
Remeasurements (gains) / losses	-	-
Actuarial (gains) / losses :		
arising from changes in demographic assumptions	1.53	(6.35)
arising from changes in financial assumptions	(9.68)	2.07
arising from changes in experience adjustments	(12.32)	(2.85)

f) Sensitivity analysis**FOR THE YEAR ENDED MARCH 31,**

Sensitivity level	MARCH 31, 2026 1% INCREASE	MARCH 31, 2025 1% INCREASE	MARCH 31, 2026 1% DECREASE	MARCH 31, 2025 1% DECREASE
Impact on defined benefit obligation				
i) Discount rate	(2.64)	(1.88)	2.95	2.09
ii) Salary Escalation	1.67	0.73	(1.52)	(0.71)
iii) Attrition Rate	(0.59)	(0.59)	0.61	0.66

Note :

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the Balance Sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

Indian Rupees (₹) in lakhs

40. Leases

A. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

B. Company as a lessee

The Company's lease asset classes primarily consist of leases for premises. The Company assesses whether a contract contains a lease, at inception of a contract. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

C. The details of Right-of -use Asset of the company are as follows:

b. Interest on lease liabilities	12.80	0.92
Total	39.44	5.67

G. The total cash outflow for leases for the year ended March 31, 2026 was ₹ 42.07 lakhs (March 31, 2025: ₹ 5.10 lakhs).

Notes:

The entity has adequate liquidity for payment of lease liabilities. The Company regularly monitor and pays lease rentals on timely manner as per the terms of respective lease agreement.

The Company has right to extend lease term as per mutually agreed terms laid down in respective lease agreement. The Company takes into account effect of extended lease term while recording the lease assets and lease liabilities accordingly.

Notes to the standalone financial statements as at and for the year ended March 31, 2026

42. Capital Management

The Company's capital management is intended to create value for shareholders by facilitating the meeting of long-term and short-term goals of the Company. The Company determines the amount of capital required on the basis of annual operating plans and other strategic investment plans. The funding requirements if any will be met through bank borrowings and equity if the need arise.

The primary objectives of the Company's capital management are to ensure that the Company complies with externally imposed capital requirements and maintains strong credit ratings and healthy capital ratios in order to support its business and to maximise shareholders value. The Company manages its capital structure and makes adjustments to it according to changes in economic conditions and the risk characteristics of its activities. Capital Management, objectives and processes are under constant review by the Board.

For details of Capital to Risk Assets Ratio (CRAR) refer Note no. - 51.03

The Company's capital raising policy is aligned to macro economic situation and incidental risk factors. The Company's cashflows are regularly monitored in sync with annual operating plans and long-term and other strategic investment plans. The operational funding requirements are met through debt and operating cash flows generated. The company believes this approach would create shareholder value in long run. Also, the company has adopted a conservative approach for ALM management with primacy to adequate liquidity. At present a large portion of the company's resource base is equity.

The Company maintains its capital structure in line with economic conditions and the risk characteristics of its activities and the board reviews the capital position on a regular basis.

Gearing ratio :

The gearing ratio at each date were as follows :

PARTICULARS	AS AT MARCH 31, 2026	AS AT MARCH 31, 2025	AS AT APRIL 01, 2024
a. Debt (I)*	78,506.06	24,956.18	11,263.12
b. Cash and bank balances (II) #	16,645.54	8,635.76	4,849.42
c. Net debt (I - II)	61,860.52	16,320.42	6,413.70
d. Total equity	57,114.95	27,251.42	141.34
e. Net debt to equity ratio	1.08	0.60	45.38 **

* Debt includes debt securities, borrowings and lease liabilities.

Cash and bank balance comprises of cash and cash equivalents and bank balances net of lien marked fixed deposits.

** Net debt to equity ratio on the transition date reflects the classification of Series A CCPS and Series A1 CCPS as debt in accordance with Ind AS 32. Following a subsequent amendment to its contractual terms, this instrument was reclassified as equity, significantly reducing the leverage profile in the subsequent periods.

43. Change in liabilities arising from financing activities

PARTICULARS	AS AT APRIL 01, 2025	CASH FLOWS		OTHER -NON CASH*	AS AT MARCH 31, 2026
		PROCEEDS	REPAYMENT

*includes the effect of amortisation of borrowing cost and interest accrued on borrowings.

^ Movement in other - non cash is due to change in classification from debt to equity.

44. Fair value measurements

The fair value of a financial instrument on initial recognition is normally the transaction price (fair value of the consideration given or received). Subsequent to initial recognition, the Company determines the fair value of financial instruments that are quoted in active markets using the quoted bid prices (financial assets held) or quoted ask prices (financial liabilities held) and using valuation techniques for other instruments. Valuation techniques include discounted cash flow method, market comparable method, recent transactions happened in the Company and other valuation models.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions, regardless of whether that price is directly observable or estimated using a valuation technique.

Ind AS 107, 'Financial Instrument - Disclosure' requires classification of the valuation method of financial instruments measured at fair value in the balance Sheet, using a three level fair-value-hierarchy (which reflects the significance of inputs used in the measurements). The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair-value-hierarchy under Ind AS 107 are described below:

44.B Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

44.B.1 Financial assets and liabilities measured at fair value - recurring fair value measurements

AS AT MARCH 31, 2026	CARRYING AMOUNT	LEVEL 1	FAIR VALUE LEVEL 2	LEVEL 3	TOTAL
Financial assets					
Financial Investments at FVTPL					
Mutual funds	-	-	-	-	-
Total financial assets	-	-	-	-	-

AS AT MARCH 31, 2025	CARRYING AMOUNT	LEVEL 1	FAIR VALUE LEVEL 2	LEVEL 3	TOTAL
Financial assets					
Financial Investments at FVTPL					
Mutual funds	18.11	18.11	-	-	18.11
Total financial assets	18.11	18.11	-	-	18.11

AS AT APRIL 01, 2024	CARRYING AMOUNT	LEVEL 1	FAIR VALUE LEVEL 2	LEVEL 3	TOTAL
Financial assets					
Financial Investments at FVTPL					
Mutual funds	-	-	-	-	-
Total financial assets	-	-	-	-	-

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

Short-term financial assets and liabilities: For financial assets and financial liabilities that have a short-term maturity (less than twelve months), the carrying amounts, which are net of impairment, are a reasonable approximation of their fair value. Such instruments include cash and cash equivalents, balances other than cash and cash equivalents, trade receivables, other financial assets, trade payables and other financial liabilities without a specific maturity.

Indian Rupees (₹) in lakhs

45. Risk Disclosures

The Company is an RBI-registered Non-Banking Financial Company. During the current financial year, it crossed the prescribed thresholds and transitioned to the Middle Layer (NBFC-ML) classification. Through its business, the Company is exposed to credit, liquidity, and market risks. It operates under a robust, Board-approved financial risk management framework to identify, evaluate, and mitigate these risks across its financial assets and liabilities. Senior Management monitors this framework, setting strict risk limits and continually assessing market conditions. This note outlines the Company's risk exposures, management strategies, and their financial statement impact.

RISK	EXPOSURE ARISING FROM	MEASUREMENT	RISK MANAGEMENT
a Credit risk - is the risk that the Company will incur a loss because its customers or counterparties fail to discharge their contractual obligations.	Loans and Investments	Measured as the potential loss from customer or counterparty defaults. Credit risk is assessed using leading indicators like installment default rates, overdue positions, credit bureau data, and Stage 2/Stage 3 asset proportions.	The Company manages and controls credit risk by setting limits on the amount of risk it is willing to accept for individual counterparties.
b Liquidity risk - is the risk arises from mismatches in the timing of cash flows and inability to raise incremental borrowings.	Financial liabilities	Measured by identifying gaps in structural and dynamic liquidity. It assesses incremental borrowings required to service repayment obligations, considering the Company's business plan and prevailing market conditions.	Liquidity risk is managed by the Company's treasury team under liquidity risk management framework through various means like liquidity buffers, sourcing of long-term funds, positive asset liability mismatch, keeping strong pipeline of sanctions from banks to counter extreme liquidity situation under the guidance of Board
c Market risk: interest rate this risk arises from fluctuation in the fair value of future cashflows due to changes in market variables such as interest rates.	Investments, borrowings, debt securities	Measured by tracking price changes and evaluating asset-liability repricing mismatches to determine portfolio movements.	Managed through the continuous monitoring and review of the cost of funds and strategic pricing of disbursements.

45.A Credit risk

Credit risk is the risk that the Company will incur a loss because its customers or counterparties fail to discharge their contractual obligations. The Company manages and controls credit risk by setting limits on the amount of risk it is willing to accept for individual counterparties.

A. Loans

The Company's primary strategy is focused on lending to retail customers and therefore credit risk is the principal risk associated with the business. The Company continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls.

B. Investments

The Company invests in mutual funds and other short-term instruments. Credit risk on such investments is mitigated as the Company monitors the credit ratings and reputation of the fund houses and limits its exposure to highly rated and regulated investment vehicles.

Indian Rupees (₹) in lakhs

45. Risk Disclosures

45.A.1 Risk Identification

Credit risk for the Company primarily originates from its retail lending operations, categorized into unsecured and secured loan portfolios, through:

Credit Assessment Caps: Inaccuracies in evaluating a borrower's creditworthiness: repayment capacity, or leverage levels.

Adverse Selection: Onboarding high-risk customer segments or borrowers who have over-extended their borrowing capacity.

Concentration Risk: Over-exposure of the loan portfolio within specific geographies, sourcing channels, or customer segments.

Collateral Volatility: For secured loans, a deterioration in the underlying property value or legal defects affecting asset recovery.

Macroeconomic Shifts: Economic downturns or inflation that directly compress borrower disposable income, impacting timely EMI servicing.

45.A.2 Risk Assessment and Measurement

The Company assesses and manages credit risk based on characteristics of underlying financial instruments.

45.A.3 Risk Monitoring

Risk monitoring and follow-up are central to the risk management framework, executed across all levels of the organization based on established limits. The Company actively categorizes borrowers into risk buckets to identify potential stress early and implement corrective actions. Performance indicators are tracked continuously across both loan origination and post-disbursal flows to highlight areas requiring deeper diagnostic reviews and proactive

The underlying risk monitoring metrics track performance across each stage of the loan life cycle:

Credit Origination & Sanction: Underwriting attributes are evaluated at entry, including customer type (fresh/repeat), bureau scores, income, Fixed Obligation to Income Ratio (FOIR), geography, KYC pendencies, and early fraud-related delinquencies.

Credit Monitoring: Potential losses from overdue accounts are assessed by tracking D0 bounce rates, portfolio-level 30+/90+ days past due (DPD) stress, and asset write-offs.

Static Pool Analysis: Early risk metrics, such as First EMI (FEMI) defaults and month-on-month vintage charts, are utilized to compare the performance of loan cohorts generated across different time periods.

Collection and Recovery: Overall collection efficiency is monitored alongside roll-forward and roll-backward rates.

45.A.4 Risk Mitigation

Risk mitigation involves reducing credit exposures and minimizing the likelihood of default. Given our product mix and life-cycle monitoring, specific measures are integrated across our portfolios:

Loan Origination & Underwriting: Risk is mitigated at entry through multi-layered checks, including profile and income selection, document verification, KYC compliance, bureau score evaluations.

Loan Disbursement: Credit is disbursed exclusively into verified bank accounts of the borrowers.

Loan Collection and Recovery: Repayments are tracked using a disciplined, stage-wise collection framework.

Surplus Fund Management: To ensure capital preservation, temporary surplus funds are placed only in low-risk, highly liquid short-term instruments approved by the Investment and Borrowing Committee.

Indian Rupees (₹) in lakhs

45. Risk Disclosures

45.A.5 Impairment assessment

Classification of financial assets under various stages

The Company classifies its financial assets in three stages having the following characteristics:

- Stage 1: which are not credit impaired as on date and without significant increase in credit risk since initial recognition on which a 12-month allowance for ECL is recognised;
- Stage 2: a significant increase in credit risk since initial recognition on which a lifetime ECL is recognised; and
- Stage 3: objective evidence of impairment and therefore considered to be in default or otherwise credit impaired on which a lifetime ECL is recognised.

Treatment and classification methodology of different stages of financial assets is detailed in note no. 3.3 (i).

Computation of impairment on financial instruments

The Company calculates impairment on financial instruments as per ECL approach prescribed under Ind AS 109 'Financial Instruments'. ECL uses three main components: PD (probability of default), LGD (loss given default) and EAD (exposure at default) along with an adjustment considering forward macroeconomic conditions. For further details of computation of ECL please refer to material accounting policies note no 3.3 (i).

The Company recalibrates components of its ECL model periodically by; (1) using the available incremental and recent information, except where such information does not represent the future outcome, and (2) assessing changes to its statistical techniques for a granular estimation of ECL.

Measurement of ECL

Expected Credit Loss or ECL is measured in the following manner.

The Company calculates ECL based on probability-weighted scenarios to measure the expected cash shortfalls, discounted at an approximation to the EIR. A cash shortfall is the difference between the cash flows that are due to the Company in accordance with the contract and the cash flows that the Company expects to receive.

$ECL = PD \times LGD \times EAD$

Each item is defined as follows: -

ECL - Expected credit loss

Present value of difference between contractual cash flows and actual cash flows expected to be received over a given time horizon.

PD - Probability of default

The Probability of default is an estimate of the likelihood of default over a given time horizon.

LGD - Loss given default

The Loss Given Default is an estimate of the loss arising in the case where a default occurs at a given time. It is based on the difference between the contractual cash flows due and those that the Company would expect to receive, including from the realisation of any collateral. It is usually expressed as a percentage of the EAD.

EAD- Exposure at default

EAD represents the expected balance at default, taking into account the repayment of the principal and interest from the balance sheet date to the date of default.

ECL provisions for the LAP portfolio, which was newly launched in FY26, have been estimated based on external market benchmarks in the absence of historical internal data.

45.A.8 Analysis of risk concentration - Refer Note 51.17**45.A.9 Collateral and other credit enhancements**

The Company holds collateral and other credit enhancements against certain of its credit exposures. The secured loans are collateralized against equitable mortgage of property.

Management monitors the market value of collateral and will request additional collateral in accordance with the underlying agreement. In case of defaults by customers, where the Company is unable to recover the dues, the Company through a legal process enforces the security and recovers the dues.

45.B Liquidity risk and funding management

Liquidity risk is defined as the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk arises because of the possibility that the Company might be unable to meet its payment obligations when they fall due as a result of mismatches in the timing of the cash flows under both normal and stress circumstances. Such scenarios could occur when funding needed for illiquid asset positions is not available to the Company on acceptable terms. To limit this risk, management has arranged for diversified funding sources and adopted a policy of managing assets by monitoring future cash flows and liquidity on a daily basis.

Liquidity risk is managed in accordance with our Asset Liability Management Policy. This policy is framed as per the current regulatory guidelines and is approved by the Board of Directors. The Asset Liability Management Policy is reviewed periodically to incorporate changes as required by regulatory stipulation or to realign the policy with changes in the economic landscape. The Asset Liability Committee (ALCO) of the Company formulates and reviews strategies and provides guidance for management of liquidity risk within the framework laid out in the Asset Liability Management Policy.

45.C Market Risk

Market risk is the risk that the fair value or future cash flows of financial instruments will fluctuate due to changes in market factors, such as interest rates. The Company's objective is to manage this volatility to protect earnings and equity.

(1) Interest rate risk

Interest rate risk is the risk that market rate changes will affect the Company's cash flows or financial position. The Company's primary exposure arises from fixed-rate lending funded by bank and financial institution borrowings at floating rates. To assess this risk, exposure is evaluated via interest rate sensitivity gap analysis and Earnings at Risk. The Company regularly monitors financing markets to adjust its borrowing strategies, thereby maintaining optimal maturity profiles and minimizing financing costs.

The following table demonstrates the sensitivity to a reasonably possible change in interest rates (all other variables being considered as constant) of the Company's statement of profit and loss.

45.C.1 FY 2025-26

Financial instruments type	Increase / (decrease) in basis points (bps)	Sensitivity of profit or (loss)
Borrowings	50 bps Up	(130.17)
	100 bps Up	(260.34)
	50 bps Down	130.17
	100 bps Down	260.34

Indian Rupees (₹) in lakhs

45.C.2 FY 2024-25

Financial instruments type	Increase / (decrease) in basis points (bps)	Sensitivity of profit or loss	
Borrowings	50 bps Up		(51.63)
	100 bps Up	Impact on profit before tax	(103.26)
	50 bps Down		51.63
	100 bps Down		103.26

Fairvalue sensitivity analysis for fixed-rate instruments:

The company does not account for any fixed-rate financial asset and liabilities at fairvalue through profit or loss. Therefore a change in interest rates at the reporting period would not affect profit or loss.

45.D Operational risk

Operational risk is the risk of loss arising from systems failure, human error, fraud or external events. When controls fail to operate effectively, operational risks can cause damage to reputation, have legal or regulatory implications, or lead to financial loss. The Company cannot expect to eliminate all operational risks, but it endeavors to manage these risks through a control framework and by monitoring and responding to potential risks. Controls include maker-checker controls, effective segregation of duties, access, authorisation and reconciliation procedures, staff education and assessment processes, such as the use of internal audit.

46. Loans - Overdue greater than 90 days

	As at		
	March 31, 2026	MARCH 31, 2025	APRIL 01, 2024

b) Principal outstanding	1,341.71	437.33	57.52
c) Total outstanding	1,861.73	558.46	68.73

47. Transferred financial assets that are not derecognised in their entirety

The Company has transferred certain pools of fixed rate loan receivables by entering in to securitisation transactions with the Special Purpose Vehicle Trusts ("SPV Trust") for consideration received in cash at the inception of the transaction.

The Company, being Originator of these loan receivables, also acts as Servicer with a responsibility of collection of receivables from its borrowers and depositing the same in Collection and Pay-out Account maintained by the SPV Trust for making scheduled pay-outs to the investors in Pass Through Certificates (PTCs) issued by the SPV Trust. These securitisation transactions also requires the Company to provide for first loss credit enhancement in various forms, such as, Excess Interest Spread, Over collateral and cash collateral as credit support in the event of shortfall in collections from underlying loan contracts. By virtue of existence of credit enhancement, the Company is exposed to credit risk, being the expected losses that will be incurred on the transferred loan receivables to the extent of the credit enhancement provided.

The following table provide a summary of financial assets that have been transferred in such a way that part or all of the transferred financial assets do not qualify for de-recognition, together with the associated liabilities:

The value of Financial assets and liabilities

49. Share Based Payments**49.A Employee Stock Option**

On March 30, 2024, the board of directors approved the Finnable Stock Option Plan 2024 ("ESOP 2024") for issue of stock options to the eligible employees of the Company and the subsidiary company. According to the ESOP 2024, selected employees from time to time will be entitled to options as per the Letter of Grant, subject to satisfaction of the prescribed vesting conditions. The other relevant terms are as below:

The details for stock options granted and lapsed during the year, pursuant to the ESOP 2024, has been provided below. The share based payment cost is computed under the fair value method and has been recognised over the vesting period up to 31 March 2026.

The activity of the ESOP 2024 is summarised below:

Particulars	FOR THE YEAR ENDED MARCH 31, 2026		FOR THE YEAR ENDED MARCH 31, 2025	
	No. of options	Weighted Average Exercise Price (₹)	No. of options	Weighted Average Exercise Price (₹)
Employees of the Company				
Options outstanding at the beginning of the year	-	-	-	-
Granted during the year	9,916	3,291	-	-
Lapsed during the year	-	-	-	-
Transferred during the year	17,350	380	-	-
Options outstanding at the end of the year	27,266	1,446	-	-
Employees of the Subsidiary Company				
Options outstanding at the beginning of the year	40,260	1,356	-	-
Granted during the year	20,150	3,291	40,260	1,356
Lapsed during the year	(2,160)	3,279	-	-
Transferred during the year	(17,350)	380	-	-
Options outstanding at the end of the year	40,900	2,621	40,260	1,356
Options outstanding at the end of the year	68,166	2,151	40,260	1,356
Particulars	FOR THE YEAR ENDED MARCH 31,			
	2026		2025	
The weighted average fair value of the new ESOPs granted during the year	1,142.91		1,927.34	

Fair value methodology

The fair value of ESOP are measured using Black-scholes-merton formula. Measurement input includes share price on measurement date, exercise date of the instrument, exercise price, expected life, risk free interest rate, expected dividend yield, expected volatility.

The following table summarizes the assumptions used in calculating the grant date fair value.

Particulars	AS AT MARCH 31, 2026		AS AT MARCH 31, 2025	
Expected life of the options	10 to 15 years		10 to 15 years	
Expected volatility	54%		57%	
Expected dividend yield	0%		0%	
Risk-free interest rate	6.27%		7.07%	

49.B Other Share based Payments

The Company has granted equity instruments to certain Key Managerial Personnel of the Company and its subsidiary company. The instruments are fully vested and exercisable as at the reporting date. As at year end, 1,59,869 equity instruments are outstanding. The fair value at grant date has been determined using the Black-Scholes valuation model. The key inputs used in the model include the fair value of the underlying equity shares of ₹2,954, expected volatility of 34.58%, risk-free interest rate of 5.71% and an expected option life of 2 years.

^ Other short term liabilities include all the liabilities maturing within next 12 months

51.34.f Institutional set-up for liquidity risk management Board of Directors:

The Board has the overall responsibility for management of liquidity risk. The Board shall decide the strategy, policies and procedures to manage liquidity risk in accordance with the liquidity risk tolerance/limits decided by it from time to time. The Board of Directors approves the constitution of the Risk Management Committee (RMC) for the effective supervision and management of various aspects including liquidity risks faced by the company. The meetings of RMC are held quarterly.

The Board of Directors also approves the constitution of the Asset Liability Committee (ALCO), consisting of the NBFC's top management shall be responsible for ensuring adherence to the risk tolerance/limits set by the Board as well as implementing the liquidity risk management strategy of the NBFC. The role of the ALCO with respect to liquidity risk include, inter alia, decision on desired maturity profile and mix of incremental assets and liabilities, sale of assets as a source of funding, the structure, responsibilities and controls for managing liquidity risk, and overseeing the liquidity positions of the Company.

ALCO meetings are held once in a quarter or more frequently as warranted from time to time. The minutes of ALCO meetings are placed before the Board of Directors in its next meeting for its perusal/approval/ratification.

Risk Management Committee:

The Risk Management Committee is responsible for evaluating the overall risks faced by the NBFC including liquidity risk.

Asset-Liability Management Committee (ALCO):

The ALCO ensures adherence to the risk tolerance/limits set by the Board as well as implements the liquidity risk management strategy of the NBFC.

52. Transition to Ind AS

These financial statements, for the year ended March 31, 2026, are the first financial statements which have been prepared in accordance with Ind AS. In accordance with the transition provision specified under Ind AS 101, the date of transition to Ind AS is April 1, 2024. For periods up to and including the year ended March 31, 2025, the Company prepared its financial statements in accordance with accounting standards notified under the Companies (Accounting Standards) Rules, 2021 ("Previous GAAP") and other relevant provisions of the Act.

Accordingly, the Company has prepared financial statements which comply with Ind AS applicable for year end on March 31, 2026, together with the comparative period data as at and for the year ended March 31, 2025, as described in the summary of material accounting policies. In preparing these financial statements, the Company's opening balance sheet was prepared as at April 01, 2024, being the Company's date of transition to Ind AS. This note explains the principal adjustments made by the Company in restating its Previous GAAP financial statements, including the balance sheet as at April 01, 2024 and the financial statements as at and for the year ended March 31, 2025.

Optional exemptions availed and mandatory exceptions

In preparing the first Ind AS financial statements, the Company has applied the below mentioned optional exemptions and mandatory exceptions

A) Mandatory exceptions**i) Estimates**

The estimates as at April 01, 2024 and as at March 31, 2025 are consistent with those made for the same dates in accordance with Previous GAAP (after adjustments to reflect any differences in accounting policies) apart from impairment of financial assets based on expected credit loss model in accordance with Ind AS at the date of transition as these were not required under the Previous GAAP.

The estimates used by the Company to present these amounts in accordance with Ind AS reflect conditions as at April 01, 2024, the date of transition to Ind AS and as of March 31, 2025.

ii) De-recognition of financial assets and liabilities

Ind AS 101 requires a first time adopter to apply the de-recognition provisions of Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind AS. However Ind AS 101, allows a first time adopter to apply the de-recognition requirements in Ind AS 109 retrospectively from a date of entity's choosing, provided that the information needed to apply Ind AS 109 to financial assets and financial liabilities derecognised as a result of past transactions was obtained at the time of initially accounting for those transactions.

The Company has elected to apply the derecognition provisions of Ind AS 109 prospectively from the date of transition to Ind AS.

iii) Classification and measurement of financial assets

Ind AS 101 requires an entity to assess classification and measurement of financial assets on the basis of facts and circumstances that exist at the date of transition to Ind AS. Financial assets can be measured using effective interest method by assessing its contractual cash flow characteristics only on the basis of facts and circumstances existing at the date of transition and if it is impracticable to assess the use of effective interest method, fair value of financial asset at the date of transition shall be the new carrying amount of that asset. The measurement exemption applies for financial liabilities as well.

Accordingly, the Company has determined the classification of financial assets based on facts and circumstances that exist on the date of transition. Measurement of the financial assets accounted at amortised cost has been done retrospectively except where the same is impracticable.

B) Optional exemptions**i) Leases**

Ind AS 101 provides an option to make the assessment of whether a contract or arrangement contains a lease under Ind AS 116 on the basis of facts and circumstances existing at the date of transition to Ind AS, rather than at the inception of the contract or arrangement, except where the effect is expected to be material.

The Company has elected to apply this exemption for such contracts/arrangements.

ii) Investment in subsidiary

Ind AS 101 provides a one time option to a first-time adopter either to measure its investment in subsidiary as per Previous GAAP carrying value or at fair value on the date of transition.

The Company has elected to measure its investment in subsidiary as per Previous GAAP carrying value.

The effect of the Company's transition to Ind AS is summarized as reconciliations of Equity, Profit and Total comprehensive income with Previous GAAP as explained below:

52.D Reconciliation of Cash Flow for the year ended March 31st, 2025

Particulars	Amount as per Previous GAAP	Effects of Transition to Ind AS	Amount as per Ind AS
Net cash (used in) operating activities	(27,232.19)	(1,921.54)	(29,153.73)
Net cash generated from / (used in) investing activities	(7,017.94)	0.02	(7,017.92)
Net cash generated from financing activities	39,310.27	1,960.38	41,270.65
Net increase in cash and cash equivalents	5,060.14	38.86	5,099.00
Cash and cash equivalent as at the beginning of the year	3,533.86	2.90	3,536.76
Cash and cash equivalent as at the end of the year	8,594.00	41.76	8,635.76

Notes to the reconciliation:**1 Impairment of financial assets**

Under Previous GAAP, loan losses and provisions were computed basis RBI guidelines and Management estimations. Under Ind AS, the same is required to be computed as per the impairment principles laid out in Ind AS 109 – 'Financial Instruments' which prescribes the expected credit loss model (ECL model) for the same. Accordingly, the difference between provisions as computed under Previous GAAP and as computed under Ind AS is adjusted in retained earnings as at the date of transition and subsequently in the Statement of Profit and Loss for the year ended March 31, 2025.

2 Adoption of EIR for amortisation of expenses - financial liabilities (borrowings) measured at amortized cost

Under Previous GAAP, transaction costs incurred on borrowings (including processing fees, upfront charges, and other directly attributable costs) were charged to the Statement of Profit and Loss upfront. Under Ind AS, such costs are included in the initial recognition amount of the financial liability and recognised as interest expense over the tenure of the borrowing using the EIR method. Accordingly, the difference has been adjusted in retained earnings as at the date of transition, and subsequently recognised in the Statement of Profit and Loss.

3 Adoption of EIR for amortisation of income & expenses - financial assets (loans receivable) measured at amortized cost

Under Previous GAAP, processing fees collected from borrowers and sourcing/origination costs incurred were recognised upfront in the Statement of Profit and Loss. Under Ind AS, such fees income and directly attributable sourcing/origination costs are included in the initial recognition amount of the loan receivable and recognised as interest income over the tenure of the loan using the EIR method. Accordingly, the difference between the carrying value of loan receivables as computed under Previous GAAP and as computed under Ind AS has been adjusted in retained earnings as at the date of transition and subsequently recognised in the Statement of Profit and Loss.

4 Reclassification of Instruments in the Nature of Equity to Financial Liabilities

Under Previous GAAP, Series A and Series A1 Compulsorily Convertible Preference Shares (CCPS) were classified as equity. Under Ind AS, the same were reclassified as financial liabilities at the date of transition on account of a contractual repurchase obligation under the Shareholders Agreement (SHA). Accordingly, equity as at the date of transition was reclassified to exclude the carrying value of such CCPS. Pursuant to an amendment to the SHA dated October 01, 2024, whereby the repurchase clause was removed, the CCPS have been reclassified back to equity (Instruments in the Nature of Equity) with effect from that date.

5 Impact of application of lease accounting under Ind AS 116

Under Previous GAAP, payments made under operating leases (net of any incentives received from the lessor) were charged to statement of profit and loss on a straight-line basis over the period of the lease unless, the payments are structured to increase in line with expected general inflation, to compensate for the lessor's expected inflationary cost increases.

Ind AS 116 requires recognition of an asset (the right-of-use the leased item) and a financial liability to pay rentals. In the Statement of Profit and Loss, lessees presents interest expense on the lease liability and depreciation on the right-of-use asset.

6 Actuarial gain / loss transferred to other comprehensive income (defined benefit liabilities)

Under Ind AS, all items of income and expense recognised in a period should be included in the Statement of Profit and Loss for the period, unless a standard requires or permits otherwise. Items of income and expense that are not recognised in profit or loss but are shown in the statement of profit and loss as 'other comprehensive income' includes remeasurements of defined benefit plans. The concept of other comprehensive income did not exist under previous GAAP.

53. Other regulatory information:**53.1 Details of benami property held**

No proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.

53.2 Borrowing secured against current assets

The Company has no borrowings from banks and financial institutions on the basis of security of current assets.

53.3 Wilful defaulter

The Company has not been declared wilful defaulter by any bank or financial institution or other lender.

53.4 Relationship with struck off companies

The Company has no transactions with the companies struck off under Companies Act, 2013 or Companies Act, 1956.

53.5 Compliance with number of layers of companies

The Company has complied with the number of layers prescribed under the Companies Act, 2013, read with the Companies (Restriction on number of layers) Rules, 2017.

53.6 Compliance with approved scheme(s) of arrangements

The Company has not entered into any scheme of arrangement which has an accounting impact on current or previous financial year.

53.7 Utilisation of borrowed funds and share premium

i) The company has not advanced or loaned or invested funds whether from borrowed funds or share premium or any other sources or kind of funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding (whether recorded in writing or otherwise) that the Intermediary shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries

ii) The company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the company shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like on behalf of the ultimate beneficiaries

53.8 Undisclosed income

There is no income surrendered or disclosed as income during the current or previous year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

53.9 Details of crypto currency or virtual currency

The Company has not traded or invested in crypto currency or virtual currency during the current or previous year.

53.10 Valuation of PP&E (including right-of-use assets), intangible assets and investment properties

The Company has not revalued its property, plant and equipment (including right-of-use assets) during the current or previous year. The Company did not have intangible assets or investment properties during the current or previous year.

54. Figures for the previous years have been regrouped/rearranged wherever considered necessary to conform to the figures presented in the current year.

AUDITOR'S REPORT - CONSOLIDATED

Independent Auditor's Report

To the Members of Finnable Credit Private Limited Report on the Audit of the Consolidated Financial Statements

Opinion

1. We have audited the accompanying consolidated financial statements of Finnable Credit Private Limited (hereinafter referred to as the "Holding Company") and its subsidiary (Holding Company, its subsidiary together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2026, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including material accounting policy information and other explanatory information (hereinafter referred to as "the consolidated financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2026, and consolidated total comprehensive income (comprising of profit and other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Statements" section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India and the relevant provisions of the Act, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter

Assessment of impairment loss allowance based on expected credit loss ('ECL') on Loans

(Refer note 9 to the consolidated financial statements)

As at March 31, 2026, the outstanding balances of loans granted by the Company aggregated to INR 103,099.92 Lakhs, and the associated impairment loss allowance recognised in the books aggregated to INR 3,576.29 Lakhs.

The impairment loss allowance is determined in accordance with the ECL model specified in Ind AS 109 "Financial Instruments" and involves exercise of judgement by the management in estimating the expected losses using components of ECL such as Probability of Default ('PD'), Loss Given Default ('LGD') and Exposure at Default ('EAD'), Staging of Loans.

Quantitative factors like days past due, behaviour of the loan portfolio, historical losses incurred on defaults, recovery post default and macro-economic data points identified by the Management and qualitative factors like nature of the underlying loan, deterioration in credit quality, judgement in relation to Management overlays and related Reserve Bank of India ('RBI') guidelines, to the extent applicable, are also taken into account by Management in the ECL computation.

In view of the significant management judgement involved around the determination of the impairment loss allowance and the complexity of the ECL model, we determined this to be a key audit matter.

How our audit addressed the key audit matter

The procedures performed by us included the following:

- Understood and evaluated the design and tested the operating effectiveness of key controls put in place by Management over the:
 - i. assumptions used in the calculation of ECL and its various aspects such as determination of Staging of Loans, EAD, PD and LGD;
 - ii. completeness and accuracy of source data used by Management in the ECL computation;
 - iii. approval of changes to ECL methodology and models through the Company's governance framework; and framework; and
 - iv. computation of ECL.
- Assessed the Company's accounting policy in respect of loans and related ECL provisioning for compliance with Ind AS 109.
- Tested, on a sample basis, the completeness and accuracy of the source data used.
- Verified, with the assistance of the auditor's expert, the methodology and model used by the Company and reasonableness of the assumptions used in the computation process to estimate the impairment loss allowance as per the requirements of Ind AS 109 and ECL policy of the Company.
- Recomputed the impairment loss allowance for a sample of loans across the loan portfolio to verify the arithmetical accuracy and compliance with ECL methodology approved by the Board of Directors of the Company.
- Evaluated the reasonableness of the assumptions and judgements involved in Management overlays forming part of the impairment loss allowance, and the related approvals.
- Evaluated the adequacy of presentation and disclosures in relation to impairment loss allowance in the consolidated financial statements.

Other Information

5. Group's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the consolidated financial statements and our auditor's report thereon. The Annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate action as applicable under the relevant laws and regulations.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

6. The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows, and changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group, and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Holding Company, as aforesaid.
7. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the respective companies to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the respective companies or to cease operations, or has no realistic alternative but to do so.
8. The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the respective companies.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

9. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
10. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. We remain solely responsible for our audit opinion.
11. We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

14. The comparative financial information of the Group for the year ended March 31, 2025 and the transition date opening balance sheet as at April 1, 2024 included in these consolidated financial statements are based on the previously issued statutory financial statements for the years ended March 31, 2025 and March 31, 2024 prepared in accordance with the Companies (Accounting Standards) Rules, 2021 which were audited by the predecessor auditor who expressed an unmodified opinion vide reports dated July 10, 2025 and September 30, 2024 respectively. The adjustments to those financial statements for the differences in accounting principles adopted by the Group on transition to the Ind AS have been audited by us.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters.

Report on Other Legal and Regulatory Requirements

15. As required by the Companies (Auditor's Report) Order, 2020 ("CARO 2020"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B, a statement on the matters specified in paragraph 3(xx) of CARO 2020.
16. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - (b) In our opinion, proper books of account as required by law have been kept by the Group so far as it appears from our examination of those books:-
 - except for the back-up of the books of account and other books and papers maintained in electronic mode has not been maintained on a daily basis on servers physically located in India for two applications during the year and for one another application during the period April 1, 2025 to November 29, 2025; and
 - the matters stated in paragraph 16(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended) ("the Rules")
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account and records maintained for the purpose of preparation of the consolidated financial statements.
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2026 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 16(b) above and paragraph 16(h)(vi) below.
 - (g) With respect to the adequacy of internal financial controls with reference to consolidated financial statements of the Holding Company and its subsidiary company incorporated in India and the operating effectiveness of such controls, refer to our separate report in Annexure A.
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. There were no pending litigations which would impact the consolidated financial position of the Group.
 - ii. The Company has made provision as at March 31, 2026, as required under the applicable law or Indian Accounting Standards, for material foreseeable losses, if any, on long-term contracts - Refer Note 9 to the consolidated financial statements. The Company did not have any long-term derivative contracts as at March 31, 2026.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company, and its subsidiary incorporated in India during the year ended March 31, 2026.
 - iv. (a) The respective managements of the Holding Company and its Subsidiary Company which are companies incorporated in India whose financial statements have been audited under the Act have represented to us that, to the best of their knowledge and belief, as disclosed in Note 59.7(i) to the consolidated financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or its Subsidiary Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company or its Subsidiary Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
(b) The respective managements of the Holding Company and its Subsidiary Company which are companies incorporated in India whose financial statements have been audited under the Act have represented to us that, to the best of their knowledge and belief, as disclosed in the Note 59.7(ii) to the consolidated financial statements, no funds have been received by the Holding Company or its Subsidiary Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or its Subsidiary Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
(c) Based on the audit procedures, that has been considered reasonable and appropriate in the circumstances, performed by us which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) contain any material misstatement.
 - v. The Holding Company and its subsidiary incorporated in India, have not declared or paid any dividend during the year.
 - vi. Based on our examination, which included test checks, the Group has used three accounting software's for maintaining its books of account which has a feature of recording audit trail (edit log) facility and that has operated throughout the year for all relevant transactions recorded in the software, except for one database, the audit log of modification does not contain the pre-modified values. Further, during the course of performing our procedures other than the aforesaid instance of audit trail not maintained where the question of our commenting doesn't arise, we did not notice any instance of audit trail feature being tampered with.

Further, the audit trail, to the extent maintained in the prior year, has been preserved as per the statutory requirements for record retention.
17. The provisions of Section 197 read with Schedule V to the Act are applicable only to public companies incorporated in India. Accordingly, reporting under Section 197(16) of the Act is not applicable to the Group.

Annexure A to Independent Auditor's Report

Referred in paragraph 16(g) of the Independent Auditor's Report of even date to the members of Finnable Credit Private Limited on the Consolidated financial statements as of and for the year ended March 31, 2026.

Report on the Internal Financial Controls with reference to Consolidated Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. In conjunction with our audit of the consolidated financial statements of the company as of and for the year ended March 31, 2026, we have audited the internal financial controls with reference to financial statements of Finnable Credit Private Limited (hereinafter referred to as "the Holding Company") and its subsidiary, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

2. The respective Board of Directors of the Holding Company, its subsidiary, to whom reporting under clause (i) of sub section 3 of Section 143 of the Act in respect of the adequacy of the internal financial controls with reference to financial statements is applicable, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing specified under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Holding Company and its subsidiary, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Annexure B to Independent Auditor's Report

Referred in paragraph 15 of the Independent Auditor's Report of even date to the members of Finnacle Credit Private Limited on the Consolidated financial statements as of and for the year ended March 31, 2026.

We report that the following qualifications or adverse remarks were included in the CAO 2020 reports issued by us in respect of the standalone financial statements of the Holding Company and subsidiary company included in the Consolidated Financial Statements.

S. No.	Name of the Company	CIN	Relationship with the Holding Company	Clause number of the CARO report which contains the qualification or adverse remarks
1.	Finnacle Credit Private Limited	U67100KA2015PTC082204	Holding Company	iii(d), iii(f), vii(a), xviii
2.	Finnacle Technologies Private Limited	U74999KA2020PTC134989	Subsidiary Company	iii(a), vii(a), ix(a), xviii

Paragraph number and comment in the Finnacle Credit Private Limited's CARO report reproduced below:

- iii. (d) In respect of the loans, the total amount overdue for more than ninety days as at March 31, 2026 is Rs. 1,861.73 lakhs. In such instances, in our opinion, reasonable steps have been taken by the Company for the recovery of the principal amounts and the interest thereon. Refer Note 43 in the standalone financial statements for details of number of cases and the amount of principal and interest overdue as at March 31, 2026.
- iii. (f) Following loans/advances in nature of loans were granted during the year, including to promoters/related parties under Section 2(76), which are repayable on demand has been stipulated by the Company.

Particulars	All Parties	Promoters	Related Parties
Aggregate of loans - Repayable on demand	Finnacle Technologies Private Limited	-	Finnacle Technologies Private Limited
	Sanction Amount - Rs. 20,000 lakhs		Sanction Amount - Rs. 20,000 lakhs
	Maximum outstanding balance - Rs. 10,200 lakhs		Maximum outstanding balance - Rs. 10,200 lakhs
	Aggregate amount provided during the year - Rs. 19,520 lakhs		Aggregate amount provided during the year - Rs. 19,520 lakhs
	Outstanding as at March 31, 2026 - Rs. 3,507.88 lakhs		Outstanding as at March 31, 2026 - Rs. 3,507.88 lakhs
Total	3,507.88 lakhs		3,507.88 lakhs
Percentage of loans to the total loans	3.26%	Nil	3.26%

- vii. (a) In our opinion, the Company is generally regular in depositing undisputed statutory dues in respect of income tax and goods and services tax, though there has been a slight delay in a few cases, and is regular in depositing undisputed statutory dues, including employees' state insurance, provident fund and professional tax with the appropriate authorities. However, there are no arrears of statutory dues outstanding as at March 31, 2026, for a period of more than six months from the date they became payable.
- xviii. There has been resignation of the statutory auditors of the Company during the year. As stated in the resignation letter dated November 21, 2025 of the outgoing statutory auditors, the resignation was pursuant to the "Guidelines for Appointment of Statutory Central Auditors (SCAs)/ Statutory Auditors (SAs) of Commercial Banks (excluding RRBs), UCBs and NBFCs (including HFCs)" issued by RBI on April 27, 2021. We noted no issues, objections or concerns raised by the outgoing statutory auditors in their aforesaid letter.

Paragraph number and comment in the Finnacle Technologies Private Limited's CARO report, reproduced below:

- iii. (a) The Company has stood guarantee, or provided security to 9 companies. The aggregate amount during the year, and balance outstanding at the balance sheet date with respect to such guarantees or security are as per the table given below:

Particulars	Guarantees
Aggregate amount granted/ provided during the year	
- Holding Company	-
- Others#	Rs.6,502.55 Lakhs
Balance outstanding as at balance sheet date in respect of the above cases	
- Holding Company	Rs.3,000 Lakhs
- Others#	Rs.8,753.96 Lakhs

#Represents Default Loss Guarantee (DLG) provided by the Company to its lending partner(s) in terms of DLG contracts in force as at March 31, 2026.

- vii. (a) In our opinion, the Company is generally regular in depositing undisputed statutory dues in respect of goods and services tax, employees' state insurance, professional tax and income tax though there has been a slight delay in a few cases, and is regular in depositing undisputed statutory dues, including provident fund with the appropriate authorities. However, there are no arrears of statutory dues outstanding as at March 31, 2026, for a period of more than six months from the date they became payable.
- ix. (a) Loans amounting to Rs. 19,520 lakhs are repayable on demand and terms and conditions for payment of interest thereon have not been stipulated. According to the information and explanations given to us, such loans and interest thereon have not been demanded for repayment during the year. The Company has not defaulted in repayment of other borrowings or in the payment of interest thereon to any lender during the year.
- (xviii) There has been resignation of the statutory auditors during the year and we did not note any issues, objections or concerns raised by the outgoing auditors.

1 Group Information

Finnable Credit Private Limited ("the Company" or "the Parent Company") is a private limited company incorporated on August 12, 2015 under the provision of Companies Act, 2013. Its registered and principal office of business is located in Bengaluru, India. The debt securities of the Company are listed on the Bombay Stock Exchange (BSE), India. The Company is primarily engaged in the business of lending.

The Parent Company is a Non Deposit taking Non-Banking Finance Company ("NBFC") registered as NBFC – Investment Credit Company vide registration no, N-02.00291 with Reserve Bank of India ("RBI") dated December 29, 2017. The Company has been classified as NBFC - ML (Middle Layer) pursuant to Reserve Bank of India (Non-Banking Financial Companies – Registration, Exemptions and Framework for Scale Based Regulation) Directions, 2025.

Finnable Technologies Private Limited ("the Subsidiary Company") was incorporated on June 17, 2020. The Company is a Lending Service Provider ("LSP") as per Reserve Bank of India (Non-Banking Financial Companies - Credit Facilities) Directions, 2025 dated November 28, 2025, operating a technology-enabled platform that facilitates the carrying out one or more functions, such as customer acquisition, KYC facilitation, and associated customer service including collection and recovery to Regulated Entities, including banks and Non-Banking Financial Companies (NBFCs) ("Lending Partners").

2 Basis of preparation

(I) Statement of Compliance

The Consolidated financial statements comply in all material aspects with the Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act, 2013 ("the Act") [Companies (Indian Accounting Standards) Rules, 2015].

The Group has adopted Ind AS for the financial year ended March 31, 2026. In accordance with the transition provision specified under Ind AS 101, the date of transition to Ind AS is April 1, 2024. These financial statements are the first financial statements of the Group under Ind AS. The financial statements upto the year ended March 31, 2025 were prepared in accordance with the accounting standards notified under the Companies (Accounting Standards) Rules, 2021 ("Previous CAAP") and other relevant provisions of the Act.

Refer note 57 for an explanation of how the transition from previous GAAP to Ind AS has affected the Group's financial position, financial performance and cash flows.

These financial statements were authorised for issue by the Group's Board of Directors on June 16, 2026.

(II) Principles of Consolidation:

The consolidated financial statements incorporate the financial statements of the Parent and entities controlled by the Parent and its subsidiaries. Control is achieved when the Parent has power over the investees, is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns by using its power. Subsidiaries are consolidated from the date control commences until the date control ceases.

The financial statements of the Parent Company and its subsidiaries have been consolidated on a line by line basis by adding together the book value of like items of assets, liabilities, income, expenses, after eliminating intra-group transactions and any unrealized gain or losses on the balances remaining within the Group in accordance with the Ind AS 110 on 'Consolidated Financial Statements', (Ind AS-110).

The consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Company's separate financial statements.

For details of subsidiary company which have been considered in the preparation of the consolidated financial statements Refer Note No. 56 - Group information.

(III) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- certain financial assets and liabilities that are measured at fair value as required by relevant Ind AS.
- defined benefit plans; and
- share-based payments.

Indian Rupees (₹) in lakhs

(iv) New and amended standards adopted by the Group

The Ministry of Corporate Affairs vide notification dated May 7, 2025 and August 13, 2025 notified the Companies (Indian Accounting Standards) Amendment Rules, 2025 and Companies (Indian Accounting Standards) Second Amendment Rules, 2025, respectively, which amended certain accounting standards (see below), and are effective for annual reporting periods beginning on or after April 1, 2025:

(a) Supplier Finance Arrangements – Amendments to Ind AS 7 and Ind AS 107

The amendment in Ind AS 7 requires users of financial statements of the existence of supplier finance arrangements and explain the nature of arrangements, the carrying amount of liabilities and the range of payment due dates.

Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk.

(b) International Tax Reform – Pillar Two Model Rules – Amendments to Ind AS 12

The amendments provide a temporary relief from deferred tax accounting for top-up tax and disclose that they have applied the relief. This relief is immediate and applied retrospectively.

(c) Lack of Exchangeability – Amendments to Ind AS 21

The amended Ind AS 21 have added requirements to help entities to determine whether a currency is exchangeable into another currency, and the spot exchange rate to use where it is not.

The Group has reviewed the amendments and based on its evaluation has determined that it does not have material impact on its financial statements.

(v) New standards or amendments not yet adopted

Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants – Amendments to Ind AS 1 - This amendment also includes specific provisions that will take effect for reporting periods beginning on or after 1 April 2026, as outlined below.

Under the existing Ind AS 1, where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

However, the amended requirements stipulate that entities will no longer be permitted to consider lender waivers that are granted after the reporting date but before the financial statements are approved for the purpose of classification of loans. This amendment is required to be applied retrospectively in accordance with Ind AS 8.

The Parent Company does not expect this amendment to have material impact on its operations or financial statements.

(vi) Functional and presentation currency

The financial statements are presented in Indian Rupee (INR), which is also the functional currency of the Group, in denomination of lakhs with rounding off to two decimals as permitted by Schedule III to the Act except where otherwise indicated.

(vii) Presentation of financial statements

The Group presents its Balance Sheet in the order of liquidity.

The Group prepares and presents its Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity in the format prescribed by Division III of Schedule III to the Act. The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 'Statement of Cash Flows'.

viii) Critical estimates and judgements

The preparation of financial statements requires the use of accounting estimates which, by definition, will likely differ from the actual results. Management also needs to exercise judgement in applying the group's accounting policies.

Indian Rupees (₹) in lakhs

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to final outcomes deviating from estimates and assumptions made. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements. In addition, this note also explains where there have been actual adjustments this year as a result of changes to previous estimates.

The areas involving critical estimates or judgements are:

- Impairment of financial instruments
- Fair value of employee share based payments
- Recognition of deferred tax assets
- Post employment benefits
- Revenue Recognition - Performance obligation satisfied over time (Ind AS 115)
- Lease liabilities

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that might have a financial impact on the Group and that are believed to be reasonable under the circumstances.

3 Material Accounting Policies

3.1 Revenue from operations

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured and there exists reasonable certainty of its recovery.

3.1.A Recognition of interest income

Interest income is recognized by applying the Effective Interest Rate (EIR) to the gross carrying amount of financial assets other than credit-impaired assets. The EIR in case of a financial asset is computed.

- a. As the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset.
- b. By considering all the contractual terms of the financial instrument in estimating the cash flows.
- c. Including all fees received/ paid between parties to the contract that are an integral part of the effective interest rate, transaction costs, and all other premiums or discounts.

Any subsequent changes in the estimation of the future cash flows is recognized in interest income with the corresponding adjustment to the carrying amount of the assets.

Interest income on credit impaired assets is recognized by applying the effective interest rate to the net amortised cost (net of impairment allowance) of the financial asset.

Delayed payment interest (penal interest and the like) levied on customers for delay in repayments/non- payment of contractual cashflows is recognised on realisation.

3.1.B Recognition of interest income on securitised loans

The Group securitises certain pools of loan receivables in accordance with applicable RBI guidelines. The Group, being Originator of these loan receivables, also acts as Servicer with a responsibility of collection of receivables from its borrowers and depositing the same in Collection and Pay-out Account maintained by the Special Purpose Vehicle (SPV) Trust for making scheduled pay-outs to the investors in Pass Through Certificates (PTCs) issued by the SPV Trust. These securitisation transactions also requires the Group to provide for first loss credit enhancement in various forms, such as Excess Interest Spread (EIS), over collateral and cash collateral in the event of shortfall in collections from underlying loan contracts. By virtue of existence of credit enhancement, the Group is exposed to credit risk, being the expected losses that will be incurred on the transferred loan receivables to the extent of the credit enhancement provided.

In view of the above, the Group has retained substantially all the risks and rewards of ownership of the financial asset and thereby does not meet the de-recognition criteria as set out in Ind AS 109. Consideration received in this transaction is presented as "Liability against Securitised assets" and the loan receivables securitised are continued to be reflected as loan assets. These loan assets are carried at amortised cost and the interest income is recognised by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets.

In case of credit-impaired financial assets, the Group recognises interest income on the amortised cost net of impairment loss on financial assets at EIR.

If financial asset is no longer credit-impaired, the Group reverts to calculating interest income on a gross basis (amortised cost).

Indian Rupees (₹) in lakhs

3.1.C Income from LSP Service Fee

The Group is a Lending Service Provider ("LSP") and acts as an agent of Regulated Entities and carries out one or more of lender's functions or part thereof such as customer acquisition, KYC facilitation, and associated customer service including collection and recovery of specific loan or loan portfolio on behalf of lending partners.

Sourcing Fee: Recognized on completion of performance obligation i.e. recognise fully at the time of disbursement of respective loans to the customers.

Servicing Fee: Service fees, computed as a fixed percentage of Assets Under Management (AUM), constitute variable consideration under Ind AS 115, as the underlying asset values are subject to change due to scheduled repayments and factors outside the Group's control. Accordingly, revenue is recognised over time based on crystallised AUM values determined on a monthly basis, to the extent that it is highly probable that a significant reversal of cumulative revenue recognised will not occur.

Fees from financial guarantee : Premium received under First Loss Default Guarantee (FLDG) arrangements is initially recognised as a financial liability at fair value, representing the obligation against future guarantee services to be rendered.

The liability is subsequently recognised as income in the Statement of Profit and Loss on a straight-line basis over the tenure of the underlying loan portfolio.

3.1.D Income from marketing activities

The Group recognises the income from marketing activities on transfer of promised services to the customer as per the terms of the contract.

3.1.E Technology support and maintenance fees

Income from technology support and maintenance services is recognised over time as the services are rendered, in accordance with the terms of the agreement with the customer. Revenue is recognised net of Goods and Services Tax.

3.1.F Fee and commission income

The Group recognises:

- Servicing charges at point in time on completion of contracted service;
- Bounce charges and Penal charges at point in time on realisation from customer; and
- Income of loan foreclosure when it is probable to happen and the amount can be reasonably estimated.

3.1.G Net Gain or Loss on Fair Value Changes

The gain/loss on mutual fund is recognised in the statement of profit and loss in net gain on fair value changes as and when units of mutual funds are sold. The unsold units of mutual funds are fair valued on reporting date and unrealised gain/loss is recognised in the statement of profit and loss in net gain on fair value changes.

3.2 Finance Cost

Finance costs include interest expense computed by applying the EIR on respective financial instruments measured at Amortised cost ('Financial liability'). Financial instruments include non-convertible debentures, term loans from banks/financial institutions and Liability against securitisation transactions. Finance costs are charged to the Statement of profit and loss

The EIR in case of a financial liability is computed as below:

- a. As the rate that exactly discounts estimated future cash payments through the expected life of the financial liability to the gross carrying amount of the amortised cost of a financial liability.
- b. By considering all the contractual terms of the financial instrument in estimating the cash flows.
- c. Including all fees paid/ received between parties to the contract that are an integral part of the effective interest rate, transaction costs, and all other premiums or discounts.

3.3 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Recognition of financial instruments

All financial instruments are recognised on the date when the Group becomes party to the contractual provisions of the financial instruments with the exception of loans, debt securities and borrowings. Loans are recognised when funds are transferred to the customers' account. The Group recognises debt securities and borrowings when funds are received by the Group.

(i) Financial assets

Initial measurement

All financial assets are recognised initially at fair value adjusted for transaction costs and income that are directly attributable to the acquisition of the financial asset except for following:

- Financial assets measured at FVTPL wherein transaction cost is charged to the Statement of Profit and Loss; and
- Trade receivables that do not contain a significant financing component (as defined in Ind AS 115) which are recorded at transaction price.

Subsequent measurement

The Group classifies and measures all of its financial assets based on the business model for managing the assets and the asset's contractual terms, measured at either

- (a) Amortised Cost
- (b) Fair value through other comprehensive income ("FVOCI")
- (c) Fair value through profit and loss ("FVTPL")

Indian Rupees (₹) in lakh

The classification depends on the contractual terms of the cash flows of the financial assets ("SPPI"), the Group's business model for managing financial assets and, in case of equity instruments, the intention of the Group whether strategic or non-strategic. The said classification methodology is detailed below:-

Solely payments of principal and interest ("SPPI") assessment

The Group assesses the contractual terms of the financial assets to identify whether they meet the SPPI test. In making this assessment, the Group considers whether the contractual cash flows represent sole payments of principal and interest which means that whether the cash flows are consistent with a basic lending arrangement i.e. interest includes only consideration for the time value of money, credit risk, other basic lending risks and a profit margin that is consistent with a basic lending arrangement. Principle for the purpose of this test refers to the fair value of the financial asset at initial recognition.

Business model assessment

The Group determines its business model that best reflects how it manages groups of financial assets to achieve its business objective. The Group's business model is not assessed on an instrument-by-instrument basis, but at a higher level of aggregated portfolios.

(a) Financial assets at amortised cost

The Group measures its financial assets at amortised cost if both the following conditions are met:

- The asset is held within a business model of collecting contractual cash flows; and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

(b) Financial assets at FVOCI

The Group subsequently measures its financial assets as FVOCI, only if both of the following criteria are met:

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets; and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

(c) Financial assets at FVTPL

The Group operates a trading portfolio as a part of its treasury strategy and classifies its investments in mutual funds which are held for trading under FVTPL category. Interest and dividend incomes are recorded in the Statement of Profit and Loss. Gains and losses on changes in fair value are recognised on net basis through profit or loss.

Derecognition of financial assets

The Group derecognizes a financial asset only when the contractual rights to the asset's cash flows expire (including expiry arising from a modification with substantially different terms), or when the financial asset and substantially all the risks and rewards of ownership of the asset are transferred to another entity. If the Group neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Group recognizes its retained interest in the asset and an associated liability for amounts it may have to pay. If the Group retains substantially all the risks and rewards of ownership of a transferred financial asset, the Group continues to recognize the financial asset and, also recognizes a collateralized borrowing for the proceeds received.

Write-off

The Group reduces the gross carrying amount of a financial asset when the Group has no reasonable expectations of recovering a financial asset in its entirety or a portion thereof. This is generally, the case when the Group determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subjected to write-offs. Any subsequent recoveries against such loans are credited to the statement of profit and loss.

Financial guarantee contracts

Financial guarantee contracts are recognised as a financial liability at the time the guarantee is issued. The liability is initially measured at fair value and subsequently at the higher of (i) the amount determined in accordance with the expected credit loss model as per Ind AS 109 and (ii) the amount initially recognised less, where appropriate, cumulative amount of income recognised in accordance with the principles of Ind AS 115.

At each reporting date, the Group assesses the expected credit losses on the guaranteed exposure in extent the expected credit loss so determined exceeds the unamortised carrying amount of the liability (being the amount initially recognised less the cumulative income recognised), the excess is charged to the Statement of Profit and Loss as an impairment loss. A subsequent reduction in the expected credit loss is recognised as a reversal of impairment in the Statement of Profit and Loss, to the extent of amounts previously charged.

Impairment of financial assets

Expected credit losses ("ECL") are recognised for applicable loans, other financial assets except those classified as FVTPL and equity instruments as per the Board approved policy.

The Group follows a staging methodology for ECL computation.

Financial assets where no significant increase in credit risk has been observed since inception are classified in 'stage 1' for which a 12 month ECL is recognised. Financial assets which have significant increase in credit risk since inception are considered to be in 'stage 2' and those which are in default or for which there is an objective evidence of impairment are considered to be in 'stage 3'. Life time ECL is recognised for stage 2 and stage 3 financial assets.

Stage 1 (12-month ECL) is provided basis the default events that are likely to occur in the next 12 months from the reporting date. Stage 2 and stage 3 (lifetime ECL) is provided for basis all possible default events likely to occur during the life of the financial instrument.

Financial assets are written off in full, when there is no realistic prospect of recovery. The Group may apply enforcement activities to certain qualifying financial assets written off.

Treatment of the different stages of financial assets and the methodology of determination of ECL (a) Credit impaired (stage 3) The Group recognises a financial asset to be credit impaired where, contractual payments of principal and/or interest are past due for more than 90 days.

Loan accounts where principal and/or interest are past due for more than 90 days along with all other loan accounts of that customer, continue to be classified as stage 3, till overdue across all loan accounts are cleared.

Staging is determined at the customer level rather than at the individual loan level. Where a customer holds multiple loans with the Group, the highest (worst) delinquency bucket across all loans is applied uniformly to every loan held by that customer for the purpose of stage classification.

Loans accounts where one time compromise settlement is offered to the customer to close their loan accounts with certain relaxation and waiver of charges/interest/principal are classified as stage 3.

(b) Significant increase in credit risk (stage 2)

The Group considers loan accounts which are overdue for more than 30 days but up to 90 days as on the reporting date as an indication of significant increase in credit risk. The default risk is assessed using PD (probability of default) derived from past behavioural trends of default across the identified homogenous portfolios. These past trends factor in the customer behavioural trends. The assessed PDs are then aligned considering future economic conditions that are determined to have a bearing on ECL.

In addition, certain exposures within the 0-30 DPD bucket which are identified, through a statistically driven segmentation framework, as belonging to high-risk segments of the portfolio, are classified as Stage 2. These segments are derived from historical analysis of forward-flow behaviour to 90+ DPD, and reflect a significant increase in credit risk even where current DPD remains within the Stage 1 threshold.

(c) Without significant increase in credit risk since initial recognition (stage 1)

ECL resulting from default events that are possible in the next 12 months are recognised for financial assets in stage 1. The Group has ascertained default possibilities on past behavioural trends witnessed for each homogenous portfolio using behavioural analysis and other performance indicators, determined statistically.

(d) Measurement of ECL

The Group calculates ECL based on discounted present value of probability weighted scenarios to measure the expected cash shortfall. Cash shortfall is the difference between the cash flows that are due to the Group in accordance with the contract and the cash flows that the Group expects to receive. It incorporates all information that is relevant including past events, current conditions and current profile of customers. Additionally, forecasts of future macro situations and economic conditions are considered as part of the ECL Model. Forward looking economic scenarios determined with reference to external forecasts of economic parameters that have demonstrated a high correlation to the performance of our portfolios over a period of time have been applied to determine impact of macro-economic factors. In addition, the estimation of ECL takes into account the time value of money.

The Group has calculated ECL using three main components: a probability of default (PD), a loss given default (LGD) and the exposure at default (EAD). ECL is calculated by multiplying the PD, LGD and EAD and adjusted for time value of money using Internal Rate of Return (IRR).

• Determination of PD is covered above for each stages of ECL.

• EAD represents the total amount outstanding including accrued interest as of reporting date, taking into account expected changes in the exposure after the reporting date, including repayments of principal and interest, whether scheduled by contract or otherwise.

• LGD represents expected losses on the EAD in the event of default, taking into account, among other attributes, the mitigating effect of collateral value at the time it is expected to be realised (if any) and the time value of money.

The Group recalibrates above components of its ECL model on a quarterly basis by using the available incremental and recent information, except where this information does not represent the future outcome. Further, the Group assesses changes to its statistical techniques for a granular estimation of ECL.

3.4 Share Based Payment transaction

The fair value of options granted under the Parent Company's employee stock option plan is recognized as an employee benefit expense with a corresponding increase in other equity. The total amount expensed is determined by reference to the fair value of options granted, excluding the impact of any service vesting condition.

The total expense is recognized over the vesting period (determined separately for each tranche), which is the period over which all the specified vesting conditions are to be satisfied. At the end of each period, the Group revises its estimates of the number of options expected to vest based on service conditions. The impact of any revisions to the original estimates is recognized in the statement of profit or loss, with corresponding adjustment in equity.

4 Other accounting policies

4.1 Property, Plant and Equipment

Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses, if any. Cost includes all expenses, direct and indirect, specifically attributable to its acquisition and bringing it to its working condition for its intended use. Incidental expenditure pending allocation and attributable to the acquisition of fixed assets is allocated / capitalised with the related assets. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Group and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

Depreciation

Depreciation on property, plant and equipment has been provided on the straight line method over the life of the asset. All individual assets (other than furniture and fixtures and office equipment) valued less than INR 5,000 are depreciated in full in the year of acquisition. The useful life of the assets is as follows:

Asset class	Useful life adopted by the Group
Computers	3 years
Furniture and fixtures	10 years
Office equipments	5 years
Leasehold improvements	5 years

Depreciation is calculated on a pro rata basis from the date on which the asset is available for use till the date the asset is sold or disposed off. The residual values, useful lives and method of depreciation are reviewed at the end of each financial year.

De-recognition

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in the statement of profit and loss when the asset is derecognized.

4.2 Fair value measurement

The Group measures financial instruments at fair value which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- in the principal market for the asset or liability, or
- in the absence of a principal market, in the most advantageous market for the asset or liability

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities,

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable; and

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. For assets and liabilities that are recognized in the balance sheet on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

Indian Rupees (₹) in lakhs

4.3 Leases**As a lessee**

The Group recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the Group's incremental borrowing rate as on the date of lease commencement date.

Identification of lease:

The determination of whether an arrangement is a lease, or contains a lease, is based on the substance of the arrangement and requires an assessment of whether the fulfilment of the arrangement is dependent on the use of a specific asset or assets or whether the arrangement conveys a right to use the asset.

Recognition of lease payments:

Rent expenses representing operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term, unless the increase is in line with expected general inflation, in which case lease payments are recognized based on contractual terms. Leases that do not transfer to the Group substantially all of the risks and benefits incidental to ownership of the leased items are operating leases.

Short-term leases and leases of low-value assets:

The Group has elected not to recognize right-of-use assets and lease liabilities for short-term leases of assets that have a lease term of 12 months or less and leases of low-value assets. The Group recognizes the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

4.4 Employee benefits

The Group provides employment benefits through various defined contribution and defined benefit plans. Employee benefits include Provident Fund, Gratuity and Bonus.

Defined contribution plans

A defined contribution plan is a plan under which the Group pays fixed contributions into an independent fund administered by the government. The Group has no legal or constructive obligations to pay further contributions after its payment of the fixed contribution, which are recognized as an expense in the year in which the related employee services are received.

Defined benefit plans

The defined benefit plans sponsored by the Group define the amount of the benefit that an employee will receive on completion of services by reference to length of service and last drawn salary. The legal obligation for any benefits remains with the Group.

Gratuity is a post-employment benefit and is in the nature of a defined benefit plan. The liability recognized in the financial statements in respect of gratuity is the present value of the defined benefit obligation at the reporting date, together with adjustments for unrecognized actuarial gains or losses and past service costs. The defined benefit obligation is calculated at or near the reporting date by an independent actuary using the projected unit credit method. Actuarial gains and losses arising from past experience and changes in actuarial assumptions are credited or charged to the statement of Other Comprehensive Income (OCI) in the year in which such gains or losses are determined.

Short-term employee benefits

Expense in respect of other short term benefits is recognized on the basis of the amount paid or payable for the period during which services are rendered by the employee.

4.5 Taxes - Current tax and Deferred tax

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period.

Current tax comprises amount of tax payable in respect to the taxable income or loss for the year determined in accordance with Income Tax Act, 1961 and any adjustment to tax payable or receivable in respect of prior years.

Current tax assets and liabilities for the current and prior years are measured at the amount expected to be recovered from, or paid to, the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted, or substantively enacted, by the reporting date where the Group operates and generates taxable income.

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts and is intended to realise the asset and settle the liability on a net basis or simultaneously. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax is recognised using the Balance Sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences and deferred tax assets are recognised for deductible temporary differences to the extent that it is probable that taxable profits will be available against which the deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets, if any, are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised either in other comprehensive income or in other equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

4.6 Other expense

Expenses are recognised on accrual basis inclusive of goods and services tax for which input credit is not statutory permitted.

4.7 Earnings per equity share

Basic earnings per equity share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. To calculate diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

4.8 Impairment of non-financial assets

The Group assesses at each balance sheet date whether there is any indication that an asset may be impaired due to events or changes in circumstances indicating that their carrying amounts may not be realized. If any such indication exists, the Group estimates the recoverable amount of the asset or the cash generating unit ("CGU"). If such a recoverable amount of the asset or the recoverable amount of the CGU to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. Recoverable amount is determined:

a. in the case of an individual asset, at the higher of the fair value less costs of disposal and the value-in-use; and

b. in the case of a cash generating unit (the smallest identifiable group of assets that generates independent cash flows), at the higher of the cash generating unit's fair value less costs of disposal and the value-in-use.

Indian Rupees (₹) in lakhs

The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the revised recoverable amount, subject to maximum of the depreciated historical cost.

4.9 Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

4.10 Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM) of the Group. The Group's reportable segments are Lending and Lending Services, reflecting the two distinct business activities of the Group as reviewed by the CODM for purposes of resource allocation and performance assessment.

4.11 Trade Payable

Trade payables represent liabilities for goods and services provided to the Group prior to the end of the reporting period remaining unpaid. These amounts are unsecured and are usually paid in accordance with the payment terms agreed with vendors.

4.12 Provisions and contingent liabilities

The Group creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. The Group also discloses present obligations for which a reliable estimate cannot be made as a contingent liability. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

5 Other Income

All other income is recognized on accrual basis when no significant uncertainty exists on their receipt.

5.1 First time adoption of Ind AS

The Group has prepared opening Balance Sheet as per Ind AS as of April 1, 2024 (transition date) by recognising all assets and liabilities whose recognition is required by Ind AS, derecognising items of assets or liabilities which are not permitted to be recognised by Ind AS, reclassifying items from I-GAAP to Ind AS as required, and applying Ind AS to measure the recognised assets and liabilities. The figures for the previous period have been restated, regrouped and reclassified wherever required to comply with the requirement of Ind AS and Schedule III.

The exemptions availed by the Group under Ind AS 101 are as follows:

- i) The Group has adopted the carrying value determined in accordance with I-GAAP for all of its property, plant & equipment as deemed cost of such assets at the transition date.
- ii) The Group has elected to measure investment in subsidiaries and associates at cost.
- iii) The estimates as at April 1, 2024 and at March 31, 2025 are consistent with those made for the same dates in accordance with I-GAAP.

22.C Rights, preferences and restrictions attaching to equity shares

The Holding Company has only one class of equity shares having a par value of Rs.1 per share. Each holder of equity shares is entitled to one vote per share. The interim dividend declared (if any) by the Board of Directors and the final dividend proposed by the Board of Directors and approved by the shareholders in the annual general meeting is paid in Indian rupees. In the event of liquidation of the Holding Company, the holders of equity shares will be entitled to receive remaining assets of the Holding Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

22.D Shareholder holding more than 5% of equity shares as at the end of the year:

Series A and A1 CCPS were initially classified as financial liabilities due to a contractual repurchase obligation under the Shareholders Agreement (SHA). Pursuant to an amendment to the SHA dated October 01, 2024, the said obligation was extinguished, and accordingly, Series A and A1 CCPS have been reclassified from financial liabilities to equity with effect from that date.

Rights, preferences and restrictions attaching to Compulsorily Convertible Preference Shares ("CCPS")

The Company has issued the following series of Compulsorily Convertible Preference Shares: Series A CCPS, Series A1 CCPS, Series B CCPS, Series B2 CCPS and Pre-Series C CCPS (collectively, "CCPS"). The material rights common to all series, and the rights specific to each series, are described below.

Rights common to all series of CCPS

Voting: Holders of all series of CCPS are entitled to voting rights on an as-converted basis, i.e., as if the CCPS had been converted into equity shares at the applicable conversion ratio on the record date, proportionate to the amount paid-up on each share.

Dividend: All series of CCPS carry a cumulative coupon rate of 0.01% per annum on fully paid up shares.

Liquidation preference: In the event of a liquidation, winding-up or other liquidity event, holders of all series of CCPS, upon the shares being fully paid-up, are entitled to Post-conversion ranking: Equity shares issued upon conversion of any series of CCPS shall rank pari passu with all other equity shares of the Company.

Indian Rupees (₹) in lakhs

Series-specific terms**Series A CCPS:**

Conversion terms: Each Series A CCPS shall mandatorily convert into one equity share upon expiry of 20 (twenty) years from the date of issuance. Prior to such mandatory conversion, conversion shall occur upon the earlier of: (i) prior to a Qualified IPO; (ii) at the option of the holder upon occurrence of a Liquidation Event; (iii) at the option of the holder upon occurrence of an Event of Default; or (iv) at any time at the holder's discretion. Additionally, if mandated by applicable law, the Series A CCPS shall automatically convert into equity shares prior to listing of the Company's shares on any stock exchange.

Series A1 CCPS and Series B CCPS:

Conversion terms: Each Series A1 CCPS and Series B CCPS shall mandatorily convert into one equity share on a 1:1 basis upon expiry of 19 (nineteen) years from the date of issuance. Prior to such mandatory conversion, conversion shall occur upon the earlier of: (i) at the option of the holder at any time, by providing written notice to the Company; or (ii) automatically, if mandated by applicable law, prior to listing of the Company's shares on any stock exchange.

Pre-Series C CCPS:

Conversion terms: Each Pre-Series C CCPS shall mandatorily convert into equity shares on a 1:1 basis, on the earlier of: (i) immediately prior to listing of the Company's shares on any stock exchange; or (ii) 30 July 2045. Prior to such mandatory conversion, the holder may at any time at its sole option require the Company to convert the Pre-Series C CCPS into equity shares by issuing a written notice to the Company.

Series B2 CCPS:

Conversion terms: Series B2 CCPS are issued as partly-paid shares with a face value of ₹ 10 per share, against which ₹ 1 per share is paid on issuance and the balance consideration is callable by the Company. Each Series B2 CCPS shall, subject to being fully paid-up, mandatorily convert into 0.91 equity shares on the day following the completion of 19 (nineteen) years from the date of issuance. Prior to such mandatory conversion, conversion shall occur upon the earlier of: (i) at the election of the holder at any time; or (ii) on the latest permissible date prior to the issue of securities to the public in connection with an IPO under applicable law. The conversion ratio is subject to proportionate adjustment for any capital reorganisation including stock splits, sub-division, consolidation, bonus issuances and rights issuances.

Total	53,298.88	22,395.04

Nature and purpose of reserves**a) Statutory Reserve pursuant to Section 45-IC of the RBI Act, 1934**

Statutory reserve represents the reserve created as per section 45IC of the RBI Act, 1934, pursuant to which a Non-banking financial company shall create a reserve fund and transfer therein a sum not less than twenty percent of its net profit annually as disclosed in the statement of profit and loss, before any dividend is declared.

b) Capital reserve

It represents application money received from subscriber of warrants which has lapsed subsequently.

d) Securities Premium

The amount received in excess of face value of the equity shares is recognised in Securities premium. The reserve can be utilised only in accordance with the provisions of the Companies Act, 2013.

f) Share based payments reserve

The fair value of the equity-settled share based payment transactions with employees is recognised in statement of profit and loss with corresponding credit to Employee Share Option Outstanding reserve. The amount of cost recognised transferred to equity share capital and security premium on exercise of the related stock options.

g) Retained earnings

Retained earnings are the profits that the Company has earned till date, less any transfers to statutory reserve and dividend distributions paid to shareholders.

d) Guarantees given by the Subsidiary Company to financial institutions as security for loans taken by the Parent Company	3,000.00	3,000.00	-

36. Capital and Other Commitments

	MARCH 31, 2026	AS AT MARCH 31, 2025	APRIL 01, 2024
i) Loans sanctioned pending disbursement	244.38	4.93	-

37. The Group has not transferred any amount to the Investor Education & Protection Fund during the year ended March 31, 2026 and March 31, 2025.

38. The Group did not have any long term contracts including derivative contracts for which any provision is required for the foreseeable losses.

Indian Rupees (₹) in lakhs

39. Segment reporting (Ind AS 108)

The Group is organised into the following segments which has been determined based on the information reviewed by the Group's Chief Operating Decision Maker (CODM). The accounting policies consistently used in the preparation of the financial statements are also consistently applied to record income and expenditure of individual segments.

Identified business Segments	The business segments
I. Lending	Comprises loans extended from the Group's own balance sheet, earning interest income and related fees, with associated credit risk borne by the Group.
II. Lending Service Provider (LSP)	Comprises sourcing, servicing, and collection of loans on behalf of partner banks / NBFCs under digital lending arrangements, earning fee and commission income, with credit risk borne by the lending partners.

The following is the segment information as at and for the year ended March 31:

	FOR THE YEAR ENDED	
	MARCH 31, 2026	MARCH 31, 2025
I Segment Revenue		
a) Lending	19,377.84	3,509.95
b) Lending Service Provider (LSP)	32,196.75	24,924.10
c) Unallocated	-	-
d) Inter segment elimination	(8,442.19)	(2,445.96)
Total Income	43,132.40	25,988.09
II Segment Results		
a) Lending	4,763.22	(228.98)
b) Lending Service Provider (LSP)	1,737.50	531.00
c) Unallocated	-	-
d) Inter segment elimination	(870.62)	64.51
Profit before taxation	5,630.10	366.53

42. Employee benefits - Disclosure pursuant to Ind AS 19 'Employee Benefits'**42.A Defined contribution plans**

The Group makes contributions to Provident Fund. The contributions payable under this scheme by the Group are at rates specified in the rules of the scheme to a registered fund. The Group has no further obligation towards the scheme beyond the aforesaid contributions. The Group has recognised the following amounts in the Statement of Profit and Loss:

	FOR THE YEAR ENDED	
	MARCH 31, 2026	MARCH 31, 2025
i) Employer's contribution to provident fund	436.03	322.18
ii) Employer's contribution to other funds	6.91	5.32

42.B Defined benefit plan

With the introduction of the Code on Social Security, 2020 w.e.f. November 21, 2025, the Payment of Gratuity Act, 1972 is repealed. While the Act has been repealed, its core provisions have been incorporated into the new Code. The new code has also defined the eligibility of fixed-term employees for gratuity after completion of one year of service and introduced new definition of 'wages'.

The Group has a gratuity plan for its employee's and gratuity benefit applicable to the employees of the Group is computed on the basis of wages capped at 20 lakh. Employees, other than fixed-term employees, who are in continuous service for a period of 5 years; and fixed-term employees who are in continuous service for a period of one year, are eligible for gratuity. The amount of gratuity payable on retirement/ termination is the employee's last drawn basic wages per month computed proportionately for 15 days multiplied by the number of years of service. The liability of Gratuity is recognised on the basis of actuarial valuation. The Defined Benefit Plan of company is unfunded. Actuarial liability is computed using Projected Unit Credit Method.

The new Labour Codes introduced by the Government of India, inter alia, require gratuity to be calculated based on wages constituting at least 50% of total remuneration. This has resulted in an increase in gratuity benefits in respect of services rendered in prior periods, and accordingly, the Group has recognised past service cost amounting to INR 140.00 lakhs during the year. In accordance with Ind AS 19, the past service cost has been recognised in the statement of profit and loss in the current year in which the plan amendment became effective.

a) Principal assumptions used for the actuarial valuations are as follows:

	FOR THE YEAR ENDED	
	MARCH 31, 2026	MARCH 31, 2025
Discount Rate	7.35% to 7.50 % p.a.	6.73 % to 6.84% p.a.
Salary Escalation	10.00 % p.a.	15.00 % p.a.
Attrition Rate	25.00% (Attrition rate for all service group)	30.00% to 32.08% (Attrition rate for all service group)
Mortality Table	Indian Assured Lives Mortality 2012-14 (Urban)	

b) The following table sets out the status of the Defined Benefit Gratuity Plan as per the actuarial valuation by the independent Actuary appointed by the Group:-

	AS AT	
	MARCH 31, 2026	MARCH 31, 2025
Change in present value of defined benefit obligations:		
Defined benefit obligation, beginning of the year	295.92	276.50
Current service cost	182.88	116.04
Past service cost	140.00	-
Interest cost	20.20	19.96
Remeasurements (gains) / losses	-	-
Actuarial (gains) / losses:		
arising from changes in demographic assumptions	53.23	(116.26)
arising from changes in financial assumptions	(187.33)	11.54
arising from changes in experience adjustments	32.46	(10.86)
Transfer in/(out) of liability	-	-
Benefits paid	-	(1.00)
Net transfer in / (out) (and effect of any business combinations/ divestures/transfers)	-	-
Defined benefit obligation, end of the year	537.36	295.92

Indian Rupees (₹) in lakhs

c) Amount recognized in the balance sheet consists of:

Present value of defined benefit obligation
Fair value of plan assets

Net liability / (assets) recognised in balance sheet**FOR THE YEAR ENDED MARCH 31,**

MARCH 31, 2026	MARCH 31, 2025
537.36	295.92

537.36	295.92

d) The amounts recognised in the Statement of Profit and Loss are as follows:**Service Cost**

Current service cost
Past service cost

Total Service cost**(i)****Net interest cost**

Interest expense on DBO
Interest (income) on plan assets

Total Interest cost**(ii)****Defined benefit cost included in Statement of Profit and Loss****(iii) = (i+ii)****FOR THE YEAR ENDED MARCH 31,**

MARCH 31, 2026	MARCH 31, 2025
182.88	116.04
140.00	-
322.88	116.04
20.20	19.96
-	-
20.20	19.96
343.08	136.00

Remeasurements recognised in other comprehensive income (OCI)

Actuarial (gains) / losses on defined benefit obligation
Due to changes in demographic assumptions
Due to changes in financial assumptions
Due to changes in experience adjustments
Return on plan assets (excl. interest income)

Total remeasurement in other comprehensive income (OCI)**(iv)****Total Defined benefit cost included in Statement of P&L and OCI****(v) = (iii + iv)****AS AT MARCH 31,**

MARCH 31, 2026	MARCH 31, 2025
29.67	9.07
23.41	6.92
19.73	5.59
29.60	4.96
34.80	13.58
83.07	69.51
587.12	497.48

e) Maturity analysis of benefit payments

Projected benefits payable in future years from the date of reporting

1st following year
2nd following year
3rd following year
4th following year
5th following year
Sum of years 6 to 10
Sum of years 11 and above

The estimates of future salary growth, factored in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market.

FOR THE YEAR ENDED**f) Sensitivity analysis****Sensitivity level**

Impact on defined benefit obligation

	MARCH 31, 2026 1% increase	MARCH 31, 2025 1% increase	MARCH 31, 2026 1% decrease	MARCH 31, 2025 1% decrease
i) Discount rate	(39.79)	(23.94)	45.53	27.52
ii) Salary Escalation	36.54	20.16	(33.08)	(18.39)
iii) Attrition Rate	(13.99)	(13.72)	15.14	15.21

Note :

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the Balance Sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

Indian Rupees (₹) in lakhs

43. Leases

A. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

B. Group as a lessee

The Group's lease asset classes primarily consist of leases for premises. The Group assesses whether a contract contains a lease, at inception of a contract. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether: (i) the contract involves the use of an identified asset (ii) the Group has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Group has the right to direct the use of the asset.

C. The details of Right to use Asset of the Group are as follows:

Asset Class	PREMISES	
	AS AT	
	MARCH 31, 2026	MARCH 31, 2025
Balance as at beginning of the year (net)	436.09	421.56
Add: Additions / modification during the year	972.85	247.18
Less: Depreciation	(305.39)	(232.65)
Less: Termination during the year	(7.37)	-
Closing Balance as at end of the year	1,096.18	436.09

D Following is the movement in lease liabilities for the period

	MARCH 31, 2026	MARCH 31, 2025
Balance as at beginning of the year	452.83	413.06
Add: Additions / modification during the year	942.83	238.67
Less: Deductions / modification during the year	(8.11)	-
Add: Interest expense	87.79	62.06
Less: Lease payments	(335.55)	(260.96)
Closing Balance as at end of the year	1,139.79	452.83

E. Contractual maturities of lease liabilities on an undiscounted basis

Tenure	AS AT	
	MARCH 31, 2026	MARCH 31, 2025
Less than 1 year	486.76	236.60
1-3 years	726.83	215.18
3-5 years	173.67	100.78
More than 5 years	-	-
Total	1,387.26	552.56

F. Right-of-use assets and lease liabilities related expenses booked in Statement of Profit and Loss

	FOR THE YEAR ENDED	
	MARCH 31, 2026	MARCH 31, 2025
a. Depreciation on right-of-use assets	305.39	232.65
b. Interest on lease liabilities	87.79	62.06
Total	393.18	294.71

G. The total cash outflow for leases for the year ended March 31, 2026 was ₹ 337.37 lakhs (March 31, 2025: ₹ 260.95 lakhs).

Notes:

The Group has adequate liquidity for payment of lease liabilities. The Group regularly monitor and pays lease rentals on timely manner as per the terms of respective leave and license agreement.

The Group has right to extend lease term as per mutually agreed terms laid down in respective leave and license agreement. The Group takes into account effect of extended lease term while recording the lease assets and lease liabilities accordingly.

45. Analysis of risk concentration**45.A Collateral and other credit enhancements**

The Group holds collateral and other credit enhancements against certain of its credit exposures. The secured loans are collateralized against equitable mortgage of property.

Management monitors the market value of collateral and will request additional collateral in accordance with the underlying agreement. In case of defaults by customers, where the Group is unable to recover the dues, the Group through a legal process enforces the security and recovers the dues.

45.B Liquidity risk and funding management

Liquidity risk is defined as the risk that the Group will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk arises because of the possibility that the Group might be unable to meet its payment obligations when they fall due as a result of mismatches in the timing of the cash flows under both normal and stress circumstances. Such scenarios could occur when funding needed for illiquid asset positions is not available to the Group on acceptable terms. To limit this risk, management has arranged for diversified funding sources and adopted a policy of managing assets by monitoring future cash flows and liquidity on a daily basis.

Liquidity risk is managed in accordance with our Asset Liability Management Policy. This policy is framed as per the current regulatory guidelines and is approved by the Board of Directors. The Asset Liability Management Policy is reviewed periodically to incorporate changes as required by regulatory stipulation or to realign the policy with changes in the economic landscape. The Asset Liability Committee (ALCO) of the Group formulates and reviews strategies and provides guidance for management of liquidity risk within the framework laid out in the Asset Liability Management Policy.

Notes to the consolidated financial statements as at and for the year ended March 31, 2026

47. Capital Management

The Group's capital management is intended to create value for shareholders by facilitating the meeting of long-term and short-term goals of the Group. The Group determines the amount of capital required on the basis of annual operating plans and other strategic investment plans. The funding requirements if any will be met through bank borrowings and equity if the need arise.

The primary objectives of the Group's capital management are to ensure that the Group complies with externally imposed capital requirements and maintains strong credit ratings and healthy capital ratios in order to support its business and to maximise shareholders value. The Group manages its capital structure and makes adjustments to it according to changes in economic conditions and the risk characteristics of its activities. Capital Management, objectives and processes are under constant review by the Board.

The Group's capital raising policy is aligned to macro economic situation and incidental risk factors. The Group's cashflows are regularly monitored in sync with annual operating plans and long-term and other strategic investment plans. The operational funding requirements are met through debt and operating cash flows generated. The Group believes this approach would create shareholder value in long run. Also, the Parent Group has adopted a conservative approach for ALM management with primacy to adequate liquidity. At present a large portion of the Group's resource base is equity.

The Group maintains its capital structure in line with economic conditions and the risk characteristics of its activities and the board reviews the capital position on a regular basis.

Gearing ratio :

The gearing ratio at each date were as follows :

PARTICULARS	AS AT MARCH 31, 2026	AS AT MARCH 31, 2025	AS AT APRIL 01, 2024
Debt (I)*	79,415.26	25,632.36	14,965.81
Cash and bank balances (II) #	16,871.83	8,720.75	5,127.14
Net debt (I - II)	62,543.43	16,911.61	9,838.67
Total equity	53,500.08	22,530.23	(5,111.71)
Net debt to equity ratio	1.17	0.75	-1.92 **

* Debt includes debt securities, borrowings and lease liabilities.

Cash and bank balance comprises of cash and cash equivalents and bank balances net of lien marked fixed deposits.

** Net debt to equity ratio on the transition date reflects the classification of Series A CCPS and Series AI CCPS as debt in accordance with Ind AS 32. Following a subsequent amendment to its contractual terms, this instrument was reclassified as equity, significantly reducing the leverage profile in the subsequent periods.

48. Change in liabilities arising from financing activities

*includes the effect of amortisation of borrowing cost and interest accrued on borrowings.

^ Movement in other - non cash is due to change in classification from debt to equity.

Indian Rupees (₹) in lakhs

49. Fair value measurements

The fair value of a financial instrument on initial recognition is normally the transaction price (fair value of the consideration given or received). Subsequent to initial recognition, the Group determines the fair value of financial instruments that are quoted in active markets using the quoted bid prices (financial assets held) or quoted ask prices (financial liabilities held) and using valuation techniques for other instruments. Valuation techniques include discounted cash flow method, market comparable method, recent transactions happened in the Group and other valuation models.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions, regardless of whether that price is directly observable or estimated using a valuation technique.

Ind AS 107, 'Financial Instrument - Disclosure' requires classification of the valuation method of financial instruments measured at fair value in the balance Sheet, using a three level fair-value-hierarchy (which reflects the significance of inputs used in the measurements). The hierarchy gives the highest priority to un-adjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair-value-hierarchy under Ind AS 107 are described below:

49.A Financial instruments by category**49.A.1 As at March 31, 2026**

PARTICULARS	FAIR VALUE HIERARCHY	FVTPL	AMORTISED COST	FVTOCI	TOTAL CARRYING VALUE	FAIR VALUE

- Mutual funds	Level 1	-	-	-	-	-
Derivative financial instruments		-	-	-	-	-
Guarantee asset		-	2,900.28	-	2,900.28	2,900.28
Other financial Assets		-	588.61	-	588.61	588.61
Total financial assets		-	16,327.00	-	16,327.00	16,469.27
Financial liabilities						
Trade payables		-	1,991.19	-	1,991.19	1,991.19
Debt securities	Level 3	-	5,962.56	-	5,962.56	5,962.56
Borrowings (Other than debt securities)	Level 3	-	8,590.19	-	8,590.19	8,592.05
Lease liabilities		-	-	-	-	-
Guarantee liability		-	3,330.18	-	3,330.18	3,330.18
Other financial liabilities		-	999.34	-	999.34	999.34
Total financial liabilities		-	20,873.46	-	20,873.46	20,875.32

The Guarantee Asset and Guarantee Liability are classified under Level 3 of the fair value hierarchy. The fair value of the Guarantee Asset is considered to approximate its carrying value, as the contractual interest rate is reflective of current market rates as at the reporting date. The fair value of the Guarantee Liability is also considered to approximate its carrying value, as the balance is measured based on expected credit losses estimated in accordance with Ind AS 109.

Short-term financial assets and liabilities For financial assets and financial liabilities that have a short-term maturity (less than twelve months), the carrying amounts, which are net of impairment, are a reasonable approximation of their fair value. Such instruments include cash and cash equivalents, balances other than cash and cash equivalents, trade receivables, other financial assets, borrowings, trade payables and other financial liabilities without a specific maturity.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

Indian Rupees (₹) in lakhs

50. Risk Disclosures

Through its business, the Group is exposed to credit, liquidity, and market risks. It operates under a robust, Board-guided financial risk management framework to identify, evaluate, and mitigate these risks across its financial assets and liabilities.

Senior Management monitors this framework, setting strict risk limits and continually assessing market conditions. This note outlines the Group's risk exposures, management strategies, and their financial statement impact.

	RISK	EXPOSURE ARISING FROM	MEASUREMENT	RISK MANAGEMENT
a	Credit risk - is the risk that the Group will incur a loss because its customers or counterparties fail to discharge their contractual obligations.	Loans and Investments	Measured as the potential loss from customer or counterparty defaults. Credit risk is assessed using leading indicators like installment default rates, overdue positions, credit bureau data, and Stage 2/Stage 3 asset proportions.	The Group manages and controls credit risk by setting limits on the amount of risk it is willing to accept for individual counterparties.
b	Liquidity risk - is the risk arises from mismatches in the timing of cash flows and inability to raise incremental borrowings.	Financial liabilities	Measured by identifying gaps in structural and dynamic liquidity. It assesses incremental borrowings required to service repayment obligations, considering the Group's business plan and prevailing market conditions.	Liquidity risk is managed by the Group's treasury team under liquidity risk management framework through various means like liquidity buffers, sourcing of long-term funds, positive asset liability mismatch, keeping strong pipeline of sanctions from banks to counter extreme liquidity situation under the guidance of Board
c	Market risk: interest rate - this risk arises from fluctuation in the fair value of future cashflows due to changes in market variables such as interest rates.	Investments, borrowings, debt securities	Measured by tracking price changes and evaluating asset-liability repricing mismatches to determine portfolio movements.	Managed through the continuous monitoring and review of the cost of funds and strategic pricing of disbursements.

50.A Credit risk

Credit risk is the risk that the Group will incur a loss because its customers or counterparties fail to discharge their contractual obligations. The Group manages and controls credit risk by setting limits on the amount of risk it is willing to accept for individual counterparties.

A. Loans

The Group's primary strategy is focused on lending to retail customers and therefore credit risk is the principal risk associated with the business. The Group continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls.

B. Investments

The Group invests mutual funds and other short-term instruments. Credit risk on such investments is mitigated as the Group monitors the credit ratings and reputation of the fund houses and limits its exposure to highly rated and regulated investment vehicles.

50.A.1 Risk Identification

Credit risk for the Group primarily originates from its retail lending operations, categorized into unsecured and secured loan portfolios, through:

Credit Assessment Gaps: Inaccuracies in evaluating a borrower's creditworthiness, repayment capacity, or leverage levels.

Indian Rupees (₹) in lakhs

50. Risk Disclosures

Adverse Selection: Onboarding high-risk customer segments or borrowers who have over-extended their borrowing capacity.

Concentration Risk: Over-exposure of the loan portfolio within specific geographies, sourcing channels, or customer segments.

Collateral Volatility: For secured loans, a deterioration in the underlying property value or legal defects affecting asset recovery.

Macroeconomic Shifts: Economic downturns or inflation that directly compress borrower disposable income, impacting timely EMI servicing.

50.A.2 Risk Assessment and Measurement

The Group assesses and manages credit risk based on characteristics of underlying financial instruments.

50.A.3 Risk Monitoring

Risk monitoring and follow-up are central to the risk management framework, executed across all levels of the organization based on established limits. The Group actively categorizes borrowers into risk buckets to identify potential stress early and implement corrective actions. Performance indicators are tracked continuously across both loan origination and post-disbursal flows to highlight areas requiring deeper diagnostic reviews and proactive collection strategies.

The underlying risk monitoring metrics track performance across each stage of the loan life cycle:

Credit Origination & Sanction: Underwriting attributes are evaluated at entry, including customer type (fresh/repeat), bureau scores, income, Fixed Obligation to Income Ratio (FOIR), geography, KYC pendencies, and early fraud-related delinquencies.

Credit Monitoring: Potential losses from overdue accounts are assessed by tracking D0 bounce rates, portfolio-level 30+/90+ days past due (DPD) stress, and asset write-offs.

Static Pool Analysis: Early risk metrics, such as First EMI (FEMI) defaults and month-on-month vintage charts, are utilized to compare the performance of loan cohorts generated across different time periods.

Collection and Recovery: Overall collection efficiency is monitored alongside roll-forward and roll-backward rates.

50.A.4 Risk Mitigation

Risk mitigation involves reducing credit exposures and minimizing the likelihood of default. Given our product mix and life-cycle monitoring, specific measures are integrated across our portfolios:

Loan Origination & Underwriting: Risk is mitigated at entry through multi-layered checks, including profile and income selection, document verification, KYC compliance, bureau score evaluations.

Loan Disbursement: Credit is disbursed exclusively into verified bank accounts of the borrowers.

Loan Collection and Recovery: Repayments are tracked using a disciplined, stage-wise collection framework.

Surplus Fund Management: To ensure capital preservation, temporary surplus funds are placed only in low-risk, highly liquid short-term instruments approved by the Investment and Borrowing Committee.

50.A.5 Impairment assessment

Classification of financial assets under various stages

The Group classifies its financial assets in three stages having the following characteristics:

- Stage 1: which are not credit impaired as on date and without significant increase in credit risk since initial recognition on which a 12-month allowance for ECL is recognised;
- Stage 2: a significant increase in credit risk since initial recognition on which a lifetime ECL is recognised; and
- Stage 3: objective evidence of impairment and therefore considered to be in default or otherwise credit impaired on which a lifetime ECL is recognised.

Indian Rupees (₹) in lakhs

50. Risk Disclosures

Treatment and classification methodology of different stages of financial assets is detailed in note no. 3.3 (i).

Computation of impairment on financial instruments

The Group calculates impairment on financial instruments as per ECL approach prescribed under Ind AS 109 'Financial Instruments'. ECL uses three main components: PD (probability of default), LGD (loss given default) and EAD (exposure at default) along with an adjustment considering forward macroeconomic conditions. For further details of computation of ECL please refer to material accounting policies note no 3.3 (i).

The Group recalibrates components of its ECL model periodically by; (1) using the available incremental and recent information, except where such information does not represent the future outcome, and (2) assessing changes to its statistical techniques for a granular estimation of ECL.

Measurement of ECL

Expected Credit Loss or ECL is measured in the following manner.

The Group calculates ECL based on probability-weighted scenarios to measure the expected cash shortfalls, discounted at an approximation to the EIR. A cash shortfall is the difference between the cash flows that are due to the Group in accordance with the contract and the cash flows that the Group expects to receive.

ECL = PD*LGD*EAD

Each item is defined as follows: -

ECL - Expected credit loss

Present value of difference between contractual cash flows and actual cash flows expected to be received over a given time horizon.

PD - Probability of default

The Probability of default is an estimate of the likelihood of default over a given time horizon.

LGD - Loss given default

The Loss Given Default is an estimate of the loss arising in the case where a default occurs at a given time. It is based on the difference between the contractual cash flows due and those that the Group would expect to receive, including from the realisation of any collateral. It is usually expressed as a percentage of the EAD.

EAD- Exposure at default

EAD represents the expected balance at default, taking into account the repayment of the principal and interest from the balance sheet date to the date of default.

ECL provisions for the LAP portfolio, which was newly launched in FY26, have been estimated based on external market benchmarks in the absence of historical internal data

Indian Rupees (₹) in lakhs

50. Risk Disclosures**50.A.6** The table below summarises the maturity profile of the undiscounted cash flow of the Group's financial liabilities:**As at March 31, 2026**

Total	1,991.19	6,542.92	8,738.34	480.66	4,329.51

50.C Market Risk

Market risk is the risk that the fair value or future cash flows of financial instruments will fluctuate due to changes in market factors, such as interest rates. The Group's objective is to manage this volatility to protect earnings and equity.

(1) Interest rate risk

Interest rate risk is the risk that market rate changes will affect the Group's cash flows or financial position. The Group's primary exposure arises from fixed-rate lending funded by bank and financial institution borrowings at floating rates. To assess this risk, exposure is evaluated via interest rate sensitivity gap analysis and Earnings at Risk. The Group regularly monitors financing markets to adjust its borrowing strategies, thereby maintaining optimal maturity profiles and minimizing financing costs.

The following table demonstrates the sensitivity to a reasonably possible change in interest rates (all other variables being considered as constant) of the Group's statement of profit and loss and equity.

50.C.1 As at March 31, 2026

FINANCIAL INSTRUMENTS TYPE	INCREASE / (DECREASE) IN BASIS POINTS (BPS)	SENSITIVITY OF PROFIT OR LOSS
Borrowings	50 bps Up 100 bps Up 50 bps Down 100 bps Down	Impact on profit before tax
		(130.17) (260.34) 130.17 260.34

Indian Rupees (₹) in lakhs

50.C.2 As at March 31, 2025

FINANCIAL INSTRUMENTS TYPE	INCREASE / (DECREASE) IN BASIS POINTS (BPS)	SENSITIVITY OF PROFIT OR LOSS
Borrowings	50 bps Up	(51.63)
	100 bps Up	(103.26)
	50 bps Down	51.63
	100 bps Down	103.26

Fairvalue sensitivity analysis for fixed-rate instruments:

The Group does not account for any fixed-rate financial asset and liabilities at fairvalue through profit or loss. Therefore a change in interest rates at the reporting period would not affect profit or loss.

51. Loans - Overdue greater than 90 days

	AS AT MARCH 31, 2026	AS AT MARCH 31, 2025	AS AT APRIL 01, 2024
a) No. of cases	1,823	1,454	256
b) Principal outstanding	1,341.71	437.33	57.52
c) Total outstanding	1,861.73	558.46	68.73

52. Transferred financial assets that are not derecognised in their entirety

The Group has transferred certain pools of fixed rate loan receivables by entering in to securitisation transactions with the Special Purpose Vehicle Trusts ("SPV Trust") for consideration received in cash at the inception of the transaction.

The Group, being Originator of these loan receivables, also acts as Servicer with a responsibility of collection of receivables from its borrowers and depositing the same in Collection and Pay-out Account maintained by the SPV Trust for making scheduled pay-outs to the investors in Pass Through Certificates (PTCs) issued by the SPV Trust. These securitisation transactions also requires the Group to provide for first loss credit enhancement in various forms, such as, Excess Interest Spread, Over collateral and cash collateral as credit support in the event of shortfall in collections from underlying loan contracts. By virtue of existence of credit enhancement, the Group is exposed to credit risk, being the expected losses that will be incurred on the transferred loan receivables to the extent of the credit enhancement provided.

The following table provide a summary of financial assets that have been transferred in such a way that part or all of the transferred financial assets do not qualify for de-recognition, together with the associated liabilities:

THE VALUE OF FINANCIAL ASSETS AND LIABILITIES

PARTICULARS	AS AT MARCH 31, 2026	AS AT MARCH 31, 2025	AS AT APRIL 01, 2024
Carrying amount of transferred assets measured at amortised cost	7,522.74	-	-

54. Share Based Payments**54.A Modification of Share Appreciation Rights (Cash-settled)**

The Parent Company had constituted a Share Appreciation Rights Plan (SARs) namely, "Finnable Phantom Stock Plan 2019" under which eligible employees of the Subsidiary Company were granted SARs that entitled them to a cash payment upon exercise. The amount of cash payment under this plan was determined based on the price of the Parent Company's shares at the time of exercise of the SARs. Such SARs were accounted as a cash-settled share based payment till year ended March 31, 2024.

On April 1, 2024 the Parent Company has replaced such SAR plan with an equity-settled stock option plan, which is called "Finnable Employee Stock Option Plan 2024" ("ESOP 2024"). Under this new ESOP 2024, employees have received 25,260 stock options in lieu of an equal number of SARs previously granted. The Subsidiary Company has accounted for such replacement as a modification.

PARTICULARS	NO OF OPTIONS	AMOUNT IN ₹ LAKHS
Outstanding as on April 01, 2024	44,703	1,044.64
Less:		
Transfer to share based payments reserve on account of modification	(25,260)	(293.71)
Modification gain	NA	(251.64)
Paid, reversed and forfeited	(19,443)	(499.29)
Outstanding as on March 31, 2025	-	-

54.B Employee Stock Option

On March 30, 2024, the board of directors of the Parent Company has approved the Finnable Stock Option Plan 2024 ("ESOP 2024") for issue of stock options to the eligible employees of the Group. According to the ESOP 2024, selected employees from time to time will be entitled to options as per the Letter of Grant, subject to satisfaction of the prescribed vesting conditions. The other relevant terms are as below:

The details for stock options granted and lapsed during the year, pursuant to the ESOP 2024, has been provided below. The share based payment cost is computed under the fair value method and has been recognised over the vesting period up to 31 March 2026.

The activity of the ESOP 2024 is summarised below:

PARTICULARS	FOR THE YEAR ENDED MARCH 31, 2026		FOR THE YEAR ENDED MARCH 31, 2025	
	NO. OF OPTIONS	WEIGHTED AVERAGE EXERCISE PRICE (₹)	NO. OF OPTIONS	WEIGHTED AVERAGE EXERCISE PRICE (₹)
Employees of the Parent Company				
Options outstanding at the beginning of the year	-	-	-	-
Granted during the year	9,916	3,291	-	-
Lapsed during the year	-	-	-	-
Transferred during the year	17,350	380	-	-
Options outstanding at the end of the year	27,266	1,446	-	-
Employees of the Subsidiary Company				
Options outstanding at the beginning of the year	40,260	1,356	-	-
Granted during the year	20,150	3,291	40,260	1,356
Lapsed during the year	(2,160)	3,279	-	-
Transferred during the year	(17,350)	380	-	-
Options outstanding at the end of the year	40,900	2,621	40,260	1,356
Options outstanding at the end of the year	68,166	2,151	40,260	1,356

Particulars	FOR THE YEAR ENDED	
	MARCH 31, 2026	MARCH 31, 2025
The weighted average fair value of the new ESOPs granted during the year	1142.91	1927.34

Fair value methodology

The fair value of ESOP are measured using Black-scholes-merton formula. Measurement input includes share price on measurement date, exercise date of the instrument, exercise price, expected life, risk free interest rate, expected dividend yield, expected volatility.

The following table summarizes the assumptions used in calculating the grant date fair value.

PARTICULARS	AS AT MARCH 31, 2026	AS AT MARCH 31, 2025
Expected life of the options	10 to 15 years	10 to 15 years
Expected volatility	54%	57%
Expected dividend yield	0%	0%
Risk-free interest rate	6.27%	7.07%

54.C Other Share based Payments

The Group has granted equity instruments to certain Key Managerial Personnel of the Group. The instruments are fully vested and exercisable as at the reporting date. As at year end, 1,59,869 equity instruments are outstanding. The fair value at grant date has been determined using the Black-Scholes valuation model. The key inputs used in the model include the fair value of the underlying equity shares of ₹2,954, expected volatility of 34.58%, risk-free interest rate of 5.71% and an expected option life of 2 years.

PARTICULARS	FOR THE YEAR ENDED MARCH 31,	
	2026	2025
a. Weighted average market price of the ESOPs exercised	NA	NA
b. Share based payment cost recognised in the Statement of Profit and Loss (₹ in lakh)	1,344.85	445.55

Indian Rupees (₹) in lakhs

55. Disclosure pursuant to Ind AS 115 "Revenue from Contracts with Customers"

55.A The Group earns revenue from Lending Partners by providing loan sourcing and servicing services. Revenue is recognised in accordance with Ind AS 115 – Revenue from Contracts with Customers and, in respect of the guarantee arrangement, Ind AS 109 – Financial Instruments.

The Group's revenue comprises three streams:

(i) Sourcing Fee – Recognised at a point in time, in full, upon completion of loan origination / disbursement, being the point at which the performance obligation is satisfied.

(ii) Fees from financial guarantee – The Default Loss Guarantee provided to Lending Partners meets the definition of a financial guarantee contract under Ind AS 109. The guarantee liability is initially recognised at fair value and subsequently measured at the higher of
(a) the ECL allowance under Ind AS 109 and

(b) the amount initially recognised less cumulative income under Ind AS 115.

Fee income is recognised on a straight-line basis over the guarantee period.

(iii) Servicing Fee – Service fees, computed as a fixed percentage of Assets Under Management (AUM), constitute variable consideration under Ind AS 115, as the underlying asset values are subject to change due to scheduled repayments and factors outside the Company's control. Accordingly, revenue is recognised over time based on crystallised AUM values determined on a monthly basis, to the extent that it is highly probable that a significant reversal of cumulative revenue recognised will not occur

55.B The Group has recognised following amounts relating revenue in the Statement of Profit and Loss:

PARTICULARS	FOR THE YEAR ENDED	
	MARCH 31, 2026	MARCH 31, 2025
Revenue from contracts with customers		
a) Servicing fees	18,145.35	3,117.98
b) Sourcing fees	174.17	0.11
c) Fees from financial guarantee	336.52	77.96
Total Revenue	18,656.04	3,196.05

55.C Disaggregation of revenue from contracts with customers

In the following table, revenue is disaggregated by primary geographical market and timing of revenue recognition:

PARTICULARS	FOR THE YEAR ENDED	
	MARCH 31, 2026	MARCH 31, 2025
Primary Geographical Market		
i) Within India	18,656.04	3,196.05
ii) Outside India	-	-
Total	18,656.04	3,196.05
Timing of revenue recognition		
i) At a point in time	14,418.72	66.52
ii) Over a period of time	4,237.32	3,129.53
Total	18,656.04	3,196.05

Indian Rupees (₹) in lakhs

55.D Contract Balances

The following table provides information about receivables, contract assets and contract liabilities from contracts with customers:

PARTICULARS	AS AT		
	MARCH 31, 2026	MARCH 31, 2025	APRIL 01, 2024
Contract Assets			
a) Trade Receivables	6,834.97	5,702.31	4,163.62
b) Guarantee asset	8,911.34	6,877.02	2,900.28
(A)	15,746.31	12,579.33	7,063.90
Contract Liabilities			
c) Income received in advance	2,210.45	1,492.64	433.21
d) Guarantee liabilities	7,172.69	5,797.47	3,330.18
(B)	9,383.14	7,290.11	3,763.39
Total Net (A - B)	6,363.17	5,289.22	3,300.51

55.E Reconciliation / Movement in Contract Balances**A. Movement in Value of Contract Assets**

PARTICULARS	GUARANTEE ASSETS	
	FY 2025-26	FY 2024-25
Balance as the beginning of the year	6,877.02	2,900.28
Add: Initial recognition during the year#	7,058.35	6,736.31
Add: Interest on unwinding of financial guarantee	410.12	827.47
Less: Received during the year	(4,443.42)	(3,113.63)
Less: Derecognition during the year*	(990.73)	(473.40)
Balance as the end of the year	8,911.34	6,877.02

B. Movement in Value of Contract Liabilities

PARTICULARS	GUARANTEE LIABILITIES	
	FY 2025-26	FY 2024-25
Balance as the beginning of the year	5,797.47	3,330.18
Add: Initial recognition during the year#	7,058.35	6,736.31
Less: Income during the year	(3,827.20)	(2,192.03)
Add: ECL Charge / (Credit) during the year	(147.39)	(544.15)
Less: Derecognition during the year*	(990.73)	(473.40)
Less: Income received in advance	(717.81)	(1,059.43)
Balance as the end of the year	7,172.69	5,797.47

The Initial recognition is on account of loan origination

* The Derecognition is on account of settlements and foreclosures.

56. Unsatisfied performance obligations

The aggregate value of performance obligations that are completely or partially unsatisfied as at March 31, 2026, is approximately INR 2,210.45 lakhs (March 31, 2025: INR 1,492.64). Out of this, the Company expects to recognize revenue of INR 2,043.04 lakhs within the next one year. The remaining 167.41 lakhs will be recognised in the financial year 2027-2028.

Notes to the consolidated financial statements as at and for the year ended March 31, 2026

58. Transition to Ind AS

These financial statements, for the year ended March 31, 2026, are the first financial statements which have been prepared in accordance with Ind AS. In accordance with the transition provision specified under Ind AS 101, the date of transition to Ind AS is April 1, 2024. For periods up to and including the year ended March 31, 2025, the Group prepared its financial statements in accordance with accounting standards notified under the Companies (Accounting Standards) Rules, 2021 ("Previous GAAP") and other relevant provisions of the Act.

Accordingly, the Group has prepared financial statements which comply with Ind AS applicable for year end on March 31, 2026, together with the comparative period data as at and for the year ended March 31, 2025, as described in the summary of material accounting policies. In preparing these financial statements, the Group's opening balance sheet was prepared as at April 01, 2024, being the Group's date of transition to Ind AS. This note explains the principal adjustments made by the Group in restating its Previous GAAP financial statements, including the balance sheet as at April 01, 2024 and the financial statements as at and for the year ended March 31, 2025.

Optional exemptions availed and mandatory exceptions

In preparing the first Ind AS financial statements, the Group has applied the below mentioned optional exemptions and mandatory exceptions

A) Mandatory exceptions**i) Estimates**

The estimates as at April 01, 2024 and as at March 31, 2025 are consistent with those made for the same dates in accordance with Previous GAAP (after adjustments to reflect any differences in accounting policies) apart from impairment of financial assets based on expected credit loss model in accordance with Ind AS at the date of transition as these were not required under the Previous GAAP.

The estimates used by the Group to present these amounts in accordance with Ind AS reflect conditions as at April 01, 2024, the date of transition to Ind AS and as of March 31, 2025.

ii) De-recognition of financial assets and liabilities

Ind AS 101 requires a first time adopter to apply the de-recognition provisions of Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind AS. However Ind AS 101, allows a first time adopter to apply the de-recognition requirements in Ind AS 109 retrospectively from a date of entity's choosing, provided that the information needed to apply Ind AS 109 to financial assets and financial liabilities derecognised as a result of past transactions was obtained at the time of initially accounting for those transactions.

The Group has elected to apply the derecognition provisions of Ind AS 109 prospectively from the date of transition to Ind AS.

iii) Classification and measurement of financial assets

Ind AS 101 requires an entity to assess classification and measurement of financial assets on the basis of facts and circumstances that exist at the date of transition to Ind AS. Financial assets can be measured using effective interest method by assessing its contractual cash flow characteristics only on the basis of facts and circumstances existing at the date of transition and if it is impracticable to assess the use of effective interest method, fair value of financial asset at the date of transition shall be the new carrying amount of that asset. The measurement exemption applies for financial liabilities as well.

Accordingly, the Group has determined the classification of financial assets based on facts and circumstances that exist on the date of transition. Measurement of the financial assets accounted at amortised cost has been done retrospectively except where the same is impracticable.

B) Optional exemptions**i) Leases**

Ind AS 101 provides an option to make the assessment of whether a contract or arrangement contains a lease under Ind AS 116 on the basis of facts and circumstances existing at the date of transition to Ind AS, rather than at the inception of the contract or arrangement, except where the effect is expected to be material.

The Group has elected to apply this exemption for such contracts/arrangements.

The effect of the Group's transition to Ind AS is summarized as reconciliations of Equity, Profit and Total comprehensive income with Previous GAAP as explained below:

58.D Reconciliation of Cash flow Statement

PARTICULARS	AMOUNT AS PER PREVIOUS GAAP	EFFECTS OF TRANSITION TO IND AS	AMOUNT AS PER IND AS
Net cash (used in) operating activities	(31,217.84)	(1,229.54)	(32,447.38)
Net cash generated from / (used in) investing activities	(278.02)	(249.35)	(527.37)
Net cash generated from financing activities	36,363.28	1,517.74	37,881.02
Net increase in cash and cash equivalents	4,867.42	38.85	4,906.27
Cash and cash equivalent as at the beginning of the year	3,811.58	2.90	3,814.48
Cash and cash equivalent as at the end of the year	8,679.00	41.75	8,720.75

Notes :**1 Impairment of financial assets**

Under Previous GAAP, loan losses and provisions were computed basis RBI guidelines and Management estimations. Under Ind AS, the same is required to be computed as per the impairment principles laid out in Ind AS 109 – 'Financial Instruments' which prescribes the expected credit loss model (ECL model) for the same. Accordingly, the difference between provisions as computed under Previous GAAP and as computed under Ind AS is adjusted in retained earnings as at the date of transition and subsequently in the Statement of Profit and Loss for the year ended March 31, 2025.

2 Adoption of EIR for amortisation of expenses - financial liabilities (borrowings) measured at amortized cost

Under Previous GAAP, transaction costs incurred on borrowings (including processing fees, upfront charges, and other directly attributable costs) were charged to the Statement of Profit and Loss upfront. Under Ind AS, such costs are included in the initial recognition amount of the financial liability and recognised as interest expense over the tenure of the borrowing using the EIP method. Accordingly, the difference has been adjusted in retained earnings as at the date of transition, and subsequently recognised in the Statement of Profit and Loss.

3 Adoption of EIR for amortisation of income & expenses - financial assets (loans receivable) measured at amortized cost

Under Previous GAAP, processing fees collected from borrowers and sourcing/origination costs incurred were recognised upfront in the Statement of Profit and Loss. Under Ind AS, such fees income and directly attributable sourcing/origination costs are included in the initial recognition amount of the loan receivable and recognised as interest income over the tenure of the loan using the EIR method. Accordingly, the difference between the carrying value of loan receivables as computed under Previous GAAP and as computed under Ind AS has been adjusted in retained earnings as at the date of transition and subsequently recognised in the Statement of Profit and Loss.

4 Reclassification of Instruments in the Nature of Equity to Financial Liabilities

Under Previous GAAP, Series A and Series A1 Compulsorily Convertible Preference Shares (CCPS) were classified as equity. Under Ind AS, the same were reclassified as financial liabilities at the date of transition on account of a contractual repurchase obligation under the Shareholders Agreement (SHA). Accordingly, equity as at the date of transition was reclassified to exclude the carrying value of such CCPS. Pursuant to an amendment to the SHA dated October 01, 2024, whereby the repurchase clause was removed, the CCPS have been reclassified back to equity (Instruments in the Nature of Equity) with effect from that date.

5 Revenue from financial guarantee contracts under Ind AS 115

Under Previous GAAP, guarantee fee income was recognised on a billing basis in accordance with AS 9 – 'Revenue Recognition', i.e., as and when invoices were raised on the lending partner.

Under Ind AS, financial guarantee contracts are initially recognised at fair value under Ind AS 109. Subsequent to initial recognition, the guarantee fee income is recognised over the tenure of the guarantee obligation on a straight-line basis in accordance with Ind AS 115 – 'Revenue from Contracts with Customers', as the performance obligation is satisfied over time.

The difference arising on account of this change in recognition pattern has been adjusted in retained earnings as at the date of transition, with subsequent adjustments recognised in the Statement of Profit and Loss.

6 Impact of application of lease accounting under Ind AS 116

Under Previous GAAP, payments made under operating leases (net of any incentives received from the lessor) were charged to statement of profit and loss on a straight-line basis over the period of the lease unless, the payments are structured to increase in line with expected general inflation, to compensate for the lessor's expected inflationary cost increases.

Ind AS 116 requires recognition of an asset (the right-of-use the leased item) and a financial liability to pay rentals. In the Statement of Profit and Loss, lessees presents interest expense on the lease liability and depreciation on the right-of-use asset.

7 Impairment on financial instruments

Under Previous GAAP, there was no specific guidance for recognition of financial guarantee contracts. Provisions, if any, were recognised based on management estimation of probable losses in accordance with AS 29 – 'Provisions, Contingent Liabilities and Contingent Assets'.

Under Ind AS, financial guarantee contracts are scoped under Ind AS 109 – 'Financial Instruments'. Ind AS 109 prescribes the Expected Credit Loss (ECL) model for measurement of impairment on financial guarantee obligations.

The difference between the provision recognised under Previous GAAP and the Ind AS 109 has been adjusted in retained earnings as at the date of transition. Subsequent movements in the ECL loss allowance are recognised in the Statement of Profit and Loss.

8 Actuarial gain / loss transferred to other comprehensive income (defined benefit liabilities)

Under Ind AS, all items of income and expense recognised in a period should be included in the Statement of Profit and Loss for the period, unless a standard requires or permits otherwise. Items of income and expense that are not recognised in profit or loss but are shown in the statement of profit and loss as 'other comprehensive income' includes remeasurements of defined benefit plans. The concept of other comprehensive income did not exist under previous GAAP.
