Accordingly, we do not express such an opinion.

7) A limited assurance engagement includes performing procedures to obtain sufficient and appropriate audit evidence on the reporting criteria as mentioned in Para 5 above. The procedures performed in a limited assurance engagement vary in nature and timing from and are less in extent than for a reasonable assurance engagement and consequently, the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed.

This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial results are free from material misstatement. A review is limited primarily to inquiries of Bank's personnel and analytical procedures applies to financial data and thus provides less assurance than an audit.

10) For the purpose of this certificate, we conducted our examination in accordance with the Guidance Note on Reports or Certificates for Special Purposes ("the Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI) and also Standards on Auditing issued by the ICAI. The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
