Independent Auditor's Review Report on the Unaudited Standalone Financial Results of Kanakadurga Finance Limited for the Half Year ended September 30, 2026 pursuant to Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015."

The Board of Directors
Kanakadurga Finance Limited.

1. We have reviewed the accompanying statement of unaudited financial results of Kanakadurga Finance Limited (The NBFC) for the period ended 30th September 2026. This statement is the responsibility of the NBFC's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 - "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, including the manner in which it is to be disclosed, or that it contains any material misstatement or that it has not been prepared in accordance with the relevant prudential norms issued by the Reserve Bank of India in respect of income recognition, asset classification, provisioning and other related matters.

Our conclusion is not modified in respect of this matter.
