Independent Auditor's Limited Review Report on the Unaudited Financial Results of the company for the quarter and six months ended September 30, 2026 pursuant to Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

Limited review report to the Board of Directors of Akara Capital Advisors Private Limited

Introduction

1. We have reviewed the accompanying statement of unaudited standalone financial results of Akara Capital Advisors Private Limited ("the Company") for the quarter and six months ended September 30, 2026 ("the Statement"). This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.

Management's Responsibility

2. This Statement has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("IND AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 52 of the Securities and Exchange Board of India ("SEBI") (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") as the Company has listed its Non-Convertible Debentures.

Scope of Review

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited standalone financial results, prepared in accordance with applicable accounting standards and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, including the manner in which it is to be disclosed, or that it contains any

material misstatement.

Restriction on distribution or use

5. The Statement has been prepared by the Company's Management for the quarter and six months ended 30th September 2026, pursuant to the requirements of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time and therefore, it may not be suitable for other purpose. This review report is issued solely for the aforementioned purpose, and accordingly should not be used, referred to or distributed for any other purpose or to any other party without our prior written consent. Further, we do not accept or assume any liability or any duty of care for any other purpose for which or to any other person to whom this review report is shown or into whose hands it may come without our prior consent in writing.

[1] Tangible Net worth equals to amount paid on issued equity share capital, compulsory convertible instruments and any amount standing up to the credit of its reserves, less equity and equity like investments and other intangible assets.

[2] In the calculation of Capital Tier-I, DLG Outstanding has been deducted in accordance with Reserve Bank of India (Non-Banking Financial Companies – Prudential Norms on Capital Adequacy) Directions, 2025 (updated as on 01st April 2026) issued by RBI on 28th November, 2025. Thus, the same has not been adjusted separately for the covenants specifically requiring its adjustment from Capital Adequacy Ratio.

[3] Trailing 6 months write-offs are net of bad debt recoveries made by the company during the said period.

[4] Gross NPA on overall portfolio and Net NPA on own portfolio is calculated as on 30th September 2026.

[5] Tangible Net worth equals to amount paid on issued equity share capital, compulsory convertible instruments and any amount standing up to the credit of its reserves, less equity and equity like investments, goodwill, deferred tax assets, and other intangible assets net of contingent liability.

[6] Solely for the purposes of this certificate, the amount reported in respect of bad debts/write-offs of the loan portfolio has been computed on a net disbursement basis, being the principal balances written off less the Processing Fees, Transaction Fees and Other Fee, as applicable (excluding GST) deducted upfront at disbursement and attributable to those balances. The attributable Processing Fees, Transaction Fees and Other Fees have been determined in proportion to the principal amount written off relative to the sanctioned loan principal.
