Subject: Intimation under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Dear Sir/Madam,

Pursuant to Regulation 30 read with Part A of Schedule III of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), we inform you that the Board of Directors of RNFI Services Limited ("Company"), at its meeting held today i.e. October 03, 2026, has considered and approved the following:

1. The Definitive Business Transfer and Transition Agreement ("Agreement") with Arth Rural Connect Services Private Limited ("Arth") and AgroServe Global Technologies Private Limited ("AgroServe"), for the acquisition by the Company, as a going concern on a slump sale basis, of their Business Correspondent ("BC") business undertakings relating to State Bank of India ("SBI") and Bank of Baroda ("BOB").
2. A maximum aggregate consideration of ₹12 Crore, comprising up to ₹6 Crore in cash and up to ₹6 Crore in fully paid-up equity shares of the Company, payable only for those business components that satisfy the conditions of the Agreement at closing.
3. The discharge of the share consideration by way of a preferential issue of equity shares for consideration other than cash, subject to the approval of the shareholders, the stock exchange and other approvals under applicable law.

Rationale for the acquisition: The Company does not currently have a BC arrangement with SBI or BOB. The acquisition gives the Company direct BC relationships with two of India's largest public sector banks, together with an operating network of about 1,100 customer service points. The Company expects to run and expand this business largely with its existing team, so the acquired business and its growth are expected to come with limited incremental employee cost.

The details required under Regulation 30 of the Listing Regulations read with the SEBI Master Circular on disclosures under Regulation 30 are enclosed as **Annexure A**.

The terms of the preferential issue, including the issue price and the number of equity shares, will be considered by the Board separately and disclosed in due course.

This intimation is also being made available on the website of the Company at www.rnfiservices.com.

Kindly take the above on record.

Thanking you,
Yours faithfully,

For RNFI Services Limited
