RETAIL NETWORK

CFHL has its geographical presence across India with 274 Branches/Offices spanning 21 States / Union Territories.

TECHNOLOGY DEVELOPMENT

Our technology transformation project, **TEJAS**, has achieved a milestone. All functional applications, technical solutions, infrastructure services, and security services are **now fully live** across the organization.

The entire platform operates on robust enterprise-grade cloud infrastructure supported by reliable networking and modern IT service management tools to ensure high scalability and optimized cost structures at scale. Underpinning this is a fully operational three-tier digital framework encompassing modern business applications—ranging from core LOS, LMS, and HRMS to Risk, Deposits, and Document Management.

Furthermore, the environment is comprehensively protected by advanced, end-to-end security services, featuring round-the-clock threat monitoring, data leak safeguards, dedicated database protection, and strict access controls. The platform is engineered with embedded AI capabilities, positioning the organization for a seamlessly integrated AI ecosystem while continuing to maintain strict adherence to regulatory compliance standards at every layer.
