Pillars of Prosperity: Some major “Firsts” introduced in Banking Industry

1921

First to Serve Municipalities in India

The Central Bank became the **first Indian Bank to manage funds for municipalities** like the Bombay Municipality and the Bombay Improvement Trust.

1921

First Dedicated Saving Bank for Thrift Promotion

The Bank introduced an innovative **Home Savings Bank Department** to promote thrift among Indians. It was the first to provide customers with home-savings safes, encouraging small savings that could later be deposited in the Bank.

1922

First Bank to Publish Fortnightly Financial Statements

The Central Bank of India was the **first joint-stock bank in India** to publish fortnightly statements of its liabilities and assets.

1924

First Bank to Provide Separate Facilities for Women

The Central Bank established a **Ladies Department**, becoming the first bank in India to offer dedicated services for female customers. This department had a separate room with female assistants to facilitate transactions like deposits and withdrawals, catering specifically to women's financial needs and encouraging their participation in the banking system.

1926

First Safe Deposit Vault

The Central Bank established first Safe Deposit Vault in the Indian Banking Industry

1962

Recurring Deposit

First Bank to start Recurring Deposit Scheme in the country.

Key Growth Strategies – Accelerate , Expand & Transform

Build Granular CASA book

- **Prambh** - a comprehensive, Bank wide CASA acquisition and expansion drive with clearly defined targets for number of accounts and amount.
- Strategy encompassing both new account acquisition and deepening of existing customer relationships guided by core philosophy **“Badhega CASA – Badhega Bank”**
- Bank has introduced innovative deposit products like “Cent Queen”, “Cent Salary”, “Cent Prestige”, “Cent Achiever”, “Cent TASC”, “Cent Parakram”, “Cent SWAYAM” Saving accounts and “Cent VYVSAAY”, “Cent RERA” & “Cent SheBiz” products for new current account acquisition with emphasis on higher average balances.
- Drive Current Accounts by mapping key local markets per zone; run CA camps with same-day account opening and QR/UPI setup
- Cross-sell and upsell products like CMS through special offering i.e. Wealth Management on digital channels Cent eeZ.

Increase Fee Income

- Product-wise targets for trade/forex, POS/merchant acquiring, DD, lockers, BG/LC, remittances.
- Rationalization of Fee Income such as Processing Charges/IC/SC etc.
- Wealth Management portfolio for HNIs
- Increase Income from Bancassurance Channel

Tech and Digital Adoption

- Run weekly staff huddles on digital products and troubleshooting: nominate a digital champion in each branch.
- Shift routine requests (statements, balance certificates, address changes, etc.) to digital channels like mobile banking app to reduce counter dependency.
- Increase engagement on social media channels.
- Push Customer onboarding on Mobile Banking App Cent eeZ & Net Banking.

Improve Cost to Income Ratio

- CBI has a high cost-to-income ratio 55.40% compared to peer banks, indicating scope to improve income, productivity and control costs
- Run a fee-income drive focused on high-control products - activate QR merchants, onboard CMS BG/LC fee opportunities
- Promote more Cross sell / upsell opportunities to improve Income.
- Maintain its Share of CASA by improving product offerings.

Improve CD Ratio

- Segment branches and run weekly CD steering call with RHs to review branches:
 - High-CD branches: focus on deposit acquisition /retention
 - Low-CD branches: focus on credit growth and utilization
 - Focus on improving CIR ratio by keeping a control on costs and discretionary spends.
 - Communicate issues and expectations directly to top management.
- Link large disbursement to CA deposits by mandating borrower collections/operating flows route through bank.

Key Growth Strategies – Accelerate , Expand & Transform
