Sub: Intimation Regarding the Scheme of Reduction of Capital and Consolidation.

Dear Sir/Madam,

We wish to inform you that the Board of Directors of Shree Securities Limited ("the Company") has approved the Scheme of Reduction of Capital and Consolidation at their meeting held on Friday, September 04, 2026, and the shareholders of the Company at the Annual General Meeting ("AGM") held on Tuesday, September 29, 2026. The Scheme is aimed at improving the financial position of the Company by eliminating accumulated losses and simplifying its capital structure.

As per the Scheme, the proposed reduction and consolidation of the paid-up equity share capital is intended to extinguish the debit balance of accumulated losses standing in the Company's books by setting it off against the paid-up equity share capital, thereby restoring the Balance Sheet to reflect the true and fair financial position of the Company.

We would like to highlight that this Scheme falls under Regulation 37(6) (b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, which states that:

"Nothing contained in this regulation shall apply to draft schemes which: (b) solely provide for writing off the accumulated losses against the share capital of the listed entity applied uniformly across all shareholders on a pro-rata basis or against the reserves of the listed entity."

As per this regulation, we understand that the Scheme does not fall under the purview of the approval process typically required for other types of capital reduction schemes.

We further wish to inform you that the outcome of the Board meeting held on Friday, September 04, 2026, including the Board meeting PDF and the applicable XBRL filings, have been duly submitted on the same day and within the due time, ensuring full compliance with the regulatory timelines as required under Regulation 30, Schedule 111, Part A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

In compliance with the regulatory requirements, we are submitting the Scheme of Reduction of Capital and Consolidation, which is attached herewith for your reference.

If required, notices and disclosures will be published for creditors and other authorities as per applicable rules. Further, necessary intimations will be made to the Stock Exchange(s) in compliance with SEBI (LODR) Regulations, 2015.

The total accumulated losses amount to Rs. 86,71,13,361.08 (Rupees Eighty Six Crores Seventy One Lakhs Thirteen Thousand Three Hundred Sixty One and Paise Eight Only). These accumulated losses have eroded the substantial net worth of the Company and created a significant mismatch between the paid-up share capital as reflected in the Balance Sheet and the actual realisable value of the Company's assets.

8.2 As a consequence of the accumulated losses and the resultant impaired Balance Sheet, the Company has been unable to access capital markets or institutional finance, whether by way of equity or debt, on commercially viable terms. The accumulated losses appearing in the financial statements have acted as a structural impediment to further investment, business expansion, and the deployment of working capital at the scale required for sustainable growth.

8.3 The proposed reduction and consolidation of the paid-up equity share capital is intended to extinguish the debit balance of accumulated losses standing in the Company's books by setting it off against the paid-up equity share capital, thereby restoring the Balance Sheet to reflect the true and fair financial position of the Company. This exercise is being primarily undertaken to:

- a) enable the Company to present a clean and accurate Balance Sheet, free from the overhang of accumulated losses, to prospective investors, lenders, and other stakeholders;
- b) restore the Company's eligibility and credibility to approach capital markets and financial institutions for equity and debt financing required to fund its business objectives and expansion plans; and
- c) Reducing administrative and operation overheads; and
- d) unlock future value creation for shareholders by strengthening the financial foundation of the Company.

9. BENEFITS ARISING OUT OF THE SCHEME

9.1 The Company's books would more accurately represent its financial position.

9.2 The right-sizing of the balance sheet is likely to facilitate the efforts of the Company while raising funds and obtaining finance from banks and financial institutions.

9.3 The reduction and consolidation of capital of the Company will help to raise fresh capital on private placement basis or by any other mode.
