Independent auditor's review report on Unaudited Standalone Quarterly Financial Results of Shriram Finance Limited for the quarter and half year ended September 30, 2026, pursuant to Regulation 33, Regulation 52 and Regulation 54 read with Regulation 63(2) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To
The Board of Directors of
Shriram Finance Limited

1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of Shriram Finance Limited (the 'NBFC'), for the quarter and half year ended September 30, 2026 (the 'statement') attached herewith, being submitted by the NBFC pursuant to the requirements of Regulation 33, Regulation 52 and Regulation 54 read with Regulation 63(2) of the Securities and Exchange Board of India ("the SEBI") (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the 'Listing Regulations').

2. This Statement, which is the responsibility of the NBFC's Management and approved by the Board of Directors of the NBFC, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 'Interim Financial Reporting' ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 ("the Act") as amended read with relevant rules issued thereunder and the circulars, guidelines and directions issued by Reserve Bank of India ("RBI") from time to time, applicable to the NBFC ("RBI guidelines") and other accounting principles generally accepted in India, and in compliance with the presentation and disclosure requirement under Regulation 33, Regulation 52 and Regulation 54 read with Regulation 63(2) of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 *'Review of Interim Financial Information Performed by the Independent Auditor of the Entity'*, issued by the Institute of Chartered Accountants of India ("ICAI"). This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free from material misstatement. A review of interim financial information consists of making inquiries, primarily of the personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Act and consequently

MUMBAI

does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the Ind AS 34, prescribed under Section 133 of the Act, as amended read with relevant rules issued thereunder, the RBI guidelines and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33, Regulation 52 and Regulation 54 read with Regulation 63(2) of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement or that it has not been prepared in accordance with the relevant prudential norms issued by RBI in respect of income recognition, asset classification, provisioning, to the extent applicable to the NBFC, and other related matters.

Notes:

12 Transaction Costs in the nature of Direct Selling Agent commission mainly pertaining to the Two-Wheeler loans were treated as upfront expenditure, considering the relatively shorter tenure and the overall materiality involved.

Consequent to the increase in the estimated Two-Wheeler portfolio, these transaction costs have been considered as a part of cash flows for estimation of effective interest rate (EIR) for loans granted from January 01, 2026. Accordingly, the transaction costs are not treated as an upfront expenditure and have been amortised at EIR over the loan tenure. Consequently, fees and commission expenses and interest income is lower by Rs. 51.50 crores and Rs. 2.52 crores respectively for the year ended on March 31, 2026. The impact of changes in estimates is not material in the opinion of the management.

13 Other income for the half-year ended September 30, 2026, includes gain of Rs. 2.08 crores (gross) on sale of an office premises which was classified as non-current asset held for sale.
