This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Financial Results are free of material misstatement. A review of Financial Results consists of making inquiries, primarily from persons responsible for Financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards, accounting and presentation principles as laid down in Accounting Standard ("AS") 25 "Interim Financial Reporting", prescribed under Section 133 of the Companies Act, 2013 (the "Act"), applicable rules there to along with the accounting principles generally accepted in India, read with the accounting and presentation principles as prescribed in the relevant provisions of the Insurance Act, the IRDAI Act and IRDAI Financial Statements Regulations and orders/directions/circulars issued by the IRDAI, to the extent applicable, has not presented and disclosed the information required to be disclosed in terms of the IRDAI Circular and the Listing Regulations, including the manner in which it is to be disclosed or that it contains any material misstatement.
